Notes for BENITO José Abaúnza:

El primer Abaúnza conectado con Nicaragua fue Benito José (Joseph) Abaúnza, español, casado con María Martínez Trinerol.

Abaúnza es un apellido raro en Nicaragua; había unas 535 personas que llevan el Abaúnza como primero o segundo apellidos en octubre de 2001.

Norman Caldera dice: "Don Benito Joseph fue escribano Real y de la Real hacienda. Así firma al pie de un documento fechado en el Realejo el de Diciembre de 1776 y en otro, el 4 de Marzo de 1787. El 16 de Agosto de 1787 firma como administrador de la Renta de Alcabalas.

Abaúnza es un apellido vasco, de las proximidades de Bilbao, de donde pasó a otros puntos de España y América. No hay villas o ciudades españolas que lleven el nombre de Abaúnza según el Atlas Encarta 1998. Se desconoce el origen del apellido entre las diferentes clasificaciones de lugar, patronímico, apodo oficio y adorno. Entre los Abaunzas de notoriedad en España están: Don Cosme Abaúnza y Lacorzana, natural de Madrid, ingresó en la Orden de Santiago en 1654. Ingresaron a la Orden de Calatrava: Don Pedro Abaúnza y Aguirre Lelibont y Fajardo, natural de Madrid; don Francisco Pascual de Abaúnza y Merino Carmenati y Rojas, natural de Granada; su hermano don Pedro Clemente; y don Félix Abaúnza y Rivas Aguirre y González de Madrid, natural de Jean (todos en 1702). Don Carlos Abaúnza, abogado de la Real Chancillería de Valladolid, don Juan de Abaúnza, vecino de Burgos; don Antonio de Abaunza, vecino de Buitrago, y don Gregorio de Abaunza, vecino de Sevilla, probaron su nobleza en la sala de hijosdalgo de la Real Chancillería de Valladolid en 1549, 1553, 1578 y 1611, respectivamente".

Armas:

Según Norman Caldera: "En campo de plata, tres bandas de azur; medio partido de azur con un castillo de oro; cortado de ondas de azur. Bordura de gules".

Las de la casa de Abadiano: De azur, con una banda de oro, cargada de una cotiza de gules y engalonada en cabezas de dragón de plata.

Divisa:

"Arcana Dispositione Dei", puesta en letras de oro sobre un volante de azur.

Las que Fray Francisco Lozano consigna como propias de Abaunza y Abaunza, son estas: De plata, con tres bandas de azur, medio partido de azur con un castillo de oro, cortado de ondas de agua de azur y plata. Bordadura general de gules.

Don Juan Bolaños de Velazco, en sus "Sumarios de Noblezas y sus Blasones", tomo XI, folio 350, escribe que Don Francisco Gómez de Arévalo, Cronista de Carlos II, dice que los Abaunza usaron también las siguientes armas: Unos: en campo de oro, una cruz flordelisada de azur, vacía y cargada de otra llana, de oro. Otros traen ese mismo escudo, pero añadiendo en el primero y cuarto cantón de la cruz una caldera de sable, y en segundo y tercero un creciente de azur. Otros traen escudo partido en palo; el primer cuartel, de oro, con una cruz llana de azur, y en el segundo, también de oro, una flor de lis de azur. Otros usan esas mismas armas, pero en el segundo cuartel ponen, en vez de la flor de lis de azur, un árbol de sinople y dos estrellas de azur. Otros traen también escudo partido: en el primer cuartel, de oro, dos cabras de sable, y en el segundo, que es así mismo de oro, dos calderas de sable.

Don Pedro Lezcano, en su "Historia Genealógica" les señala: Escudo de oro, con una cruz de azur, vacía flordelisada, cortado de azur, con tres flores de lis de oro.

Otros Abaunza, según indica Gómez de Arévalo, traen esas mismas armas, con la diferencia de que en el segundo cuartel de ese escudo cortado ponen, en vez de las tres flores de lis, un árbol al natural, y en el jefe dos estrellas de oro.

Abaunza, linaje de Vizcaya. Fray Francisco Lozano dice que su primitiva casa solar radicó a dos leguas de Bilbao. El mismo tratadista escribe este apellido Abainza, considerado que es el mismo de Abaunza.

Lo cierto es que Abaunza tuvo casa solar en la anteiglesia de Abadiano (Durango), y que una de sus ramas

radicó en Álava, en las villas de Alegría y Brantibila. Sus individuos, tenidos siempre por hijosdalgo, desempeñaron en dichas localidades los puestos más preeminentes. De esta rama fue:

I.) Lope López de Abaunza, que casó con doña Juana Iñiguez de Alegría, y procrearon a:

II.) Lope López de Abaunza y Alegría, natural de Alegría de Alava, que hizo información de hidalguía en Brantibila en 1584, ante Diego López de Montoya, Teniente de Gobernador. De su esposa doña Francisca Corzana y Sarmiento, tuvo estos hijos: 1ro.) Miguel López de Abaunza y Corzana, que sigue y 2do.) Diego López de Abaunza Corzana, que marchó a América, y fue Escribano público y de número de la ciudad de Tunja en 1584; III.) Miguel López Abaunza Corzana, nacido en Brantibila, casó con doña Jerónima de Lelibón, natural de Madrid, naciendo de este enlace:

IV.) Cosme de Abaunza y Lelibón, natural y Regidor de Madrid y caballero de Santiago en 1654. De su esposa doña María Aguirre, natural de Guadix (Granada), tuvo a:

V.) Pedro de Abaunza y Aguirre, natural de Guadix y Caballero de Calatrava en 1702. Casó con doña Josefa de Rivas, natural de Madrid, a la que hizo madre de:

VI.) Félix de Abaunza y Rivas, también caballero de Calatrava, así como sus deduos Francisco y Pedro de Abaunza Merino.

Nuestra Señora de Abaunza

Titular de antigua Parroquia, hoy despoblada, ("mortuario") de Abaunza, a un kilómetro del pueblo de Erenchum (Álava). Imagen del siglo XIV (1,15 x 0,40 x 0,35 m.) del tipo Meria. La virgen, sonriente, sostiene una flor, el niño, de pie, bendice y sostiene la esfera del mundo. Es una imagen destacada dentro del arte mariano del siglo XIV.

El poblado de Abaunza, raíz del mismo apellido en el siglo XI, Habaunza- pegada junto con "Hereizguhin" (hon, Erenchum) tres leguas al Monasterio de San Millán. En una donación al mismo monasterio, año 1089, entre los testigos figura García Monnios (Muños Abaunza). El lugar parece que se despobló a finales del siglo XIV por razones de las pestes medievales y las luchas civiles de banderizos.

Notes for José Justo Abaúnza Muñoz:

La Fe de bautismo dice: "En Masaya a quince de marzo de ochocientos doce = Yo Don Roberto Gutiérrez Teniente Cura bautise solemnemente a Jose Justo, español, hijo legítimo de Don Leandro Abaunza y Da. María Mercedes Muños, nació oy (sic) mismo; y fue su Padrino el Presbro. Vicente Mejía: y porque consta lo firmo". (f) (ilegible) -- Al margen: "Dn. José Justo Abaunza Español. Dn. Justo José Abaunza mi antiguo amigo".

En las memorias de José Dolores Gámez aparece como Comisionado (diputado), junto con don Fulgencio Vega, en el Gobierno Provisional de Silvestre Selva (13 Dic 1844 al 4 Abr 1845, durante la guerra de Malespín). Abaunza y Vega habrían facilitado recursos, bajo su credito personal), para la compra de 1,000 fusiles, 200 barriles de pólvora, 200 quintales de plomo, 2,000 piedras de chispa y 200 tahalíes que llegaron al El Realejo con armamento solicitado por las autoridades anteriores.

