Generation 1

1. **NICOLÁS**[1] **BOLAÑOS** . He married **MARÍA VELASCO DEL CASTILLO**.

Notes for Nicolás Bolaños:
Los Bolaños poseían en principios del siglo XVI, en la provincia de Lugo, la casa solar de Torres, estado y señorío de mucha antigüedad, contando con más de 1,300 vasallos. En esa época pertenecía a dicho solar doña Beatriz de Bolaños y Castro de Rivadeneyra, natural de la fortaleza de Torres y su estado, que casó con su pariente Alvares González de Rivadeneyra, siendo padres de Pedro Bolaño Rivadeneyra, Señor de las casas solares de este apellido, que casó con doña Juana Manrique de Estrada, naciendo de ese enlace tres hijos: José Bolaño de Rivadeneyra, Señor de Torres y primer Marqués de Parga, por merced de Felipe IV y padre de María Josefa Bolaño, que en 1696 contrajo matrimonio con Tomás de los Cobos y Luna, teniente general, hijo del Marqués de Camarasa. El segundo hijo de don Pedro y de doña Juana,Francisco de Bolaño Rivadeneyra, fue Caballero de la Orden de Santiago, en la que ingresó el 22 de Julio de 1622, y la tercera, doña Petronila Bolaño de Rivadeneyra, fue segunda mujer de Baltasar de Sequeiros Sotomayor, caballero de Santiago y Vizconde de Santo Tomé por merced de Felipe IV, sin sucesión. Otro caballero del linaje Bolaños fue el Capitán Juan de Bolaños, abuelo de doña Josefa Bolaños y Bermúdez, Señora de Cuiñas y de la casa de Pedra, casada con Rodrigo Osorio y Miranda.
El apellido Bolaños tuvo sus orígenes en un topónimo, es decir que el primer portador del apellido, lo tomó del nombre del lugar de Bolaños, aldea de Galicia en la provincia de Lugo. Etimológicamente el vocablo "bolaños" viene del occitano [lengua romance del valle de Arán en el Pirineo] "bola", a su vez derivada del latín "bulla", que significa proyectil esférico de piedra que lanzaban las primitivas piezas de artillería".

Blasón de Amas: Amartelado. 1°: En oro, una cruz de Calatrava, de gules, cargada de cinco veneras de plata, y en la punta, ondas de azur y plata. 2°: En gules, un león rampante de su color natural y el mantel de sinople, con un cordero de plata sobre un bollo de oro. Tres plumas de avestruz.

Escudo amartelado: Campo de Oro; una Cruz de Calatrava con un Campo de Conchas negras. Las familias aguerridas ostentaban los campos amartelados. El Campo de Oro significaba una honradez acrisolada. LaCruz de Calatrava la llevaban los descendientes de los Caballeros de la orden del mismo nombre, que fue fundada por San Raymundo en elsiglo XII, después de la fiera batalla en la que los españoles recuperan la ciudad ahora llamada Calatrava La Vieja. Y el campo de las Conchas Negras se debe a lo siguiente: En 1640 se libró una fiera batalla en los campos de León y Navarra, siendo vencido el Rey de León por el moro Abderramán, quien impuso a sus vencidos el tributo de que cada año debían entregársele 100 doncellas españolas, 50 rubias y 50 morenas, para sus harenes. Entonces los caballeros del reino, entreellos los Bolaños, no aceptaron esa condición innoble, y reorganizándose dieron una nueva batalla, en la cual, según laleyenda, fueron auxiliados por Santiago Apóstol, quien se presentó en un brioso caballo blanco, venciendo a los moros; y después de labatalla se encontraron en el campo de batalla, gran cantidad de conchas regadas, cosa que fue atribuida a un milagro pues el mar estaba distante. Fue por esto que el Rey ordenó que los heroicos caballeros que habían tomado parte en la batalla ostentaran en susescudos, como recuerdo de esta gloriosa gesta, las conchas que aparecieron en el campo de batalla.

A mediados del siglo XVIII llegó a la Provincia de Nicaragua don José Gregorio Bolaños, procedente de San Lúcar de Barrameda, provincia de Cádiz. Venía como Juez de Pertenencias, Receptor de Tributos y Administrador de Correos en la Provincia de Nicaragua, nombrado durante el reinado de Carlos III. Vino acompañado de su esposa DomingaThomeu (Thomé) de Santeliz. Se radicó en Masaya. En los homenajes tributados en Granada en el año 1788 con motivo de la exaltación de Carlos IV a la corona española, don Gregorio Bolaños figuró como "Notario familiar" entre la autoridades españolas que asistieron a esa celebración, lo que indica que era letrado.
Según George de Ypsilanti, BOLAÑOS, gallego, derivado de Riva de Neira, de la Provincia de Lugo; BOLAÑOS no es un apellido, es una conquista. Ese era el seudónimo de guerra. Al atacar la ciudad y tomarla por asalto contra los moros, nace el apellido BOLAÑOS y probaron su nobleza. Ya ven ustedes que hay apellidos que se terminan, se van y nacen nuevos; esos son los apellidos históricos. Probaron su nobleza en las diversas obras de Santiago en la Guardia Marina Reales, en la Real Audiencia de Oviedo y en la Real Cancillería de Valladolid.
Juan Bolaños, en 1726, era domiciliado en Granada y en 1742 fue Sargento de la Guarnición de Masaya. Gregorio Bolaños, fue Prefecto General Tesorero de Masaya en 1790.

Generation 1 (con't)

Aparentemente, aunque Bolaños se dice que viene de Galicia (gallego), en algún momento se movieron al sur, hacia San Lucar de Barrameo, cerca de Cádiz, quizás ya preparando su migración a América.
En las guerras de la antigüedad se llamaba bolañazo al lanzamiento con una catapulta de un par de pesadas bolas de hierro unidas entre sí por una cadena, con lo que se derribaba paredes, pilares y todo contra loque chocaban.

Nicolás tuvo tres hijos, y después de muerta su esposa se ordenó de sacerdote. Fue un santo por sus costumbres y residió en Managua. Se le tenía por un buen predicador y murió en la iglesia de San Antonio, en Managua, cuando predicaba con motivo de la celebración de la fiesta de San Rafael. Luego de haber predicado la primera parte del sermón, el Padre Nicolás se arrodilló y como no se levantara a continuarlo, el sacristán subió al púlpito y lo encontró muerto. Con ese motivo se escribieron en Managua, por autor ingorado, unos versos relatando la forma de su muerte y que al final decían: "Llorad, llorad, / Managuas desgraciados, / porque os ha faltado / un Bolaños muy dotado, / un Bolaños muy de talento / que partió dichosamente / a la región celestial". Pío Joseph Domitilio Bolaños Thomé Santeliz. Nació el 11 de mayo de 1786, en Masaya.
Casó en primeras nupcias con la señorita Mauricia Argüello Guerrero y tuvieron solo una hija que murió niña. Después, al enviudar, en segundas nupcias se casó con Pastora Bendaña Marenco, vecina de Masaya con quien procreó 8 hijos. Al morir legó a sus hijos una cuantiosa fortuna, distribuida entre todos ellos.

Don Pío figuró en la política del país. Fue uno de los próceres de la Independencia y el primer Alcalde de Masaya al declararse ésta. En 1835 fue Diputado Provincial y Diputado Federal. En 1838 Presidente de la Asamblea Constituyente que redactó la Constitución de la Nicaragua soberana y firmó el Decreto de separación de la Federación de Centro América. En 1842 Magistrado de la Corte de Justicia. Don Pío siempre fue enemigo de aceptar cargos públicos, dedicándose más bien al cuido de sus grandes intereses ganaderos; pero cuando había necesidad de servir a su país, gustoso prestaba sus servicios. Durante la Administración del licenciado don Blas Sáenz, quien ejerció interinamente el cargo de Jefe de Estado del 20 de enero al 4 de abril de 1845, don Pío fue Ministro sin Cartera.

El historiador don Jerónimo Pérez, que le conoció y trató personalmente, hace de don Pío Bolaños cálidos elogios por los servicios que prestó a su patria en diferentes ocasiones y por la honorabilidad y la cultura que poseía. Pérez nos informa de la buena amistad que existió entre el Dean don Pedro Solís y don Pío Bolaños, colaborando estos patriotas en beneficio del orden y progreso del país y quienes fallecieron casi al mismo tiempo.