Don Justo fue Prefecto del Departamento de León y como tal es parte de la comitiva oficial que recibe el 20 de junio de 1847 al nuevo Director Supremo, don José Leocadio de la Cruz Guerrero de Arcos (José Guerrero) quien trasladó la capital a León.

A mediados de 1849 don José Justo está en San Jorge (Rivas) como Auditor de Guerra. Como Auditor recibe de Bernabé Somoza la confidencia de haber dado muerte con su propia mano a 54 personas indefensas y pacíficas y que no había gusto que no se hubiera dado en esta vida.

Don José Justo fue Senador de la República en los años 1840 y Director de Estado (interino) del 4 de abril al 7 de junio de 1850, sustituyendo al Director don Norberto Ramírez Areas quien solicitara permiso para separarse de su alto puesto. Al terminar su período el 1 de abril de 1851, el Director Norberto Ramírez entregó el poder (una segunda vez del 1 de abril al 8 de mayo de 1851) al Lic. Abaunza porque su sucesor, don Laureano Pineda Ugarte, fue apermisado para tomar posesión de su alto cargo hasta el 8 de mayo en vez del 1 de abril.

También fue Director (interino) una tercera vez cuando el 4 de agosto de 1851 un golpe militar encabezado por el Gral. Trinidad Muñoz, don José Guerrero, don Pablo Buitrago y otros depuso a don Laureano Pineda Ugarte. El Cabildo de León con miembros de la Representación Nacional nombró entonces al senador don Justo Abaunza como Director Interino. Francisco Castellón atribuyó estos sucesos a intrigas del obispo Viteri de El Salvador. Para Gámez, el Lic. Don Justo Abaunza era un hombre de alguna ilustración y bien reputado en el país, pero de un carácter tan lleno de sencillez y candor, que lo hacía accesible a cualquier engaño.

En ese período (1851) hubo tres gobiernos: el de Pineda en el exilio en Honduras, el de don José de Montenegro en Granada y el de Abaunza en León. Finalmente Pineda obtuvo ayuda militar, regresó a Nicaragua, amenazó a la ciudad de León con un asalto combinado de tropas incluyendo las de don Fruto Chamorro y obtuvo la rendición de los sublevados. Durante las negociaciones se logró que el Lic. Abaunza fuera incluido en el decreto de amnistía, pero sujeto a merced de lo que dispusiera la Asamblea Legislativa porque don Justo era senador y, por lo tanto, gozaba de inmunidad. No sabemos cual fue el dictamen de la Asamblea sobre Abaunza, pero podemos suponer que éste se trasladó a El Salvador donde tenía amigos. Don Norberto Ramírez Areas, nativo de León, había sido también Director Supremo de El Salvador (electo por la Asamblea para terminar el período constitucional de Antonio Cañas, quien había renunciado). Don Justo también pudo haber hecho amistad con don José María Silva cuando éste estuvo en Chinandega

Descendientes de Benito José Abaúnza

Generation 4 (con't)

como miembro de la Representación Nacional de Centroamérica que se reunió en Chinandega el 9 de enero de 1851.

La amistad con el Lic. Silva explicaría porque don Justo Abaunza es designado, junto con el Lic. José María Silva, para redactar el Código Civil y hacer reformas al Código Penal de El Salvador (acuerdo Ejecutivo de 4 de febrero de 1858). El Lic. Silva gobernó como Vicejefe de Estado de El Salvador del 14 de octubre de 1834 al 2 de marzo de 1835, y del 16 de febrero de 1840 al 5 de abril de 1840.

Don Justo Abaunza reaparece en octubre de 1872 en San Miguel, El Salvador, repasando su vida pública en Nicaragua con José Dolores Gámez.

Notes for Juan José Guzmán:

Presidente de El Salvador de 1842 a 1844. El Licenciado Guzmán se hizo cargo de su alto empleo el 14 de abril de 1842, en su calidad de Designado, pero en diciembre del propio año, después de la muerte del general Morazán, fue popularmente electo para el mismo cargo. Durante la administración de este distinguido gobernante, regresaron a El Salvador los compañeros de ostracismo del General Morazán, muerto hacía pocos meses en Costa Rica. Eran así como una especie de excomulgados políticos en Centro América, se les designaba con el nombre de Coquimbos por el nombre del buque que los condujo, y todos los puertos se les cerraban a su paso cuando Guzmán, de acuerdo con el general Malespín les abrió las puertas de El Salvador, concediéndoles el asilo de que carecían. Esto desagradó altamente a Carrera y por consecuencia al Comandante general Malespín, que concertó con aquel la caída de Guzmán. Este desde que principió su período constitucional dio pasos en el sentido de reconstruir aunque fuera en parte la República Federal, y para esto envió delegados a la Convención Nacional tri-partita de los Estados de El Salvador, Honduras y Nicaragua que firmaron en Chinandega el Pac-to de Confederación de 27 de junio de 1842, por el cual se estipuló entre otras cosas la organización del Poder Ejecutivo Confederado en la Ciudad de San Vicente: ejercido por un Supremo Delegado, electo por la suerte entre los delegados de la Convención y con un Consejo Consultivo compuesto de un individuo por cada uno de los Estados participantes. Durante la administración del Licenciado Guzmán se realizó la erección de la diócesis episcopal de San Salvador, que desligaba a El Salvador de Guatemala en el ramo eclesiástico y que, como se recordará, era el anhelo vivísimo del pueblo salvadoreño. Hostilizado Guzmán constantemente por el Comandan-te General Malespín, abandonó el mando político del Estado y se retiró a la vida privada, en San Miguel, el 29 de diciembre de 1843.

Generation 5 (con't)

El Jueves en las primeras horas de la mañana fué sorprendida esta sociedad con la ingrata noticia, de que el día anterior á las 9 p.m. había dejado de existir en la Casa de Salud de León, el apreciable caballero don ENRIQUE GEYER, á consecuencias de fatal enfermedad. Llegado á Nicaragua el señor Geyer hace más de 25 años, entró á formar parte de nuestra sociedad al unirse en matrimonio con la talentosa y culta señorita Chepita Abaunza. Desde entonces aquel hombre se consagró por entero al hogar, en el que deja sólo recuerdos amorosos; como ciudadano, tuvo siempre la caballerosidad de su raza y como técnico de profundos conocimientos en ingeniería mecánica, sirvió al país, en momentos de gran trascendencia política, en obras que á su muerte sería difícil realizar. / Deja una numerosa familia relativamente pobre, que llora inconsolable la eterna partida de aquel esposo amantísimo y de aquel padre cariñoso y bueno. / Reciba la familia Abaunza y en especial doña Chepita de Geyer, nuestras manifestaciones sinceras de pesar. (Tomado del Semanal de la mañana 'El 11 de Julio', Masaya, Domingo 15 de Diciembre de 1907)"

Extractos de cartas de Heinrich a su hermano Fritz, traducción al español, en archivo de ABG:

"Ameya, 30 de Mayo de 1901 ... el 11 de este mes nos nació una mujercita bien fuerte, ya con ella somos ocho vivos, una nació antes del tiempo y otro murió después de un mes de haber nacido, = 10, ojalá lleguemos todavía a la docena ... Ya estoy sobre diez años aquí en Ameya ... Heinrich"

"Masaya, 7 de Mayo de 1905 ... Como debes haber leído en los periódicos empezó en Febrero de 1903 una revolución, la cual se mantuvo casi solo en la Lago de Nicaragua. Los revolucionarios tenían el único vapor de pasajeros de 200 toneladas y se habían estacionado en la isla de Ometepe y el Gobierno no le podía hacer nada. Entonces me mandó llamar el Presidente [Zelaya] para suplicarme que le pasara un vapor desde Corinto para Granada, sobre los rieles del ferrocarril, como 32 millas, entonces se empezó una gran batalla en el Lago, pero jamás tiraron en blanco, ningún muerto ni herido hubo. Sobre el barco de los revolucionarios [jefeado por Emiliano Chamorro, conservador] tiraron con cañones de Krupp de 7 cm. y medio y el Gobierno con Hotchkins de 5 cm. y Krupps de 6 cm. Imagínate, con la Hotchkins se tiraron más de 170 balas, y solamente el último dió en el blanco en la caldera del barco [el Victoria] así no podían más los de la revolución. Hay que saber que tiraron a una distancia de 100 metros, ni los japoneses les pudieron ganar. Así terminó la revolución, a mí me dieron de remendar la caldera, devolver el barco, me gané 3,000 dólares. / Solo por devolver el barco me pagaron 25.000 dólares. Desde que empezó la revolución nos venimos de Ameya y vivimos en Masaya ... Y ahora, cosas de familias: Todos somos sanos, yo era antes siempre débil y flaco, pero ahora me siento como de 20 años, porsupuesto la fabricación de hijos se acabó, pero siempre me gusta el asunto muchísimo. Ahora te pongo los nombres de todos mis hijos, por si acaso se te olvidaron:

Enriqueta: por mi mamá.

Margarita: así se llama la reina de Italia, dicen que es linda y la mía no es fea.

Enrique: príncipe heredero, también Ingeniero.

Enma: no sé por qué.

Matilde: porque me gusta.

Amanda: lo mismo.

José: mi suegro.

María Aide [Haydeé]: para ponerle el nombre de tu señora y Aide porque me gusta.

... Mandame la dirección de Auguste, pues pienso escribirle ...Heinrich"

"Granada, Abril 8 de 1906 ... Hace algunos días recibimos tu carta del cinco de Enero, por la cual tú te informas de la desgracia que tuvimos causada por el volcán de Masaya. Me preguntas que si sufrimos desgracias y si tembló mucho la tierra, pues gracias a Dios, nada nos pasó. Pero ya cerraron el crater del volcán y él está muerto. Los temblores fueron muy fuertes, y nosotros nos fuimos para Granada, casi toda la gente dejó Masaya ... Los negocios van muy malos, porque todos los negocios son monopolizados, si las cosas siguen así, tarde o temprano llegará una revolución ... Heinrich"

Goslar s un pueblito típico alemán. Pueblo minero y con sabor navideño - pintoresco. Como Presidente tuve el honor de firmar el Libro de Oro de visitas distinguidas a Goslar.

El Alcalde de la localidad - Dr. Otmar Hesse- nos recibió en el salón de visitas de la Alcaldía y me obsequió un librito, reimpreso en 1995, donde está registrado el censo de la población de Goslar de 1855, en orden alfabético. En 1855 aún no había nacido el el buelo, quien nació el año siguiente.

Notes for Leonor Guzmán Reyes:

Leonor escribe: "Mi Madre era una mujer de baja estatura, que gozaba de fama de belleza. Su tipo correspondía al de la criolla americana de raza céltica; blanca y muy rosada, a pesar del clima abrasador de la tierra de su nacimiento, unía a la perfección del conjunto, un rostro bien perfilado, una boca chica y sonriente, cabellos negros lacios, afabilidad en su trato y dulzura y gracia en la expresión. Fue la hija única de un notable jurisconsulto y hombre público de El Salvador, criollo de raza blanca, perteneciente al núcleo de las familias que formaban la preñada nobleza colonial de San Miguel, ciudad de su nacimiento, a quien sus contemporáneos designaban con el expresivo re-nombre de "Pico de Oro" por su elocuencia tribunicia, y al que también elevaron sus coterráneos más tarde a la cumbre del poder público, eligiéndolo gobernante de El Salvador para el período constitucional de 1842-1844".

Leonor se casó con José Dolores Gámez Torres, * 1814 (hijo de Francisco Gámez del Prado y Margarita Torres), † 28 Ago 1888. José: José Dolores Gámez To-rres nació en Granada en 1814. Notes for ALEJANDRO Abaúnza Espinoza:

Alejandro Abaunza Espinoza fue bautizado Francisco Alejandro, pero fue conocido solo como Alejandro.

En los años 1940 don Alejandro fue Ministro de Fomento (de infraestructura y carreteras) en el Gobierno de Anastasio Somoza García; así como también Ministro de Agricultura en el Gobierno del Dr. René Schick. En 1947 fue pre candidato a la Presidencia compitiendo con don Lorenzo Guerrero, cuando el Dr. Leonardo Argüello salió electo por la Gran Convención del PLN (en León). En 1966 fue cofundador junto con Ramiro Sacasa Guerrero y otros liberales, del Movimiento Liberal Constitucionalista (MLC) tratando de evitar la elección del general Anastasio Somoza Debayle. Posteriormente, el 4 de Mayo de 1981, Ramiro Sacasa con la aprobación y estímulo de don Alejandro para integrar al MLC al Consejo de Estado a condición de que el Gobierno Sandinista (de turno) acepte que lo haga como partido político y no como movimiento. Así nació el PLC ese 4 de mayo de 1981, cuando se integró a la segunda legislatura del Consejo de Estado. En la elegía el Dr. Ramiro Sacasa Guerrero dijo de don Alejandro: "Hoy, con mi voz transida de dolor, vengo a hacer el último saludo al don Alejandro, el padre, el patricio, al que millares de liberales de todo el país seguimos con fe y hoy despedimos con devoción"

A continuación informes secretos del embajador Warren al Departamento de Estado sobre el proceso de elección del candidato liberal en la convención del Partido Liberal en 1946, fotocopias tomadas en el National Archives en Washington, una vez que fueron declaradas para el público.

Alejandro Abaúnza, Ministro de Fomento, mencionado con frecuencia como el candidato preferido del Presidente para suceder a Somoza en la presidencia, conversó ayer con una fuente segura. Ese dijo: el Presidente Somoza pidió a Abaúnza renunciar a su posición en el Gabinete, --- asumir su posición como diputado en el Congreso Nacional, para poder ser elegido de este modo "designado" a la Presidencia. Hecho esto, Somoza se retiraría y Abaúnza sería nombrado Presidente para el resto del período. Abaúnza rechazó (véase el artículo 205 de la constitución). Se avecina el golpe de estado. Probablemente el coronel Debayle está enredado en esto. La Presidencia está ahora en las manos de la Guardia. No tiene intención de perder su posición. La Guardia tiene planes de matar a Altamirano Brown y a Octavio Pasos Montiel; si sucede el golpe de estado unos cuantos serán asesinados.

A-315, 13 de agosto de 1946

El Presidente Somoza y sus amigos salieron de Managua en un tren especial el domingo, 11 de agosto, para asistir en León a la Convención Liberal Somocista al día siguiente. El Presidente y los de su partido llegaron a León a final de la tarde del once. El Presidente fue huésped e hizo su cuartel general en la casa de su suegra, doña Casimira DeBayle, donde por lo general se quedaba cuando visitaba esa ciudad. El domingo en la noche, después de la cena, hubo una reunión de sus partidarios en los aposentos del piso superior de la casa DeBayle, que la presidió Somoza. Mientras tanto, Luis M. DeBayle, había llegado en un tren especial de tarde, desde Managua. Tomó parte en la reunión y fue el lugarteniente del presidente durante todo el evento. Lorenzo Guerrero estuvo presente en la reunión. Se terminó alrededor de las 11:30 de la noche del domingo. Cuando Lorenzo Guerrero se marchó, tenía en su poder un cheque por C\$ 35,000. Salió sonriendo. Esa misma noche, doña Casimira DeBayle expresó confidencialmente que a la mañana siguiente Leonardo Argüello sería nominado como Presidente y que todas las disposiciones, por lo tanto, se habían tomado. Luis Manuel DeBayle estuvo directamente conectado con la preparación del cheque para Guerrero.