Alejandro Bolaños Cuadra and Cándida Rosa Cortés Bolaños had the following children:

i. José Domingo[6] Bolaños Cortés was born on 15-oct-1885 in Masaya, Nicaragua. He died on 27-nov-1961 in Masaya, Nicaragua.

Notes for José Domingo Bolaños Cortés:
Soltero. Don Domingo Bolaños Cortés obtuvo su título de Doctor en Farmacia de la Facultad de Medicina, Cirugía, Farmacia y Dentistería de Oriente y Mediodía (en Granada Nicaragua), por competencia, escribiendo su tesis, la que conservo, sobre los "Usos y Cualidades de la Ipecacuana".
Escribió él: "Tengo el honor de presentar ante vosotros este pequeño trabajo sobre la Ipecacuana, que me designasteis como Tesis, cuyo requisito es indispensable en este acto, que juzgo de suma trascendencia para mí, ya que así puedo obtener el Título de Doctor en Farmacia si vos, Honorable Tribunal, no disponéis otra cosa, el cual me permitirá continuar regentando mi Farmacia, la que he servido en mi ciudad natal de Masaya desde el año 1903, en que obtuve el Título de Bachiller en Ciencias y Letras en el muy renombrado y recordado Colegio de esta ciudad de Granada, primeramente en unión de mi inolvidable señor padre, Doctor Don Alejandro Bolaños, quien la fundó el año 1889, y de mi querido hermano Don Nicolás Bolaños, y últimamente en unión de sólo mi referido señor hermano".

El 21 de Noviembre de 1961, a los 76 años de edad, muere el tío Domingo de un infarto que se inicia en la calle a eso de las diez de la noche, cuando regresaba a su casa posiblemente de su visita habitual a Celina González. El dolor lo forzó a sentarse en la banca que él había regalado a los taxistas (frente al mercado municipal, hoy mercado de artesanías) y que usaba en sus pláticas con sus amigos los taxistas. Algunas almas caritativas que pasaban por el lugar, le ayudaron a llegar a su casa donde ya en su cama, asistido por médico y sacerdote, se durmió para siempre.

Al día siguiente, a las dos y media de la tarde sus amigos taxistas lo cargan en hombros para llevarlo hasta la Parroquia de Nuestra Señora de la Asunción acompañadodurante toda la travesía del canto de dolientes «misereres»: exclamaciones de contrición verdadera --de misericordia-- que estoy seguro de que hicieron llorar con mayor dolor a su hermano Nicolás, ante la pérdida de su muy adorado hermano.

El tío Domingo descansa en la Capilla del Cementerio de la familia Bolaños en Masaya. (EBG)

Notes for Andrés Antonio Vega Bolaños:
Abogado, historiador, diplomático, membro fundador de la Academia de Geografía e Historia de Nicaragua así como del Instituto de Cultura Hispánica.
En 1942 se produjo un incendio en el teatro Margot de Managua que a su vez quemó la casa vecina que contenía los Registros de la Propiedad del Departamento de Managua. En esa época, al no existía la fotocopiadora y la nueva inscripción de las escrituras de propiedades debía hacerse mediante la entrega al Registrador de las escrituras originales --única evidencia del derecho de posesión-- para asentarlas en los nuevos libros correspondientes. Hubo petición generalizada al presidente Somoza que nombrara al doctor Andrés Vega Bolaños para el cargo de Registrador de la Propiedad, para asegurar que el proceso fuera hecho con la honestidad y exactitud que el caso demandaba, sin peligro de pérdida o alteración de las escrituras originales. Así fue. El doctor Vega Bolaños a su vez nombró a su sobrino político, Alejandro González Geyer, como su secretario personal para que le ayudara a garantizar la pureza de su trabajo. Ambos caminaban cada día cargando las escrituras que estaban en proceso para ponerlas a pasar las noches custodiadas debajo de la cama del doctor Vega Bolaños. El proceso se hizo con absoluta pureza a satisfacción de toda la población.
En 1949 fue nombrado embajador ante España y llegó a ser Decano del Cuerpo Diplomático acreditado en Madrid. Como historiador aprovechó seleccionar y copiar del Archivo de Indias 1.116 documentos históricos sobre la Conquista de Nicaragua de 1503 a 1550, trabajo que publicó en 17 tomos conteniendo más de diez mil folios en la llamada Colección Somoza,

Generation 5 (con't)

posteriormente llamada Colección Andrés Vega Bolaños del Archivo de Indias.
A lo largo de su larga vida (murió a los 96 años) publicó muchas obras más entre las que sobresalen: "Gobernantes de Nicaragua", "Los acontecimientos de 1851", "Los atentados del superintendente de Belice", "Bombardeo y destrucción del puerto de San Juan del Norte de Nicaragua"... No dejó descendientes.

Notes for Alejandro Bolaños Geyer:
Palabras de Enrique Bolaños Geyer ante el féretro de su hermano Alejandro
Iglesia Nuestra Señora de la Asunción - Masaya 27 de mayo 2005

Alejandro:
Fuimos cuatro, siempre cuatro y sólo cuatro hermanos. Fuiste el mayor y el primero en asimilar los valores

Generation 7 (con't)

de familia que nuestros papás y antepasados nos inculcaron con sus enseñanzas y, más que todo, con el poder moral del silencioso ejemplo.
Hasta ayer fuimos cuatro, siempre cuatro y sólo cuatro hermanos, casados cada uno con su esposa de por vida, por más de 50 años, cada uno.
Fuiste el mejor bachiller de tu graduación (Príncipe Perpetuo, se llamaba entonces) en el Colegio Centro América de Granada. Estudiaste medicina en Estados Unidos y te graduaste en tiempo récord, entre los mejores estudiantes.
Estando en la Universidad en Saint Louis Missouri, te levantabas a las cuatro de la mañana, bajo nieve o calor, para ganarte diez dólares mensuales barriendo la Iglesia para costear con ese dinero el envío de un paquete "Care" a la tía Anita Geyer e hijas (Irma y Anita), conteniendo alimentos y productos esenciales para paliar el hambre y las urgentes necesidades en el comienzo de la post-guerra en Alemania. Esta compasión era la principal característica que te distinguía.
Te especializaste en Medicina Interna y llegaste a establecer liderazgo indiscutible en ese campo. Fuiste un investigador acucioso, perseverante para dar con certeza el diagnóstico de cada caso. Para vos sólo había la ciencia aplicada con integridad y compasión.
A veinte años de tu exitosa práctica médica, te picó la tradición de antepasados: la Historia. Poco a poco te fuiste apartando de la investigación en la medicina, para aplicar la misma técnica metódica en la investigación de hechos históricos de nuestra Nicaragua. Fue el tío Andrés Vega Bolaños quien en tu primer libro Clinton Rollins (1976) te escribió en el prólogo que presentabas un estudio útil y curioso sobre la falta de autenticidad histórica de unas crónicas escritas en inglés por el supuesto filibustero Clinton Rollins. Hasta ese momento, la historia de Nicaragua recogía estas crónicas como la piedra angular de la Guerra Nacional. Sorprendiste a Nicaragua al desvirtuar con rapidez y precisión ese craso error y por primera vez en nuestra historia conocimos la verdad, --la pura verdad-- de ese importantísimo capítulo de nuestra vida nacional. Y todo lo hiciste con apasionado y apasionante sacrificio y consagración a la verdad.
Escribía también el tío Andrés Vega Bolaños --consagrado historiador-- que "En Nicaragua abundan los historiadores; (pero) por desgracia no abunda la verdad". Aprendiste de él, en tradición familiar, que el respeto a la verdad es un deber tan imperativo en la Historia como en las ciencias de la naturaleza.
Fuiste un apóstol misionero de la verdad histórica basada en las evidencias primarias que buscabas y encontrabas con la tenacidad de un sabueso. Fuiste ratón de biblioteca, de muchas bibliotecas del mundo, y tu labor ha sido reconocida y elogiada en el exterior así como en Nicaragua. Tu humildad rechazó siempre las condecoraciones y suntuosos reconocimientos que merecidamente se te quiso otorgar. Te bastó tu propia satisfacción intelectual y aporte desinteresado de la verdad a la sociedad.
Alejandro: Hay tanto que decir de tu consagrada labor como médico y como historiador. Pero más importante para nosotros es tu aporte como hermano mayor, como esposo fiel y padre amoroso y responsable. Para mí, desde la adolescencia fuiste mi guía y consejero todavía hasta ayer.
Lloramos tu partida. La nobleza de tu alma, tu fe cristiana inculcada y practicada desde niño, tu fe en la Santísima Virgen, en Nuestro Señor Jesucristo y el vínculo con nuestra Santa Madre Iglesia nos consuela, porque ahora podés repetirnos a nosotros lo que nos decía San Agustín:
"Créeme, cuando llegue el día que Dios ha
fijado y tu alma llegue a este cielo,
al que te ha precedido la mía,
encontrarás a aquél que siempre te ama
y hallarás su corazón con toda la
ternura, purificado, transfigurado, feliz
no esperando la muerte
sino avanzando contigo por
los senderos de la luz".