A la mañana siguiente, 12 de agosto, hubo una reunión secreta de los delegados de la Convención en el Teatro González convocada por el Presidente Somoza. El teatro estaba rodeado por la Guardia y se tomaron las precauciones más estrictas para prevenir que no asistiera ninguno que no fuera delegado. Presidió el Presidente Somoza, y fue asistido por Francisco Baltodano, funcionario presidente de la Convención, y por Luis Manuel DeBayle. A las 2:30 de la tarde, los Guerreristas y los Abauncistas se pelearon implacablemente. Ni Abaúnza ni Guerrero fueron capaces de obtener los dos-tercios de la mayoría (se reclama ahora que finalmente Guerrero quedó a un voto del número necesario). En ese momento del acto, Mariano Valle Quintero, Presidente del Consejo Técnico para Educación, se puso de pie y se dirigió a

la reunión. Dijo, que en efecto, como en la reunión no se había conseguido acordar sobre ninguno de los dos más distinguidos hijos del Liberalismo, él proponía que la reunión decidiera unánimemente nominar al General de División, Presidente Anastasio Somoza, para la reelección. La reunión (que se debe recordar estuvo compuesta únicamente por Somocistas) apoyó fuertemente la moción.

El Presidente Somoza se puso de pie, sonriendo, agradeció a los delegados por su consideración y apoyo y dijo en esencia que él era demócrata, que había prometido no buscar la reelección, y que, en consecuencia, no podía permitir que su nombre fuera aceptado por la reunión. Luego, pidió a la asamblea que le hicieran un favor y que fuera que aceptaran como candidato del Partido Liberal al Dr. Leonardo Argüello. En ese momento Alejandro Abaúnza probó- lo que venía siendo poco a poco evidente en el país - que él era un hombre honesto. Él retó la propuesta del Presidente y dijo que era una farsa, algo que había sido arreglado de antemano, y que no pediría a quienes lo apoyaban, que votaran por Leonardo Argüello. Con la insistencia de Somoza y Baltodano, votaron y prácticamente todos los delegados votaron por Leonardo Argüello. A las 4:30, los delegados salieron de la reunión secreta con Leonardo Argüello nominado para la Presidencia. Se debe recordar, no obstante, que esta no fue una reunión formal de la Convención sino que especial, una reunión secreta convocada por el Presidente Somoza. No se conoce en la Embajada si esta reunión sería más tarde ratificada formalmente.

Durante las veinticuatro horas inmediatamente antes de la nominación de Leonardo Argüello, en dos ocasiones diferentes, se propagaron rumores por parte del General Andrés Murillo, Ministro del Distrito Nacional, que Somoza estaba verdaderamente apoyando a Guerrero en secreto. Abaúnza fue directamente donde el Presidente cuando primero escuchó este rumor. El Presidente negó el rumor, aduciendo que él era imparcial. Más tarde, Abaúnza escuchó de nuevo el rumor y lo trató directamente con Murillo. Inmediatamente después, Abaúnza se dirigió ante la presencia Presidencial en la casa DeBayle acompañado de ciertos de sus seguidores. En la presencia de varios oficiales de la Guardia, pidió de nuevo conocer si la historia era verdadera. El Presidente se puso furioso y, con malas palabras, lo negó. En presencia de la Guardia, Abaúnza replicó: "Espero sea verdad, Señor Presidente, porque si no lo es, tendremos problemas".

Como se expuso anteriormente, Luis Manuel DeBayle estuvo muy activo tanto en la casa de su madre como en el Teatro González. Según lo que Doña Casimira dijo la noche del 11 de agosto, el plan de Somoza y de Luis M. DeBayle era este: Somoza garantizaría la elección de Argüello. Este último era un hombre viejo (71 años) y chocheaba. En la opinión de Somoza (y esa del público en general) Argüello viviría sólo un corto tiempo bajo las responsabilidades de su cargo. Mientras tanto, Luis Manuel DeBayle habría sido electo Senador por León y tomado su escaño en el Congreso Nacional. Cuando Argüello muriera, DeBayle y el Presidente esperaban usar el Senado como el trampolín para la Presidencia de DeBayle.

La información anterior vino directamente a la Embajada de parte de un informante de confianza. En su opinión, con la que la Embajada coincide, es que los hechos de León fueron preparados de antemano y sin ninguna duda el Presidente había decidido lo que iba a hacer antes de que saliera de Managua.

Es muy temprano para comentar sobre la recepción de la nominación de Argüello por los Liberales Independientes y los Conservadores. Eso lo comentaremos más tarde.

de 1946. DE Managua Fechado: 14 de agosto 1946 Recibido: 19 de agosto, 11:54 a.m.

El Senador Joaquín Gómez me llamó para tratar sobre un asunto en el que él estaba personalmente interesado. Más tarde, sacó el tema de la situación política. Aquí sigue lo fundamental de lo que expresó:

Bajo el punto de vista de los propios intereses del Presidente Somoza, no pudo haber actuado más inteligentemente de lo que lo hizo en León. Ahora tenía como un candidato Presidencial a un hombre que él consideraba débil y que probablemente moriría pronto. Si Argüello se convirtiera en Presidente y falleciera unos seis meses antes del final de su período Presidencial, el Ministro de Gobernación se convertiría en el Presidente en funciones e inmediatamente tendría que llamar al Primer Designado para asumir el Poder Ejecutivo. El Primer Designado en funciones como Presidente tendría que llamar a elecciones para escoger a un nuevo Presidente de la República. En ese caso, el Embajador Sevilla Sacasa o su padre, Don Ramón Sevilla, o cualquier otra persona ahora en el régimen de Somoza y no relacionado con Argüello podría convertirse en el nuevo Presidente. Si menos de seis meses del período de Argüello restarían en el momento de su muerte, el Primer Designado actuaría como Presidente para el resto del período.

El Senador Gómez dijo que no se debería olvidar que un candidato y un Presidente son dos cosas diferentes. Somoza y otros pueden considerar que Argüello es una persona a quien pueden controlar. Gómez recordaba cómo Argüello, cuando fue Ministro de Gobernación, trató de controlar los juegos de azar aunque el Presidente y su hermano, el Coronel Somoza, estaban en contra de esos esfuerzos. Gómez parecía pensar que una vez Argüello como Presidente, él podría sorprender a todos tomando una posición determinada que pudiera ser contraria a los deseos de Somoza.

Según Gómez, cuando el Presidente llegó a León para la Convención Liberal, encontró que Abaúnza tenía más votos en perspectiva que Guerrero. Somoza entonces envió al General Murillo a comprar votos adicionales para Guerrero. Murillo tuvo éxito a un costo de 10.000 córdobas por voto. En otras palabras, Somoza pagó 50.000 córdobas para que Argüello y Guerrero fueran contendientes iguales. Fueron esos votos que más tarde hicieron posible que Somoza obtuviera la nominación de Argüello.

Gómez señaló que Argüello tenía 275 sobrinos y sobrinos nietos y que toda la familia esperaba que se ocupara de ellos cuando fuera Presidente. Por otra parte, según Gómez, Argüello no tenía familia de que ocuparse en caso de que fuera nominado. Pienso que el candidato de Gómez ahora sería Aguado. Argüello????

Gómez expresó la opinión de que los Conservadores y los Liberales Independientes deberían dispersarse y comenzaran a alinearse con los Argüellistas.

Gómez declaró que había poco apoyo en León o Managua para el Dr. Argüello. Por otro lado, había verdadero entusiasmo en León por Aguado. Alabó a Aguado Argüello???? como alabó a Abaúnza por ser honestos, francos y patrióticos.

817.00/8-1546 L.L.

El Dr. Mariano Argüello confirmó mucha de la información contenida en mi mensaje A-315 al que me refiero más arriba. No hizo ninguna referencia al caucus en la casa DeBayle, habiendo estado ocupado en otro lugar en ese momento.

Argüello expresó que el General Murillo había comprado votos para el Dr. Guerrero y mencionó 10.000 córdobas como el precio pagado en esa ocasión. En contraste, informó que un pobre delegado, en mangas de camisa, que llegó del distrito de las Segovias, rechazó el soborno y le dijo a Murillo donde tenía que ir con el dinero.

El Dr. Argüello estaba impresionado por el hecho de que el hombre más fuerte en la Convención fuera Abaúnza. En respuesta a una declaración en la reunión por el Presidente Somoza de que había un pacto entre Abaúnza y Guerrero para apoyarse el uno al otro cuando era evidente que ninguno podía ganar los dos tercios de la mayoría requerida, Abaúnza le recordó al Presidente que, aunque el Presidente le había ofrecido devolverle el dinero de los gastos de campaña bajo dicha condición, él, Abaúnza, habría dicho al Presidente que él estaba pagando sus gastos de su propio bolsillo y que no podía aceptar un reembolso si perdía. El Dr. Mariano Argüello expresó la opinión de que Abaúnza fielmente apoyaría al Dr. Leonardo Argüello como el candidato Presidencial.

El Dr. Mariano Argüello rechazó que pusieran su propio nombre ante la Convención como un candidato de compromiso, cuando fue evidente que ni Guerrero ni Abaúnza podían obtener la nominación. El Dr. Mariano Argüello expresó que el Dr. Leonardo Argüello había ahora solicitado su asistencia en asuntos exteriores y que haría lo que pudiera hacer. El Dr. Mariano Argüello opinó que la nominación del Dr. Leonardo Argüello era relativamente mejor que la que hubiera sido la del Dr. Lorenzo Guerrero.

El Dr. Mariano Argüello fue enfático de que el Presidente Somoza obtuvo la nominación del Dr. Leonardo Argüello y que Somoza tenía en mente dos cosas: Uno, su creencia de que podía controlar a Argüello. Dos, su creencia y esperanza de que Argüello no viviera mucho tiempo. El Dr. Mariano Argüello estaba convencido de que hasta el final, Guerrero fue el escogido del Presidente, pero que después de apoyarlo en tres votaciones, Somoza finalmente tramó la nominación del Dr. Leonardo Argüello debido a las presiones por parte de la familia de su esposa (los DeBayle). Durante todos los actos, el Dr. Luis Manuel DeBayle y el Embajador Sevilla actuaron como tenientes siendo la mano derecha del Presidente. El Sr. Sevilla pareció encantado cuando fue nominado el Dr. Argüello.

El Dr. Mariano Argüello opinaba que el Dr. Leonardo Argüello haría un esfuerzo para conciliar a los Liberales de todas las facciones y a los Conservadores. No estaba seguro si se podría lograr algo con los Conservadores. Tenía la opinión de que los Liberales Independientes no eran importantes y que su fuerza desaparecería.

El Dr. Mariano Argüello opinaba que había una posibilidad de que Somoza no fuera capaz de controlar al Dr. Leonardo Argüello. Lo describió como anciano, orgulloso, arrogante y un poco chiflado. El Dr. Mariano Argüello dijo que el Dr. Leonardo Argüello lo llamaría pronto sin ninguna duda. Solicitó que los Estados Unidos hicieran lo posible para ayudar al Dr. Argüello si llegaría a ser Presidente. Pensaba que con una actitud comprensiva de parte de los Estados Unidos, el Dr. Argüello sería un buen Presidente de Nicaragua.

El Dr. Mariano Argüello consideraba que Somoza tenía la intención, y haría todo lo posible, para mantener control sobre la nueva administración. Tomaría su escaño como un Senador vitalicio en el Congreso. Probablemente no se vaya de Nicaragua mientras considere que puede estar aquí para controlar cómo se desarrollan los hechos. Es la opinión del Dr. Mariano Argüello que Somoza trataría ser Senador y Jefe de la Guardia Nacional al mismo tiempo. Expresó francamente que no había posibilidad de una elección libre para el próximo febrero.

Como un comentario acertado sobre la situación de la vida política nicaragüense, el Embajador tiene el honor de transmitir aquí una traducción de un artículo que apareció en LA NOTICIA, el 2 de marzo. El artículo es en relación al Sr. Alejandro Abaúnza, a quien podemos recordar, que fue uno de los dos candidatos con esperanzas Presidenciales, y fue descartado a favor del Dr. Leonardo Argüello en la Convención Liberal en León, el 12 de agosto de 1946, (véase mensaje A-325 (nota a mano: 817.00 / 8-1346) Confidencial de la Embajada del 13 de agosto de 1946). El artículo traducido es el siguiente:

“De buenas fuentes, entendemos que don Alejandro ABAUNZA Espinoza, tras haber vendido su cosecha de café y un poco antes de partir hacia Costa Rica con el Dr. Leonardo Argüello, envió un cheque devolviendo las sumas de dinero con las que sus amigos habían contribuido a su campaña política pre-presidencial.

“Entre los amigos que habían contribuido a la campaña de don Alejandro y cuyas contribuciones fueron reembolsadas por él estaban José Frixione, don Ernesto Argüello....

“El total que don Alejandro devolvió sumó C\$ 85,000. (nota a mano: %5 = \$ US)

“Un caso único en la historia política de Nicaragua.”

Notes for ALEJANDRO Abaúnza Espinoza:

Alejandro Abaunza Espinoza fue bautizado Francisco Alejandro, pero fue conocido solo como Alejandro.

En los años 1940 don Alejandro fue Ministro de Fomento (de infraestructura y carreteras) en el Gobierno de Anastasio Somoza García; así como también Ministro de Agricultura en el Gobierno del Dr. René Schick. En 1947 fue pre candidato a la Presidencia compitiendo con don Lorenzo Guerrero, cuando el Dr. Leonardo Argüello salió electo por la Gran Convención del PLN (en León). En 1966 fue cofundador junto con Ramiro Sacasa Guerrero y otros liberales, del Movimiento Liberal Constitucionalista (MLC) tratando de evitar la elección del general Anastasio Somoza Debayle. Posteriormente, el 4 de Mayo de 1981, Ramiro Sacasa con la aprobación y estímulo de don Alejandro para integrar al MLC al Consejo de Estado a condición de que el Gobierno Sandinista (de turno) acepte que lo haga como partido político y no como movimiento. Así nació el PLC ese 4 de mayo de 1981, cuando se integró a la segunda legislatura del Consejo de Estado. En la elegía el Dr. Ramiro Sacasa Guerrero dijo de don Alejandro: "Hoy, con mi voz transida de dolor, vengo a hacer el último saludo al don Alejandro, el padre, el patricio, al que millares de liberales de todo el país seguimos con fe y hoy despedimos con devoción"

A continuación informes secretos del embajador Warren al Departamento de Estado sobre el proceso de elección del candidato liberal en la convención del Partido Liberal en 1946, fotocopias tomadas en el National Archives en Washington, una vez que fueron declasificadas para el público.

Alejandro Abaúnza, Ministro de Fomento, mencionado con frecuencia como el candidato preferido del Presidente para suceder a Somoza en la presidencia, conversó ayer con una fuente segura. Ese dijo: el Presidente Somoza pidió a Abaúnza renunciar a su posición en el Gabinete, --- asumir su posición como diputado en el Congreso Nacional, para poder ser elegido de este modo "designado" a la Presidencia. Hecho esto, Somoza se retiraría y Abaúnza sería nombrado Presidente para el resto del período. Abaúnza rechazó (véase el artículo 205 de la constitución). Se avecina el golpe de estado. Probablemente el coronel DeBayle está enredado en esto. La Presidencia está ahora en las manos de la Guardia. No tiene intención de perder su posición. La Guardia tiene planes de matar a Altamirano Brown y a Octavio Pasos Montiel; si sucede el golpe de estado unos cuantos serán asesinados.