Alejandro: Que Dios guarde tu alma en Su Seno y, hasta pronto.

LOS PREDESTINADOS
Al Dr. Alejandro Bolaños Geyer

Si mi lira todavía no es fina
Si mi canto todavía es menor

Generation 7 (con't)

¡Qué importa si hoy quiero
cantarte aunque luego te cante en
mayor! Yo podría ahora cantarte
mis angustias, mis ansias en flor,
a cantar a tu imagen de grande,
visionario y sabio Señor.
Mas, escojo una misma inquietud
de mi tarde y tu tarde del alma: Mi
Darío de mi Nicaragua
Y tu Walker del siglo anterior.
¡Para mí, Darío es maestro,
Para Walker, vos sos su doctor!

Palabras de Alejandro Bolaños Davis en le Iglesia de Nuestra Señora dela Asunción - Masaya, el día del funeral de su padre: Dr. AlejandroBolaños Geyer.
Aunque este testimonio lo hago yo ahora, estoy seguro que mi mamá (Pipicha) y todos mis hermanos (Michael, Amanda, Patrick, Bobby, Ricardo y Carla Patricia) estarán de acuerdo conmigo.
Querido Papá:
Fuiste mi maestro de principios que como faros guían el camino de mi vida.
Me enseñaste unidad familiar. Siempre hiciste con Mamá una pareja sólida, llena de fortaleza, donde siempre encontré refugio. Ustedes fueron mi hogar seguro. Los visualizo siempre juntos...
Te aprendí la virtud de la entrega al trabajo. Siempre dedicado, abnegado, siempre haciendo cosas, descubriendo, escribiendo, enseñando, luchando por tus creencias y convicciones.
Me enseñaste humildad. No deseaste reconocimientos ni alabanzas por tus logros. Nunca esperaste nada a cambio por todo lo que contribuiste como médico y luego como historiador.
De vos aprendí el sentido de patria y civismo, que es servir a los demás y a cambiar lo que no es bueno para la patria, cívicamente, utilizando el diálogo.
Descubrí por tu ejemplo a ser perseverante y tenaz. Cuando otro quizá se hubiera rendido en la lucha por Nicaragua en la década del 80, vos te recorriste los EE.UU denunciando el engaño del régimen dictatorial sandinista. Convertiste tu casa en un refugio de la democracia. "LaVoz de Nicaragua" que reclamaba su libertad tuvo eco en St Louis Missouri. Fuiste un luchador tenaz hasta el último momento.
Me enseñaste entrega. Nunca me dijiste no a lo que te pedí. Siempre me ayudaste. Siempre quisiste lo mejor para mi y mis hermanos. Siempre estuviste presente. Siempre te encontré cuando te necesitaba. Nunca me fallaste.
Me diste amor. Fuiste un compañero solidario conmigo. Me acompañaste en mi sobriedad desde el mismo día 24 de octubre de 1992. Desde entonces no bebemos un solo trago, yo porque no puedo ni debo, y vos porque así lo dispusiste sólo para acompañarme en mi camino.
Sos mi héroe..., siempre te tengo de referencia o modelo de cómo debe uno ser y proceder. Seguiré siempre tus enseñanzas. Te honraré y te tendré de referencia como guía de una vida moral. Cuando me encuentre frente a una decisión difícil me preguntaré: ¿Qué haría mi Papá?...
Te confieso que siempre te quise más cuando yo también más me quería. Cuando andaba mal me alejaba. Y ahora vos te vas..., con Papá Nicolás, abuela Amanda, tío domingo, las tías Magdalena, Mercedes y Anita... Y tus nietos Maiquito, Guillermo, Martín...
Me siento tranquilo con tu partida. Le doy gracias a Dios que tuve tiempo para comulgar con vos y de juntar tu espíritu con el mío. Logramos conversar, entendernos y aceptarnos tal y como somos, sin tratar de cambiarnos.
Mamá se queda con nosotros. Despreocúpate. La cuidaremos mejor que nunca.
Gracias por la vida. Por habérmela dado con Mamá y por compartir la tuya
conmigo. Con todo mi amor.
Alex

Palabras del Dr- Francisco Lacayo Maison ante Féretro del Dr. ABG en Inglesia de Nuestra Señora de la Asunción - Masaya, 27 de mayo 2005.
Alejandro:
No puedes irte sin el saludo de un amigo.
Hoy quiero despedirme diciéndote que me siento privilegiado por haber compartido con voz las aulas de secundaria, en donde tuve la oportunidad de conocerte como persona, como compañero, y como amigo, y más importante aún, como al gran ciudadano en que sabía te ibas a convertir por tus grandes dotes morales y por tu gran talento.
Recuerdo que cuando te fuiste a Estados Unidos a estudiar Medicina a la Universidad de San Luis Misuri, fui a despedirte al Aeropuerto y tomaste el avión de Pan American. Pasaron varios años y al regresar, nos encontramos nuevamente, vos como un gran médico especialista en medicina interna y yo también habiendo estudiado en las Universidades de esta nuestra Patria me había convertido en Médico y dedicado a la Pediatría.
Fuiste el primer médico que tomó un Electro Cardiograma aquí en Masaya, pero ya tu ciudad era pequeña para la afluencia de pacientes que venían de todas partes de Nicaragua a consultarte, eras un maestro en la medicina. Te trasladaste a Managua y fundaste la Policlínica Nicaragüense con otros distinguidos colegas y especialistas, unos ya se han ido, hoy te has ido vos, y otros todavía están entre nosotros.
Vino el terremoto del 72 y destruyó la Policlínica Nicaragüense que estaba situada allá por el barrio San Antonio de la vieja Managua. Pero Dios escribe siempre recto en reglones torcidos y esto te sirvió de motivación, para dedicarte, además de la medicina, a tu otra gran inquietud, pasión y vocación: "la literaria" y llegaste a ser el gran Historiador en que te convertiste y por lo que seguramente te recordarán los estudiosos de las generaciones futuras. De tal manera que el que quiera conocer de la Historia de William Walker, podrá consultar la Enciclopedia que has dejado de ese personaje histórico.
También has dejado un gran legado sobre el Río San Juan que clarificala posición y derecho de Nicaragua ante la historia, y sobre la historia política reciente de Nicaragua.
Alejandro: Esta tierra que te vio nacer, y que hoy te recibe en suseno, ha dado y continúa dando grandes hombres. Hombres que han destacado por su talento y su valor y por su legado a las generaciones futuras que es ejemplo y estímulo para el resto de nicaragüenses. Hombres que han tenido la buena voluntad y el coraje de lanzarse a la aventura de intentar construir una mejor Nicaragua para todos, como tu hermano y también mi amigo Enrique Bolaños.
En tu persona quiero expresar mi gratitud y reconocimiento a todos esos grandes hombres de Nicaragua de ayer y de hoy, entre los cuales sin lugar a dudas te encuentras tú. Y para los que creemos en la Eternidad, y para quienes esta vida no es más que un tránsito, una historia temporal, puedo decirte como decía Don Bosco, nos vemos en el Paraíso.
Francisco Lacayo Maison

Palabras del nieto Juan Carlos Bolaños González ante Féretrero de ABGen el Cementerio de Masaya.. Hola;
Soy Juan Carlos Bolaños, en la misa habló un amigo, un hijo y un hermano, pero no habló un nieto, y yo no lo puedo dejar ir sin decir algo. Para mí, mi abuelo no era un doctor, él era mi Lolito. Perdón lo que no entienden el inglés porque lo que quiero decir va ser en inglés.
Lolito was a sideways walk, a head full of white hair, peppermint candies, a cup of coffee on the warmer by his computer; he was the smell of books.
He was my one and only grandfather. Everything that a grandfather is to me is here and here and forever will be here. And so, to finish it up, I am going to leave and I am going to say goodbye the way I always said goodbye: I´ll say, see you later alligator, and he´ll smile and respond, after a while crocodile.
I love you Lolito, and after a while crocodile, gracias. Juan Carlos

Notes for Enrique José Gregorio Bolaños Geyer:
Ingeniero Industrial en Saint Louis University, Saint Louis, Missouri, USA. Atendió el Programa de Alta Gerencia del Instituto Centroamericano de Administración de Empresas (INCAE) para directivos y presidentes de empresas.