A-315, 13 de agosto de 1946

El Presidente Somoza y sus amigos salieron de Managua en un tren especial el domingo, 11 de agosto, para asistir en León a la Convención Liberal Somocista al día siguiente. El Presidente y los de su partido llegaron a León a final de la tarde del once. El Presidente fue huésped e hizo su cuartel general en la casa de su suegra, doña Casimira DeBayle, donde por lo general se quedaba cuando visitaba esa ciudad. El domingo en la noche, después de la cena, hubo una reunión de sus partidarios en los aposentos del piso superior de la casa DeBayle, que la presidió Somoza. Mientras tanto, Luis M. DeBayle, había llegado en un tren especial de tarde, desde Managua. Tomó parte en la reunión y fue el lugarteniente del presidente durante todo el evento. Lorenzo Guerrero estuvo presente en la reunión. Se terminó alrededor de las 11:30 de la noche del domingo. Cuando Lorenzo Guerrero se marchó, tenía en su poder un cheque por C\$ 35,000. Salió sonriendo. Esa misma noche, doña Casimira DeBayle expresó confidencialmente que a la mañana siguiente Leonardo Argüello sería nominado como Presidente y que todas las disposiciones, por lo tanto, se habían tomado. Luis Manuel DeBayle estuvo directamente conectado con la preparación del cheque para Guerrero.

A la mañana siguiente, 12 de agosto, hubo una reunión secreta de los delegados de la Convención en el

Descendientes de Benito José Abaúnza

Generation 6 (con't)

Teatro González convocada por el Presidente Somoza. El teatro estaba rodeado por la Guardia y se tomaron las precauciones más estrictas para prevenir que no asistiera ninguno que no fuera delegado. Presidió el Presidente Somoza, y fue asistido por Francisco Baltodano, funcionario presidente de la Convención, y por Luis Manuel DeBayle. A las 2:30 de la tarde, los Guerreristas y los Abauncistas se pelearon implacablemente. Ni Abaúnza ni Guerrero fueron capaces de obtener los dos-tercios de la mayoría (se reclama ahora que finalmente Guerrero quedó a un voto del número necesario). En ese momento del acto, Mariano Valle Quintero, Presidente del Consejo Técnico para Educación, se puso de pie y se dirigió a la reunión. Dijo, que en efecto, como en la reunión no se había conseguido acordar sobre ninguno de los dos más distinguidos hijos del Liberalismo, él proponía que la reunión decidiera unánimemente nominar al General de División, Presidente Anastasio Somoza, para la reelección. La reunión (que se debe recordar estuvo compuesta únicamente por Somocistas) apoyó fuertemente la moción.

El Presidente Somoza se puso de pie, sonriendo, agradeció a los delegados por su consideración y apoyo y dijo en esencia que él era demócrata, que había prometido no buscar la reelección, y que, en consecuencia, no podía permitir que su nombre fuera aceptado por la reunión. Luego, pidió a la asamblea que le hicieran un favor y que fuera que aceptaran como candidato del Partido Liberal al Dr. Leonardo Argüello. En ese momento Alejandro Abaúnza probó- lo que venía siendo poco a poco evidente en el país - que él era un hombre honesto. Él retó la propuesta del Presidente y dijo que era una farsa, algo que había sido arreglado de antemano, y que no pediría a quienes lo apoyaban, que votaran por Leonardo Argüello. Con la insistencia de Somoza y Baltodano, votaron y prácticamente todos los delegados votaron por Leonardo Argüello. A las 4:30, los delegados salieron de la reunión secreta con Leonardo Argüello nominado para la Presidencia. Se debe recordar, no obstante, que esta no fue una reunión formal de la Convención sino que especial, una reunión secreta convocada por el Presidente Somoza. No se conoce en la Embajada si esta reunión sería más tarde ratificada formalmente.

Durante las veinticuatro horas inmediatamente antes de la nominación de Leonardo Argüello, en dos ocasiones diferentes, se propagaron rumores por parte del General Andrés Murillo, Ministro del Distrito Nacional, que Somoza estaba verdaderamente apoyando a Guerrero en secreto. Abaúnza fue directamente donde el Presidente cuando primero escuchó este rumor. El Presidente negó el rumor, aduciendo que él era imparcial. Más tarde, Abaúnza escuchó de nuevo el rumor y lo trató directamente con Murillo. Inmediatamente después, Abaúnza se dirigió ante la presencia Presidencial en la casa DeBayle acompañado de ciertos de sus seguidores. En la presencia de varios oficiales de la Guardia, pidió de nuevo conocer si la historia era verdadera. El Presidente se puso furioso y, con malas palabras, lo negó. En presencia de la Guardia, Abaúnza replicó: "Espero sea verdad, Señor Presidente, porque si no lo es, tendremos problemas".

Como se expuso anteriormente, Luis Manuel DeBayle estuvo muy activo tanto en la casa de su madre como en el Teatro González. Según lo que Doña Casimira dijo la noche del 11 de agosto, el plan de Somoza y de Luis M. DeBayle era este: Somoza garantizaría la elección de Argüello. Este último era un hombre viejo (71 años) y chocheaba. En la opinión de Somoza (y esa del público en general) Argüello viviría sólo un corto tiempo bajo las responsabilidades de su cargo. Mientras tanto, Luis Manuel DeBayle habría sido electo Senador por León y tomado su escaño en el Congreso Nacional. Cuando Argüello muriera, DeBayle y el Presidente esperaban usar el Senado como el trampolín para la Presidencia de DeBayle.

La información anterior vino directamente a la Embajada de parte de un informante de confianza. En su opinión, con la que la Embajada coincide, es que los hechos de León fueron preparados de antemano y sin ninguna duda el Presidente había decidido lo que iba a hacer antes de que saliera de Managua.

Es muy temprano para comentar sobre la recepción de la nominación de Argüello por los Liberales Independientes y los Conservadores. Eso lo comentaremos más tarde.

El Senador Joaquín Gómez me llamó para tratar sobre un asunto en el que él estaba personalmente interesado. Más tarde, sacó el tema de la situación política. Aquí sigue lo fundamental de lo que expresó:

Bajo el punto de vista de los propios intereses del Presidente Somoza, no pudo haber actuado más inteligentemente de lo que lo hizo en León. Ahora tenía como un candidato Presidencial a un hombre que él consideraba débil y que probablemente moriría pronto. Si Argüello se convirtiera en Presidente y falleciera unos seis meses antes del final de su período Presidencial, el Ministro de Gobernación se convertiría en el Presidente en funciones e inmediatamente tendría que llamar al Primer Designado para asumir el Poder Ejecutivo. El Primer Designado en funciones como Presidente tendría que llamar a elecciones para escoger a un nuevo Presidente de la República. En ese caso, el Embajador Sevilla Sacasa o su padre, Don Ramón Sevilla, o cualquier otra persona ahora en el régimen de Somoza y no relacionado con Argüello podría convertirse en el nuevo Presidente. Si menos de seis meses del período de Argüello restarían en el momento de su muerte, el Primer Designado actuaría como Presidente para el resto del período.

El Senador Gómez dijo que no se debería olvidar que un candidato y un Presidente son dos cosas diferentes. Somoza y otros pueden considerar que Argüello es una persona a quien pueden controlar. Gómez recordaba cómo Argüello, cuando fue Ministro de Gobernación, trató de controlar los juegos de azar aunque el Presidente y su hermano, el Coronel Somoza, estaban en contra de esos esfuerzos. Gómez parecía pensar que una vez Argüello como Presidente, él podría sorprender a todos tomando una posición determinada que pudiera ser contraria a los deseos de Somoza.

Según Gómez, cuando el Presidente llegó a León para la Convención Liberal, encontró que Abaúnza tenía más votos en perspectiva que Guerrero. Somoza entonces envió al General Murillo a comprar votos adicionales para Guerrero. Murillo tuvo éxito a un costo de 10.000 córdobas por voto. En otras palabras, Somoza pagó 50.000 córdobas para que Argüello y Guerrero fueran contendientes iguales. Fueron esos votos que más tarde hicieron posible que Somoza obtuviera la nominación de Argüello.

Gómez señaló que Argüello tenía 275 sobrinos y sobrinos nietos y que toda la familia esperaba que se ocupara de ellos cuando fuera Presidente. Por otra parte, según Gómez, Argüello no tenía familia de que ocuparse en caso de que fuera nominado. Pienso que el candidato de Gómez ahora sería Aguado. Argüello????

Gómez expresó la opinión de que los Conservadores y los Liberales Independientes deberían dispersarse y comenzaran a alinearse con los Argüellistas.

Gómez declaró que había poco apoyo en León o Managua para el Dr. Argüello. Por otro lado, había verdadero entusiasmo en León por Aguado. Alabó a Aguado Argüello???? como alabó a Abaúnza por ser honestos, francos y patrióticos.

El Dr. Mariano Argüello confirmó mucha de la información contenida en mi mensaje A-315 al que me refiero más arriba. No hizo ninguna referencia al caucus en la casa DeBayle, habiendo estado ocupado en otro lugar en ese momento.

Argüello expresó que el General Murillo había comprado votos para el Dr. Guerrero y mencionó 10.000 córdobas como el precio pagado en esa ocasión. En contraste, informó que un pobre delegado, en mangas de camisa, que llegó del distrito de las Segovias, rechazó el soborno y le dijo a Murillo donde tenía que ir con el dinero.

El Dr. Argüello estaba impresionado por el hecho de que el hombre más fuerte en la Convención fuera Abaúnza. En respuesta a una declaración en la reunión por el Presidente Somoza de que había un pacto entre Abaúnza y Guerrero para apoyarse el uno al otro cuando era evidente que ninguno podía ganar los dos tercios de la mayoría requerida, Abaúnza le recordó al Presidente que, aunque el Presidente le había ofrecido devolverle el dinero de los gastos de campaña bajo dicha condición, él, Abaúnza, habría dicho al Presidente que él estaba pagando sus gastos de su propio bolsillo y que no podía aceptar un reembolso si perdía. El Dr. Mariano Argüello expresó la opinión de que Abaúnza fielmente apoyaría al Dr. Leonardo Argüello como el candidato Presidencial.

El Dr. Mariano Argüello rechazó que pusieran su propio nombre ante la Convención como un candidato de compromiso, cuando fue evidente que ni Guerrero ni Abaúnza podían obtener la nominación. El Dr. Mariano Argüello expresó que el Dr. Leonardo Argüello había ahora solicitado su asistencia en asuntos exteriores y que haría lo que pudiera hacer. El Dr. Mariano Argüello opinó que la nominación del Dr. Leonardo Argüello era relativamente mejor que la que hubiera sido la del Dr. Lorenzo Guerrero.

El Dr. Mariano Argüello fue enfático de que el Presidente Somoza obtuvo la nominación del Dr. Leonardo Argüello y que Somoza tenía en mente dos cosas: Uno, su creencia de que podía controlar a Argüello. Dos, su creencia y esperanza de que Argüello no viviera mucho tiempo. El Dr. Mariano Argüello estaba convencido de que hasta el final, Guerrero fue el escogido del Presidente, pero que después de apoyarlo en tres votaciones, Somoza finalmente tramó la nominación del Dr. Leonardo Argüello debido a las presiones por parte de la familia de su esposa (los DeBayle). Durante todos los actos, el Dr. Luis Manuel DeBayle y el Embajador Sevilla actuaron como tenientes siendo la mano derecha del Presidente. El Sr. Sevilla pareció encantado cuando fue nominado el Dr. Argüello.

El Dr. Mariano Argüello opinaba que el Dr. Leonardo Argüello haría un esfuerzo para conciliar a los Liberales de todas las facciones y a los Conservadores. No estaba seguro si se podría lograr algo con los Conservadores. Tenía la opinión de que los Liberales Independientes no eran importantes y que su fuerza desaparecería.

El Dr. Mariano Argüello opinaba que había una posibilidad de que Somoza no fuera capaz de controlar al Dr. Leonardo Argüello. Lo describió como anciano, orgulloso, arrogante y un poco chiflado. El Dr. Mariano Argüello dijo que el Dr. Leonardo Argüello lo llamaría pronto sin ninguna duda. Solicitó que los Estados Unidos hicieran lo posible para ayudar al Dr. Argüello si llegaría a ser Presidente. Pensaba que con una actitud comprensiva de parte de los Estados Unidos, el Dr. Argüello sería un buen Presidente de Nicaragua.

Descendientes de Benito José Abaúnza

Generation 6 (con't)

El Dr. Mariano Arguello consideraba que Somoza tenía la intención, y haría todo lo posible, para mantener control sobre la nueva administración. Tomaría su escaño como un Senador vitalicio en el Congreso. Probablemente no se vaya de Nicaragua mientras considere que puede estar aquí para controlar cómo se desarrollan los hechos. Es la opinión del Dr. Mariano Argüello que Somoza trataría ser Senador y Jefe de la Guardia Nacional al mismo tiempo. Expresó francamente que no había posibilidad de una elección libre para el próximo febrero.

Como un comentario acertado sobre la situación de la vida política nicaragüense, el Embajador tiene el honor de transmitir aquí una traducción de un artículo que apareció en LA NOTICIA, el 2 de marzo. El artículo es en relación al Sr. Alejandro Abaúnza, a quien podemos recordar, que fue uno de los dos candidatos con esperanzas Presidenciales, y fue descartado a favor del Dr. Leonardo Argüello en la Convención Liberal en León, el 12 de agosto de 1946, (véase mensaje A-325 (nota a mano: 817.00 / 8-1346) Confidencial de la Embajada del 13 de agosto de 1946). El artículo traducido es el siguiente:

“De buenas fuentes, entendemos que don Alejandro ABAUNZA Espinoza, tras haber vendido su cosecha de café y un poco antes de partir hacia Costa Rica con el Dr. Leonardo Argüello, envió un cheque devolviendo las sumas de dinero con las que sus amigos habían contribuido a su campaña política pre-presidencial.

“Entre los amigos que habían contribuido a la campaña de don Alejandro y cuyas contribuciones fueron reembolsadas por él estaban José Frixione, don Ernesto Argüello....

“El total que don Alejandro devolvió sumó C\$ 85,000. (nota a mano: %5 = \$ US)

“Un caso único en la historia política de Nicaragua.”

Notes for Saturnino Gámez Guzmán:

Prisión de Rigoberto Cabezas. Conozco la noticia por Saturnino Gámez, que parece contento. Voy a la comandancia de armas. Camilo Álvarez célebre militar salvadoreño y Comandante de Armas de Guatemala en aquellos días, dice que no sabe donde está preso, pero manada a averiguar su paradero y, le dicen que se halla en la estación de policía de Santa Catarina. Allá me dirijo, pero no logro verlo.

Julio 28. Acabo de saber que han sacado a Rigoberto de Quezaltenango, montado en una mula y con escolta de 25 soldados. Dicen que va a la penitenciaría de aquella ciudad. Esta noticia me pone nervioso. Lo hacen regresar del camino de Quezaltenango para volverlo a sacar horas después, a pié y amarrado. Esto me indigna y apenas puedo disimular mi enojo. Todo Guatemala acusa a [José Dolores] Gámez, Julio [doctor Julio César], y don Chico [licenciado Francisco Baca, jefe de la emigración liberal] de las desgracias que han caído sobre Rigoberto. BREVE AUTOBIOGRAFÍA DE JOSÉ DOLORES GÁMEZ

Puntarenas (Costa Rica) 4 de Enero de 1912

Capítulo I

EN EL PRINCIPIO

Nací en la ciudad de Granada, el 12 de julio de 1851, a las 12 en punto de la noche; y se me ha dicho que mi primer grito de recién nacido se confundió con el primer campanazo de aquella hora de cumbre del reloj vecino. Vine, pues, al mundo a mediados del siglo, del año, del mes y del día; y debido tal vez a esa circunstancia, he resultado intolerante con todo término me-dio en las cosas de la vida.