Presidente del COSEP 1983-1987 donde llegó a ser el líder de la oposición cívica contra el Gobierno Sandinista de los años 1980, por lo que en junio de 1985 el gobierno sandinista confiscó todos los bienes del Grupo Bolaños-Saimsa, del cual él era Presidente. Esta acción castigaba injustamente también a sus hermanos Alejandro y Nicolás, dueños cada uno de la tercera parte de las empresas de ese grupo. En 1997 llegó a ser Vicepresidente de la República en el Gobierno del doctor Arnoldo Alemán y renunció un año antes del fin del período para poder lanzar su candidatura a la Presidencia. En noviembre 2001 ganó la Presidencia de la República, junto con el Dr. José Rizo como su Vicepresidente, para el período 2002-2007, De los 17 departamentos de Nicaragua, la fórmula Bolaños-Rizo ganó en 14 y Daniel Ortega solamente en 3. Ortega ganó en Estelí (por 2 puntos), Chinandega (por 3 puntos) y León (por 4 puntos). En tanto, Bolaños arrasó en el sur y oriente ganando Masaya por 16 puntos, Carazo por 7, Granada por 18 puntos y Rivas por 15 puntos. Arrasó también en el norte ganando Matagalpa por 20 puntos, Jinotega por 23, Nueva Segovia por 8 y Madriz por 5 puntos. Arrasó en el centro y en la costa caribeña del país ganando Chontales por 41 puntos, Boaco por 42, la RAAN por 11, laRAAS por 54 y Río San Juan por 28 puntos. Bolaños también ganó en la capital, Managua, por 9 puntos.
En su presidencia combatió la corrupción, cosa que pisa callos y causa reacciones por lo que sufrió la dura oposición de su propio partido (el PLC) junto con la del FSLN, que mediante un pacto político amarrado a comienzos del año 200, se repartieron la gran mayoría en todos los otros poderes del Estado. Sin embargo, el país avanzó en lo económico y en lo moral, dejando un país mucho mejor que el que recibió 5 años antes. La Asamblea boicoteó su programas de gobierno que le hubieran permitido hacer mucho más, y dejó "la mesa servida", a como él la definía, con 1851 millones de dólares ne caja y en proyectos financiados por las organizaciones financieras internacionales.

Para prueba.

Notes for Alejandro Bolaños Geyer:
Palabras de Enrique Bolaños Geyer ante el féretro de su hermano Alejandro
Iglesia Nuestra Señora de la Asunción - Masaya 27 de mayo 2005

Alejandro:
Fuimos cuatro, siempre cuatro y sólo cuatro hermanos. Fuiste el mayor y el primero en asimilar los valores de familia que nuestros papás y antepasados nos inculcaron con sus enseñanzas y, más que todo, con el poder moral del silencioso ejemplo.
Hasta ayer fuimos cuatro, siempre cuatro y sólo cuatro hermanos, casados cada uno con su esposa de por vida, por más de 50 años, cada uno.
Fuiste el mejor bachiller de tu graduación (Príncipe Perpetuo, se llamaba entonces) en el Colegio Centro América de Granada. Estudiaste medicina en Estados Unidos y te graduaste en tiempo récord, entre los mejores estudiantes.
Estando en la Universidad en Saint Louis Missouri, te levantabas a las cuatro de la mañana, bajo nieve o calor, para ganarte diez dólares mensuales barriendo la Iglesia para costear con ese dinero el envío de un paquete "Care" a la tía Anita Geyer e hijas (Irma y Anita), conteniendo alimentos y productos esenciales para paliar el hambre y las urgentes necesidades en el comienzo de la post-guerra en Alemania. Esta compasión era la principal característica que te distinguía.
Te especializaste en Medicina Interna y llegaste a establecer liderazgo indiscutible en ese campo. Fuiste un investigador acucioso, perseverante para dar con certeza el diagnóstico de cada caso. Para vos sólo había la ciencia aplicada con integridad y compasión.
A veinte años de tu exitosa práctica médica, te picó la tradición de antepasados: la Historia. Poco a poco te fuiste apartando de la investigación en la medicina, para aplicar la misma técnica metódica en la investigación de hechos históricos de nuestra Nicaragua. Fue el tío Andrés Vega Bolaños quien en tu primer libro Clinton Rollins (1976) te escribió en el prólogo que presentabas un estudio útil y curioso sobre la falta de autenticidad histórica de unas crónicas escritas en inglés por el supuesto filibustero Clinton Rollins. Hasta ese momento, la historia de Nicaragua recogía estas crónicas como la piedra angular de la Guerra Nacional. Sorprendiste a Nicaragua al desvirtuar con rapidez y precisión ese craso error y por primera vez en nuestra historia conocimos la verdad, --la pura verdad-- de ese importantísimo capítulo de nuestra vida nacional. Y todo lo hiciste con apasionado y apasionante sacrificio y consagración a la verdad.

Generation 7 (con't)

Escribía también el tío Andrés Vega Bolaños --consagrado historiador-- que "En Nicaragua abundan los historiadores; (pero) por desgracia no abunda la verdad". Aprendiste de él, en tradición familiar, que el respeto a la verdad es un deber tan imperativo en la Historia como en las ciencias de la naturaleza.
Fuiste un apóstol misionero de la verdad histórica basada en las evidencias primarias que buscabas y encontrabas con la tenacidad de un sabueso. Fuiste ratón de biblioteca, de muchas bibliotecas del mundo, y tu labor ha sido reconocida y elogiada en el exterior así como en Nicaragua. Tu humildad rechazó siempre las condecoraciones y suntuosos reconocimientos que merecidamente se te quiso otorgar. Te bastó tu propia satisfacción intelectual y aporte desinteresado de la verdad a la sociedad.
Alejandro: Hay tanto que decir de tu consagrada labor como médico y como historiador. Pero más importante para nosotros es tu aporte como hermano mayor, como esposo fiel y padre amoroso y responsable. Para mí, desde la adolescencia fuiste mi guía y consejero todavía hasta ayer.
Lloramos tu partida. La nobleza de tu alma, tu fe cristiana inculcada y practicada desde niño, tu fe en la Santísima Virgen, en Nuestro Señor Jesucristo y el vínculo con nuestra Santa Madre Iglesia nos consuela, porque ahora podés repetirnos a nosotros lo que nos decía San Agustín:
"Créeme, cuando llegue el día que Dios ha
fijado y tu alma llegue a este cielo,
al que te ha precedido la mía,
encontrarás a aquél que siempre te ama
y hallarás su corazón con toda la
ternura, purificado, transfigurado, feliz
no esperando la muerte
sino avanzando contigo por
los senderos de la luz".

Alejandro: Que Dios guarde tu alma en Su Seno y, hasta pronto.

LOS PREDESTINADOS
Al Dr. Alejandro Bolaños Geyer

Si mi lira todavía no es fina Si
mi canto todavía es menor
¡Qué importa si hoy quiero
cantarte aunque luego te cante en
mayor! Yo podría ahora cantarte
mis angustias, mis ansias en flor,
a cantar a tu imagen de grande,
visionario y sabio Señor.
Mas, escojo una misma inquietud
de mi tarde y tu tarde del alma: Mi
Darío de mi Nicaragua
Y tu Walker del siglo anterior.
¡Para mí, Darío es maestro,
Para Walker, vos sos su doctor!

Palabras de Alejandro Bolaños Davis en le Iglesia de Nuestra Señora dela Asunción - Masaya, el día del funeral de su padre: Dr. AlejandroBolaños Geyer.
Aunque este testimonio lo hago yo ahora, estoy seguro que mi mamá (Pipicha) y todos mis hermanos (Michael, Amanda, Patrick, Bobby, Ricardo y Carla Patricia) estarán de acuerdo conmigo.
Querido Papá:
Fuiste mi maestro de principios que como faros guían el camino de mi vida.

Generation 7 (con't)

Me enseñaste unidad familiar. Siempre hiciste con Mamá una pareja sólida, llena de fortaleza, donde siempre encontré refugio. Ustedes fueron mi hogar seguro. Los visualizo siempre juntos...
Te aprendí la virtud de la entrega al trabajo. Siempre dedicado, abnegado, siempre haciendo cosas, descubriendo, escribiendo, enseñando, luchando por tus creencias y convicciones.
Me enseñaste humildad. No deseaste reconocimientos ni alabanzas por tus logros. Nunca esperaste nada a cambio por todo lo que contribuiste como médico y luego como historiador.
De vos aprendí el sentido de patria y civismo, que es servir a los demás y a cambiar lo que no es bueno para la patria, cívicamente, utilizando el diálogo.
Descubrí por tu ejemplo a ser perseverante y tenaz. Cuando otro quizá se hubiera rendido en la lucha por Nicaragua en la década del 80, vos te recorriste los EE.UU denunciando el engaño del régimen dictatorial sandinista. Convertiste tu casa en un refugio de la democracia. "LaVoz de Nicaragua" que reclamaba su libertad tuvo eco en St Louis Missouri. Fuiste un luchador tenaz hasta el último momento.
Me enseñaste entrega. Nunca me dijiste no a lo que te pedí. Siempre me ayudaste. Siempre quisiste lo mejor para mi y mis hermanos. Siempre estuviste presente. Siempre te encontré cuando te necesitaba. Nunca me fallaste.
Me diste amor. Fuiste un compañero solidario conmigo. Me acompañaste en mi sobriedad desde el mismo día 24 de octubre de 1992. Desde entonces no bebemos un solo trago, yo porque no puedo ni debo, y vos porque así lo dispusiste sólo para acompañarme en mi camino.
Sos mi héroe..., siempre te tengo de referencia o modelo de cómo debe uno ser y proceder. Seguiré siempre tus enseñanzas. Te honraré y te tendré de referencia como guía de una vida moral. Cuando me encuentre frente a una decisión difícil me preguntaré: ¿Qué haría mi Papá?...
Te confieso que siempre te quise más cuando yo también más me quería. Cuando andaba mal me alejaba. Y ahora vos te vas..., con Papá Nicolás, abuela Amanda, tío domingo, las tías Magdalena, Mercedes y Anita... Y tus nietos Maiquito, Guillermo, Martín...
Me siento tranquilo con tu partida. Le doy gracias a Dios que tuve tiempo para comulgar con vos y de juntar tu espíritu con el mío. Logramos conversar, entendernos y aceptarnos tal y como somos, sin tratar de cambiarnos.
Mamá se queda con nosotros. Despreocúpate. La cuidaremos mejor que nunca.
Gracias por la vida. Por habérmela dado con Mamá y por compartir la tuya conmigo. Con todo mi amor.
Alex

Alejandro:
No puedes irte sin el saludo de un amigo.
Hoy quiero despedirme diciéndote que me siento privilegiado por haber compartido con voz las aulas de secundaria, en donde tuve la oportunidad de conocerte como persona, como compañero, y como amigo, y más importante aún, como al gran ciudadano en que sabía te ibas a convertir por tus grandes dotes morales y por tu gran talento.
Recuerdo que cuando te fuiste a Estados Unidos a estudiar Medicina a la Universidad de San Luis Misuri, fui a despedirte al Aeropuerto y tomaste el avión de Pan American. Pasaron varios años y al regresar, nos encontramos nuevamente, vos como un gran médico especialista en medicina interna y yo también habiendo estudiado en las Universidades de esta nuestra Patria me había convertido en Médico y dedicado a la Pediatría.
Fuiste el primer médico que tomó un Electro Cardiograma aquí en Masaya, pero ya tu ciudad era pequeña para la afluencia de pacientes que venían de todas partes de Nicaragua a consultarte, eras un maestro en la medicina. Te trasladaste a Managua y fundaste la Policlínica Nicaragüense con otros distinguidos colegas y especialistas, unos ya se han ido, hoy te has ido vos, y otros todavía están entre nosotros.
Vino el terremoto del 72 y destruyó la Policlínica Nicaragüense que estaba situada allá por el barrio San Antonio de la vieja Managua. Pero Dios escribe siempre recto en reglones torcidos y esto te sirvió de motivación, para dedicarte, además de la medicina, a tu otra gran inquietud, pasión y vocación: "la literaria" y llegaste a ser el gran Historiador en que te convertiste y por lo que seguramente te recordarán los estudiosos de las generaciones futuras. De tal manera que el que quiera conocer de la Historia de William Walker, podrá consultar la Enciclopedia que has dejado de ese personaje histórico.

Generation 7 (con't)

También has dejado un gran legado sobre el Río San Juan que clarificala posición y derecho de Nicaragua ante la historia, y sobre la historia política reciente de Nicaragua.
Alejandro: Esta tierra que te vio nacer, y que hoy te recibe en suseno, ha dado y continúa dando grandes hombres. Hombres que han destacado por su talento y su valor y por su legado a las generaciones futuras que es ejemplo y estímulo para el resto de nicaragüenses. Hombres que han tenido la buena voluntad y el coraje de lanzarse a la aventura de intentar construir una mejor Nicaragua para todos, como tu hermano y también mi amigo Enrique Bolaños.
En tu persona quiero expresar mi gratitud y reconocimiento a todos esos grandes hombres de Nicaragua de ayer y de hoy, entre los cuales sin lugar a dudas te encuentras tú. Y para los que creemos en la Eternidad, y para quienes esta vida no es más que un tránsito, una historia temporal, puedo decirte como decía Don Bosco, nos vemos en el Paraíso.

Palabras del nieto Juan Carlos Bolaños González ante Féretrero de ABGen el Cementerio de Masaya.. Hola;
Soy Juan Carlos Bolaños, en la misa habló un amigo, un hijo y un hermano, pero no habló un nieto, y yo no lo puedo dejar ir sin decir algo. Para mí, mi abuelo no era un doctor, él era mi Lolito. Perdón lo que no entienden el inglés porque lo que quiero decir va ser en inglés.
Lolito was a sideways walk, a head full of white hair, peppermint candies, a cup of coffee on the warmer by his computer; he was the smell of books.
He was my one and only grandfather. Everything that a grandfather is to me is here and here and forever will be here. And so, to finish it up, I am going to leave and I am going to say goodbye the way I always said goodbye: I´ll say, see you later alligator, and he´ll smile and respond, after a while crocodile.
I love you Lolito, and after a while crocodile, gracias. Juan Carlos

presidentes de empresas.

Presidente del COSEP 1983-1987 donde llegó a ser el líder de la oposición cívica contra el Gobierno Sandinista de los años 1980, por lo que en junio de 1985 el gobierno sandinista confiscó todos los bienes del Grupo Bolaños-Saimsa, del cual él era Presidente. Esta acción castigaba injustamente también a sus hermanos Alejandro y Nicolás, dueños cada uno de la tercera parte de las empresas de ese grupo. En 1997 llegó a ser Vicepresidente de la República en el Gobierno del doctor Arnoldo Alemán y renunció un año antes del fin del período para poder lanzar su candidatura a la Presidencia. En noviembre 2001 ganó la Presidencia de la República, junto con el Dr. José Rizo como su Vicepresidente, para el período 2002-2007, De los 17 departamentos de Nicaragua, la fórmula Bolaños-Rizo ganó en 14 y Daniel Ortega solamente en 3. Ortega ganó en Estelí (por 2 puntos), Chinandega (por 3 puntos) y León (por 4 puntos). En tanto, Bolaños arrasó en el sur y oriente ganando Masaya por 16 puntos, Carazo por 7, Granada por 18 puntos y Rivas por 15 puntos. Arrasó también en el norte ganando Matagalpa por 20 puntos, Jinotega por 23, Nueva Segovia por 8 y Madriz por 5 puntos. Arrasó en el centro y en la costa caribeña del país ganando Chontales por 41 puntos, Boaco por 42, la RAAN por 11, laRAAS por 54 y Río San Juan por 28 puntos. Bolaños también ganó en la capital, Managua, por 9 puntos.
En su presidencia combatió la corrupción, cosa que pisa callos y causa reacciones por lo que sufrió la dura oposición de su propio partido (el PLC) junto con la del FSLN, que mediante un pacto político amarrado a comienzos del año 200, se repartieron la gran mayoría en todos los otros poderes del Estado. Sin embargo, el país avanzó en lo económico y en lo moral, dejando un país mucho mejor que el que recibió 5 años antes. La Asamblea boicoteó su programas de gobierno que le hubieran permitido hacer mucho más, y dejó "la mesa servida", a como él la definía, con 1851 millones de dólares ne caja y en proyectos financiados por las organizaciones financieras internacionales.

Para prueba.

Notes for Jorge Alejandro Bolaños Abaunza:
Iglesia Nuestra Señora de la Asunción - Masaya 2 de agosto 2005

Jorge, amado Jorge:
Ya estás ante la presencia del Señor, donde Él ha querido llamarte.
Dios quiso dotarte de un cociente de inteligencia muy especial. Siempre fuiste un alumno excepcional desde kindergarten hasta el doctorado. Fuiste un científico de extraordinario éxito y un orgullo para toda la familia. Renunciaste a tu trabajo de científico en el Centro Internacional de Mejoramiento de Semillas de Maíz y Trigo, para venir a asesorarme enla campaña por la Presidencia de la República, porque vos, al igual que yo, creíste que teníamos que ayudarle y servirle a nuestro pueblo.
Contribuiste grandemente a la victoria. Le diste gratis a Nicaragua valiosas semillas y el diseño del importante programa de "Libra por Libra", que está beneficiando ya a más de 100 mil familias campesinas y ayuda a Nicaragua a comenzar de nuevo la exportación de granos. Jamás cobraste ni te beneficiaste en nada del presupuesto de la nación.
Fuiste siempre veraz y sincero: Al pan, pan y al vino, vino. Tu mente concebía cosas que nosotros tardábamos mucho en visualizar. Me guiabas en la árdua tarea de gobernar y mucho del éxito obtenido fue concebido precisamente por vos, cosas que muchos nunca llegaron a comprender, porque jamás entendieron la práctica democrática existente en nuestra familia. Tus consejos me harán mucha falta y también a tu Nicaragua.

Generation 8 (con't)

Pero lo más importante aún --y lo que más nos llena de orgullo--siempre fue tu modestia y gran generosidad para con todos, especialmente para con los más necesitados y humildes. Entre ellos te movías más a gusto, cosa que heredaste de tu Lila T, tal como siempre le llamaste a tu mamá.
A mí me hará mucha falta el beso en la cabeza, lleno de amor, con el que siempre me saludabas.
Por tu mente científica y por tu gran generosidad, dispusiste que en caso de muerte, tus órganos fueran donados, para que otros pudieran tener una nueva oportunidad de vivir. Con esta generosidad póstuma, ya has salvado quién sabe cuántas vidas y has devuelto la vista a un par de personas, para alegría de todas sus familias y mayor Gloria de Dios. En tu misma muerte diste tu último acto de grandeza de corazón y heroísmo.
Tu hijita Valeria, tu Lila T, tus hermanos y yo estamos más que orgullosos de ese heroísmo y gran bondad que sabemos te será recompensado y premiado por la infinita Misericordia de Dios.
Nos dejás otro gran legado, a tu hijita Valeria --los ojos de tu cara-- que hereda tu misma inteligencia, talento y bondad. La seguirás cuidando desde el cielo y nosotros aquí te la seguiremos amando, y ahora mucho más que nunca.
Es por tu legado, por tu Valeria y por el resto de mis hijos y nietos, que me hace ofrecerte que seguiré cumpliendo mi promesa -y la tuya- deseguir luchando duro para heredarle a todos los hijos y nietos de todos los nicaragüenses una mejor Nicaragua, como la que vos y yo soñábamos y planificábamos juntos.
Siempre nos dijiste que no te gustaban flores en los funerales; que sería noble más bien ofrecer donaciones a la Cruz Roja, a la que consideraste tu preferida ONG, porque de verdad servía al pueblo.
Así planeamos tu funeral, a tu gusto.
La donación voluntaria a la Cruz Roja Nicaragüense será agradecida por la familia Bolaños-Abaúnza, en nombre de Jorge, tal como él lo pedía, de acuerdo a listas de donantes que nos proporcionará la Cruz Roja. Señor: Danos fuerzas para poder inclinar nuestras cabezas en señal de resignación ante Tu Santísima Voluntad y poder sobrellevar con resignación cristiana este duro golpe.
Santísima Virgen María, abogada nuestra, ayúdanos a ver el mundo a través del prisma de la fe, para verlo tal como lo ve Cristo.
En tus Manos Señor, encomendamos el alma de nuestro amado Jorge. EBG

Notes for Javier Bolaños Abaunza:
Despedida a mi hijo Javier en su muerte.
Iglesia Nuestra Señora de la Asunción - Masaya 20 de Marzo de 2007

Adorado Javier:
Diste una dura y valiente pelea lidiando contra esa cruel enfermedad.Transitaste ese largo y duro camino lleno de dolorosos capítulos y episodios con valentía y convicción en que, tal como vos me lo decías, Dios sabe lo que hace y por mi bien me mandó esta terrible enfermedad.
Vos mismo nos decías que estos años de lucha y enfermedad habían sido los mejores de tu vida, que te había acercado mucho más a Dios, a tu esposa e hijitas y que esto te había traído más felicidad, "quizás los más felices de mi vida", me decías.
Muchos rogábamos al Señor que te dejara más tiempo entre nosotros, para que cuidaras a tus hijitas y que hasta pudieras llegar a gozar a los posibles nietos, como lo hemos hecho tu mamá y yo. Pero que si esa no era Su Santísima Voluntad, entonces, -le decíamos en nuestras oraciones, que te llevara con Él entre sus ángeles.
Como vos, yo también creo que para eso te mandó esta enfermedad. Siempre hemos creído que esta vida no es un fin, sino sólo un tránsito para llegar a la verdadera vida eterna. Y ya venciste este transitar y llegaste ya a la presencia del Padre para estar con Él entre Sus ángeles.
Nos decías que "Mientras más fuerte es uno, más duros son los obstáculos. Hay que tener fe para

Generation 8 (con't)

aguantar."
Hoy sabemos que aguantaste y ya estás con tus hermanos, abuelos, familia y amigos, en el Reino de los Cielos, merecido -muy merecido-- por la purificación avivada con los prolongados terribles dolores que sufriste con esta grosera enfermedad, con sabor a cruz.
En otra ocasión me decías: "Recordá que el verdadero regalo es estar vivo: lograr sentir (feel) felicidad o tristeza, dolor o no-dolor; eso es vivir". Y agregabas, "Papá, el dolor es inevitable; el sufrimiento es una opción".
Nos escribías y decías: "Espiritualmente me siento muy cerca de mi Creador, tal como yo lo conozco". "Familia: gran esposa y cuatro lindas y sanas hijitas constantemente enseñándome cuánto me quieren". "Mentalmente: gran apetito por el conocimiento, recogiendo experiencias de manera positiva; reconociendo que cada día es unregalo de Dios; que ayer terminó anoche y hoy es un nuevo día y depende de nosotros aprovecharlo de la mejor manera posible, ayudando a otros a hacer lo mismo". "Debbie es mi sostén --me decías en tus correos--, siempre a mi lado cuidando de mí". "¿Qué he hecho para merecer tal amor, compromiso y lealtad de este ángel?"
"Siento que mi vida generalmente ha sido fácil y que no he tenido que dar dura batalla por casi nada; todo me ha salido fácil y esta enfermedad no será fácil, será con la que tendré que luchar duro para nivelar la balanza de mi vida".
"Debbie dice que padezco de amnesia; que tengo la capacidad de olvidar las malas experiencias, que me enfoco en lo positivo, que no me dejo caer y que por eso mi amnesia es buena. Quizás sea porque yo soy el que ha causado dolor en vez de que otros me hayan causado dolor a mí". "De esta enfermedad no me puedo correr, aunque no me guste, tengo que enfrentarla. Así es que el vivir un día a la vez es la mejor filosofía para enfrentar lo inesperado".

Adorado Javier: Lo que dejabas atrás y lo que enfrentabas hacia adelante cada día, no eran más que trivialidades comparadas con todo lo que llevabas adentro. Por eso atesoro tus profundos pensamientos y nobles sentimientos, siempre ayudando con ánimo a quien te necesitaba. Siempre viste la vida llena de oportunidades y siempre escuchaste el suave susurro de la esperanza. Siempre viste el vaso medio lleno y nunca medio vacío.

Me decías: "Cada día es un regalo de Dios y tenemos que acogerlo de la mejor manera que podamos, compartiéndolo con los seres queridos. Poreso les escribo casi diario para que mi compartir sea más y más revelador. Los quiero mucho y quiero decírselos cada día por el resto de mi vida".
Y su esposa Debbie me escribía y decía: "¿sabe Usted lo que me destroza? Me siento con Javier y me habla, y nos habla, y escucha... y su cabeza está tan clara y sabe lo que sucede, y no quiere morir. Ha peleado tan duro y por tanto tiempo para vencer el cáncer, con actitud positiva y la fuerza de un súper-héroe... pero simplemente se pone más débil y fatigoso cada día... y está desapareciendo frente a mis ojos ¡y no hay nada que pueda yo hacer!" - "No puedo siquiera comenzar a imaginarme lo que física, mental, emocional o psicológicamente aguanta Javier, pero sus defectos personales deben jugar un rol en todo esto, porque ahora él es más asombroso que nunca. Sé que está asustado --y con gran derecho y razón- y me duele ver lo que nos está sucediendo, pero me alegra estar aquí para él". Pero usted conoce sus palabras: «Voy a vencer esta cosa; no sé cómo, pero la voy a vencer» ¿Y sabe usted qué? ¡Yo de verdad le creo porque él lo cree!". Así me escribía Debbie.

Adorado Javier: Para este último Año Nuevo nos escribiste diciendo:"Lo que le pasa al Hombre no es tan importante como lo que el Hombre hace con lo que le pasa, así es que este año vamos a hacer que sea el mejor de nuestras vidas. Este es el año en el que nuestras familias experimentarán niveles de amor y cercanía a Jesús como nunca antes. Sólo a través de Él podemos lograr lo que ansiamos".
Adorado Javier: Ya venciste. Tocaste muchas vidas y la purificación recibida en el crisol de la dolorosa enfermedad te ha llevado al verdadero comenzar en la vida eterna.
Para tu mamá, para Debbie, las niñas, y todos los que quedamos aún en este transitar, siempre es tiempo de seguir avanzando como vos nos enseñaste, de dar gracias a Dios porque todo no es más que Su Santa Voluntad.

Descansa en paz junto con tus hermanos, primos, abuelos, tíos, parientes y amigos, en el Seno del Señor. En nombre de toda la familia Bolaños, agradezco a los sacerdotes celebrantes y a todos los que nos acompañan y ofrecen sus oraciones en esta Santa Misa por el eterno descanso de Javier. EBG

Iglesia Nuestra Señora de la Asunción - Masaya 2 de agosto 2005

Generation 8 (con't)

Jorge, amado Jorge:
Ya estás ante la presencia del Señor, donde Él ha querido llamarte.
Dios quiso dotarte de un cociente de inteligencia muy especial. Siempre fuiste un alumno excepcional desde kindergarten hasta el doctorado. Fuiste un científico de extraordinario éxito y un orgullo para toda la familia. Renunciaste a tu trabajo de científico en el Centro Internacional de Mejoramiento de Semillas de Maíz y Trigo, para venir a asesorarme enla campaña por la Presidencia de la República, porque vos, al igual que yo, creíste que teníamos que ayudarle y servirle a nuestro pueblo.
Contribuiste grandemente a la victoria. Le diste gratis a Nicaragua valiosas semillas y el diseño del importante programa de "Libra por Libra", que está beneficiando ya a más de 100 mil familias campesinas y ayuda a Nicaragua a comenzar de nuevo la exportación de granos. Jamás cobraste ni te beneficiaste en nada del presupuesto de la nación.
Fuiste siempre veraz y sincero: Al pan, pan y al vino, vino. Tu mente concebía cosas que nosotros tardábamos mucho en visualizar. Me guiabas en la árdua tarea de gobernar y mucho del éxito obtenido fue concebido precisamente por vos, cosas que muchos nunca llegaron a comprender, porque jamás entendieron la práctica democrática existente en nuestra familia. Tus consejos me harán mucha falta y también a tu Nicaragua.
Pero lo más importante aún --y lo que más nos llena de orgullo--siempre fue tu modestia y gran generosidad para con todos, especialmente para con los más necesitados y humildes. Entre ellos te movías más a gusto, cosa que heredaste de tu Lila T, tal como siempre le llamaste a tu mamá.
A mí me hará mucha falta el beso en la cabeza, lleno de amor, con el que siempre me saludabas.
Por tu mente científica y por tu gran generosidad, dispusiste que en caso de muerte, tus órganos fueran donados, para que otros pudieran tener una nueva oportunidad de vivir. Con esta generosidad póstuma, ya has salvado quién sabe cuántas vidas y has devuelto la vista a un par de personas, para alegría de todas sus familias y mayor Gloria de Dios. En tu misma muerte diste tu último acto de grandeza de corazón y heroísmo.
Tu hijita Valeria, tu Lila T, tus hermanos y yo estamos más que orgullosos de ese heroísmo y gran bondad que sabemos te será recompensado y premiado por la infinita Misericordia de Dios.
Nos dejás otro gran legado, a tu hijita Valeria --los ojos de tu cara-- que hereda tu misma inteligencia, talento y bondad. La seguirás cuidando desde el cielo y nosotros aquí te la seguiremos amando, y ahora mucho más que nunca.
Es por tu legado, por tu Valeria y por el resto de mis hijos y nietos, que me hace ofrecerte que seguiré cumpliendo mi promesa -y la tuya- deseguir luchando duro para heredarle a todos los hijos y nietos de todos los nicaragüenses una mejor Nicaragua, como la que vos y yo soñábamos y planificábamos juntos.
Siempre nos dijiste que no te gustaban flores en los funerales; que sería noble más bien ofrecer donaciones a la Cruz Roja, a la que consideraste tu preferida ONG, porque de verdad servía al pueblo.
Así planeamos tu funeral, a tu gusto.
La donación voluntaria a la Cruz Roja Nicaragüense será agradecida por la familia Bolaños-Abaúnza, en nombre de Jorge, tal como él lo pedía, de acuerdo a listas de donantes que nos proporcionará la Cruz Roja. Señor: Danos fuerzas para poder inclinar nuestras cabezas en señal de resignación ante Tu Santísima Voluntad y poder sobrellevar con resignación cristiana este duro golpe.
Santísima Virgen María, abogada nuestra, ayúdanos a ver el mundo a través del prisma de la fe, para verlo tal como lo ve Cristo.
En tus Manos Señor, encomendamos el alma de nuestro amado Jorge. EBG

Notes for Javier Bolaños Abaunza:
Despedida a mi hijo Javier en su muerte.
Iglesia Nuestra Señora de la Asunción - Masaya 20 de Marzo de 2007

Generation 8 (con't)

Adorado Javier:
Diste una dura y valiente pelea lidiando contra esa cruel enfermedad.Transitaste ese largo y duro camino lleno de dolorosos capítulos y episodios con valentía y convicción en que, tal como vos me lo decías, Dios sabe lo que hace y por mi bien me mandó esta terrible enfermedad.
Vos mismo nos decías que estos años de lucha y enfermedad habían sido los mejores de tu vida, que te había acercado mucho más a Dios, a tu esposa e hijitas y que esto te había traído más felicidad, "quizás los más felices de mi vida", me decías.
Muchos rogábamos al Señor que te dejara más tiempo entre nosotros, para que cuidaras a tus hijitas y que hasta pudieras llegar a gozar a los posibles nietos, como lo hemos hecho tu mamá y yo. Pero que si esa no era Su Santísima Voluntad, entonces, -le decíamos en nuestras oraciones, que te llevara con Él entre sus ángeles.
Como vos, yo también creo que para eso te mandó esta enfermedad. Siempre hemos creído que esta vida no es un fin, sino sólo un tránsito para llegar a la verdadera vida eterna. Y ya venciste este transitar y llegaste ya a la presencia del Padre para estar con Él entre Sus ángeles.
Nos decías que "Mientras más fuerte es uno, más duros son los obstáculos. Hay que tener fe para aguantar."
Hoy sabemos que aguantaste y ya estás con tus hermanos, abuelos, familia y amigos, en el Reino de los Cielos, merecido -muy merecido-- por la purificación avivada con los prolongados terribles dolores que sufriste con esta grosera enfermedad, con sabor a cruz.
En otra ocasión me decías: "Recordá que el verdadero regalo es estar vivo: lograr sentir (feel) felicidad o tristeza, dolor o no-dolor; eso es vivir". Y agregabas, "Papá, el dolor es inevitable; el sufrimiento es una opción".
Nos escribías y decías: "Espiritualmente me siento muy cerca de mi Creador, tal como yo lo conozco".
"Familia: gran esposa y cuatro lindas y sanas hijitas constantemente enseñándome cuánto me quieren".
"Mentalmente: gran apetito por el conocimiento, recogiendo experiencias de manera positiva; reconociendo que cada día es unregalo de Dios; que ayer terminó anoche y hoy es un nuevo día y depende de nosotros aprovecharlo de la mejor manera posible, ayudando a otros a hacer lo mismo".
"Debbie es mi sostén --me decías en tus correos--, siempre a mi lado cuidando de mí". "¿Qué he hecho para merecer tal amor, compromiso y lealtad de este ángel?"
"Siento que mi vida generalmente ha sido fácil y que no he tenido que dar dura batalla por casi nada; todo me ha salido fácil y esta enfermedad no será fácil, será con la que tendré que luchar duro para nivelar la balanza de mi vida".
"Debbie dice que padezco de amnesia; que tengo la capacidad de olvidar las malas experiencias, que me enfoco en lo positivo, que no me dejo caer y que por eso mi amnesia es buena. Quizás sea porque yo soy el que ha causado dolor en vez de que otros me hayan causado dolor a mí". "De esta enfermedad no me puedo correr, aunque no me guste, tengo que enfrentarla. Así es que el vivir un día a la vez es la mejor filosofía para enfrentar lo inesperado".

Adorado Javier: Lo que dejabas atrás y lo que enfrentabas hacia adelante cada día, no eran más que trivialidades comparadas con todo lo que llevabas adentro. Por eso atesoro tus profundos pensamientos y nobles sentimientos, siempre ayudando con ánimo a quien te necesitaba. Siempre viste la vida llena de oportunidades y siempre escuchaste el suave susurro de la esperanza. Siempre viste el vaso medio lleno y nunca medio vacío.

Me decías: "Cada día es un regalo de Dios y tenemos que acogerlo de la mejor manera que podamos, compartiéndolo con los seres queridos. Poreso les escribo casi diario para que mi compartir sea más y más revelador. Los quiero mucho y quiero decírselos cada día por el resto de mi vida".
Y su esposa Debbie me escribía y decía: "¿sabe Usted lo que me destroza? Me siento con Javier y me habla, y nos habla, y escucha... y su cabeza está tan clara y sabe lo que sucede, y no quiere morir. Ha peleado tan duro y por tanto tiempo para vencer el cáncer, con actitud positiva y la fuerza de un súper-héroe... pero simplemente se pone más débil y fatigoso cada día... y está desapareciendo frente a mis ojos ¡y no hay nada que pueda yo hacer!" - "No puedo siquiera comenzar a imaginarme lo que física, mental, emocional o psicológicamente aguanta Javier, pero sus defectos personales deben jugar un rol en todo esto, porque ahora él es más asombroso que nunca. Sé que está asustado --y con gran derecho y razón- y me duele ver lo que nos está sucediendo, pero me alegra estar aquí para él". Pero usted conoce sus palabras: «Voy a vencer esta cosa; no sé cómo, pero la voy a vencer» ¿Y sabe usted qué? ¡Yo de

Generation 8 (con't)

verdad le creo porque él lo cree!". Así me escribía Debbie.

Adorado Javier: Para este último Año Nuevo nos escribiste diciendo:"Lo que le pasa al Hombre no es tan importante como lo que el Hombre hace con lo que le pasa, así es que este año vamos a hacer que sea el mejor de nuestras vidas. Este es el año en el que nuestras familias experimentarán niveles de amor y cercanía a Jesús como nunca antes. Sólo a través de Él podemos lograr lo que ansiamos".
Adorado Javier: Ya venciste. Tocaste muchas vidas y la purificación recibida en el crisol de la dolorosa enfermedad te ha llevado al verdadero comenzar en la vida eterna.
Para tu mamá, para Debbie, las niñas, y todos los que quedamos aún en este transitar, siempre es tiempo de seguir avanzando como vos nos enseñaste, de dar gracias a Dios porque todo no es más que Su Santa Voluntad.

Descansa en paz junto con tus hermanos, primos, abuelos, tíos, parientes y amigos, en el Seno del Señor. En nombre de toda la familia Bolaños, agradezco a los sacerdotes celebrantes y a todos los que nos acompañan y ofrecen sus oraciones en esta Santa Misa por el eterno descanso de Javier. EBG

Notes for Arnoldo Alemán Lacayo:
SOBRE PARENTESCO BOLAÑOS-GEYER
CON ARNOLDO ALEMÁN Y DANIEL
ORTEGA Escribe: Enrique Bolaños Geyer

Generation 8 (con't)

La tal investigación periodística que publica la periodista Carmen Rojas, casi toda es pura fantasía. Ella pudo haber preguntado antes de publicar cosas que no se ajustan a la realidad. De todas formas, no tiene ninguna importancia, ¿qué importa que digan que fulano es pariente lejano de perencejo o que no lo es? Sin embargo, daré información veraz sólo por el compromiso con la verdad y la transparencia.

El apellido Cortez se escribe de ambas maneras: Cortez o Cortés. De mi abuelo y de mi padre y tío Domingo, lo he visto escrito de ambas maneras. Da igual.

Tengo más de 5,000 personas anotadas en mi árbol genealógico de dondetomo los siguientes datos pára los que preguntan.

El Dr. Rosalío Cortés Sánchez, casó con Juana Flores Bolaños hija de Nicolás Bolaños Thomeu Santeliz y Juana Flores. Rosalío Cortés Sánchez y Juana Flores Bolaños tuvieron 12 hijos: Cándida Rosa, Juana Bautista, José Escolástico, José de la Rosa, Hernán, Juan, María José, Josefa Dolores, Casta, María de la Luz, Gertrudis y Concepción.

Cándida Rosa casó con el Dr. Alejandro Bolaños Cuadra y son los padres de mi papá, tío Domingo, tía Anita, tía Mgdalena, tía Mercedes y, por lo tanto mi abuela no es Concepción, como dice Carmen Rojas, sino Cándida Rosa.

Concepción casó con Gregorio Delgadillo y tuvieron 8 hijos: Roberto, Ramón, Alfonso, Ignacia, Gilberto, Elena, Sira y Rosalía, todas Delgadillo Cortés. Roberto era casado con mi tía Magdalena (Bolaños Cortés) y eran padres de Roberto y Anita Delgadillo Bolaños.

Casta se casó con Francisco Ortega Arancibia (el historiador) que no tiene nada que ver con los Ortega Saavedra. Estos Ortega Saavedra no aparecen en ninguna relación con Ortega Arancibia en mi árbol genealógico. Los padres de Francisco Ortega Arancibia eran Jacobo Ortega y Prugenia Arancibia.

Francisco Ortega Arancibia y Casta Cortés Bolaños tuvieron 4 hijos: Santiago, Emilia, María José y Abigail.

Por otro lado, Pío José Domitilio Bolaños Thomé Santeliz, hermano de Nicolás Bolaños Thomé Santeliz, casó con Josefa Pastora Bendaña Marenco y tuvieron 7 hijos: María de la Luz, José Miguel, Pío José, Francisco, Dominga, José Antonio y Salvadora. Todos estos son Bolaños Bendaña. De estos, María de la Luz casó con Pedro Joaquín Chamorro Alfaro, Presidente de Nicaragua de 1875 a 1879, quienes tuvieron 6 hijos: Carmela, Filadelfo, Pedro José, Pedro Joaquín, Diego Manuel y Fruto (pero no el Fruto Chamorro, presidente de 1853-54).

De estos Chamorro Bolaños, Diego Manuel Chamorro Bolaños (hijo de Pedro Joaquín Chamorro Alfaro y María de la Luz Bolaños) fue Presidente de Nicaragua del 1 de enero de 1921 al 12 de octubre de1923 cuando murió en la presidencia. Don Diego tuvo un hijo natural con una señora no conocida, pero reconocido como Abelino Chamorro. Además, don Diego Manuel Chamorro Bolaños, con doña Julia Lacayo Jerez, (creo que ya viuda de don Perfecto Leal) también tuvo una hija natural de nombre Amelia Lacayo.

Amelia Lacayo, hija natural pues, de Diego Manuel Chamorro Bolaños, mezcló su sangre con el sacerdote, párroco de El Crucero, Padre Antonio Villalta Bone, teniendo una hija llamada Antonieta Lacayo Villalta, quien casó con Arnoldo Alemán Sandoval, quienes son los padres de Arnoldo Alemán Lacayo y sus hermanos Antonio, Agustín, Amelia y Álvaro. De esta Bolaños (doña Luz Bolaños de Chamorro) viene el lejano parentesco de los Bolaños Geyer con Arnoldo Alemán Lacayo.

Con Ortega pues, no existe ningún parentesco. Pero con Arnoldo Alemán existe un parentesco lejano.