Las libres brisas del gran lago de Nicaragua mecieron mi cuna y en su playa crecí al arrullo de las olas

Generation 7 (con't)

probablemente me parece ser, que aquel ambiente de mis primeros años haya influido en algo para la formación de mi carácter impetuoso y del que puede decirse que es de aquellos que se quiebran antes de doblegarse.

Pasaba Granada en la época de mi nacimiento por ser su población que marchaba a las vanguardia del progreso social del Estado, que, de dicho sea de paso, no era gran cosa a pesar de la famosa León, (¿) entonces del saber profesional, de donde cabían a puñados los bordados con borla y cápelas todavía de la enseñanza colonial. Debo traer en auxilio de mi afirmación respecto al relativo mayor adelanto social de Granada, por si se me creyese apasionado, el recuerdo de que en su población fue siempre el centro del comercio regional y que su puerta llegó a ser el más concurrido y de más movimiento exterior. Sus ricos comerciantes fomentaban el lujo por conveniencia, la desplegaban en sus hogares por vanidad, hacían gala de refinadas costumbres y mantenían trato frecuente con el elemento extranjero con el cual procuraba asimilarse; mientras León Metrópoli y antigua capital del Estado, que contaba además con una célebre Universidad, tenía escaso comercio y vivía de la industria pecuaria, nada exigente en materia de lujo, a la sombra pudiera decirse, de la curia eclesiástica, de su empobrecimiento retrogrado, que mantenía el antiguo ambiente e imponía a la sociedad leonesa ese tinte medieval característico hasta hoy de la gente de iglesia y sacristía.

Desde los primeros años de la fundación de la colonia en tierra Nicaragüense, León y Granada fueron poblaciones rivales por disposiciones de sus conquistadores, maestros inimitables en crear y fomentar divisiones entre los pueblos hermanos del Nuevo Mundo, con objeto de debilitarlos para mejor asegurar su dominación.

León sobresalía particularmente por sus calles rectas y empedrada por las edificaciones uniformes y de antigua apariencia, por los monumentales templos y por la numerosa población, mientras Granada, que parecía reclinada sobre la falda del volcán Mombacho, situado a su lado sur, y que abandonaba sus extremidades orientales a las caricias de las olas del lago, atraía con su movimiento mercantil, con su puerto siempre concurrido, con la belleza topográfica de sus contornos, con sus costumbres expansivas y animadas y con (¿)....

Cuando yo vine al mundo encontré todavía en mi pueblo, las rancias preocupaciones de la nobleza colonial, naufraga en 1823, pero que se conservó por algunos años más en las ciudades de Guatemala, San Miguel y Granada con algo más de orgullo y mayores pretensiones en fuerza de su reducción. Era aquella nobleza un producto híbrido del coloniaje, sin pergaminos ni rentas, una especie de caricatura de noble, que se alimentaba de recuerdos y vivía con la mente en un pasado fantástico de leyendas y de emblemas heráldicos. Se basaba en la "Sangre azul", la cual se comprobaba con la piel blanca, semejante a la de los conquistadores españoles, el negro africano, el indio y los de raza mixta, vivieron siempre menospreciados de la sociedad y excluidos de los cargos públicos, así como las órdenes sacerdotales, pues para los conquistadores españoles valieron siempre algo menos que la plebe feudal de la Edad Media, y para los criollos tanto como si hubieran sido siervos manumitidos, considerándolos, unos y otros, nacidos solamente para el tributo y la encomienda. En el período de mi niñez había, sin embargo, cambiado un poco la cuestión sangre distintiva debido a que habían saltado hombres de color que, a la sombra de las nuevas instituciones políticas llegaron a mucha altura en fuerza de personales meritos; pero aun-que se les consideraba y atendía por respeto a su posición elevada, no por eso se les dejaba de mirar con marcada prevención, al extremo de que cuando tenían que nombrarles, les anteponían el calificativo de "indio, negro o zambo", respectivamente en lugar del "don" que se prodigaba a los criollos. Fue, si no estoy equivocado, hasta después de la campaña contra los filibusteros de Walter, cuando pareció extinguirse en Granada mucha parte de esa prevención contra la gente de color, en la que se suprimió la calificación despectiva de raza que antes le aplicaban, unida al nombre de la personas, se les concedió con alguna frecuencia el tratamiento de "don" y hasta hu-bo familia de buena sangre que admitiese, eso sí excepcionalmente, que sus hijos se unieran con ellos en legítimo matrimonio. Posible es que para tal cambio haya valido mucho el odio sañudo contra los filibusteros yanquis, enemigos acérrimos de los hombres de color, y quizá también el respetuoso cariño a las memorias de don Pedro Rivas, don José María Estrada, y Ponciano Corral, morenos todos de sobresalientes meritos en la vida pública, perecieron trágicamente al pie del pabellón granadino durante las últimas contiendas.†

Tuve la buena suerte de que mi familia perteneciera a la raza regional privilegiada, y que por tal motivo y sin otro mérito ni cosa que pusiera de mi parte, fuese desde mi cuna "gente decente", gozando por ese hecho de los fueros y preeminencias sociales, dispensadas a los criollos de buena sangre. Fui, además, el primogénito del matrimonio y el mimado de mis padres y parientes por ambas ramas, que me prodigaban

caricias a porfía y se disputaban las mías con empeño.

A decir verdad (y aquí entre aquellos de la vanidad), creo que realmente debí ser un chi-quitín distinguido, pues con mis ojos zarcos de mirada plácida, los largos bucles rubios que caían sobre mis hombros, mi vestido mameluco liliputiense y mi gorrita garibaldina de terciopelo azul con trencilla negra, parecía un extranjerito hechizo, de muy distinta catadura por cierto, a la de los demás niños de la localidad que solían mantenerse descalzos y usar por todo vestido un cami-són de tela que les llega al tobillo.

Mis padres tenían una educación especial, superior a la de la generalidad de sus contemporáneos. El uno hablaba el inglés y el otro el francés con alguna perfección poseían ambos, además muchos conocimientos gramaticales del idioma español, que escribían con soltura y buen gusto, nociones de historia y geografía, conocían al dedillo la Biblia católica y muchas obras religiosas y de propaganda cristiana; eran fuertes en aritmética comercial y se consagraban a la lectura de libros modernos en el tiempo que les dejaban libres sus ocupaciones. Ambos tenían también un trato suave y jovial, conversación agradable, modales distinguidos, algún esmero para vestirse y bastante celo para la higiene personal y doméstica.

El autor de mis días era un buen hombre de mediana estatura, más bien alto que bajo, de buena presencia, de color trigueño parecido al de los árabes, de ojos expresivos y brillantes, nariz aguileña, cabellos y espesa barba negra, músculos vigoroso y con muchos vellos en el cuerpo. Su andar era violento, su palabra reposada y sonora, su carácter retemblado y su actividad extraordinaria. Decidor, risueño y chispeante se hacía simpático a todo el que lo trataba; desde muy joven se dedicó al comercio en el cual hizo regular fortuna, viajó mucho y residió algunos años en Europa. Observaba costumbres inglesas en el hogar, las cuales adquirió en Londres; pero en su trato familiar sacaba a relucir, sin darse cuenta de ello, su genialidad andaluza, cuentos narraciones y anécdotas llenos de gracia que él acompañaba en movimientos expresivos y de alegres risas que provocaban el contento de los que le escuchaban.

Fue primogénito de un capitán español, oriundo de la ciudad de Sevilla, que había sido enviado a la Habana como subteniente de infantería, a prestar sus servicios militares; de allí pasó después, no se de qué manera a Costa Rica, donde contrajo matrimonio con una viuda de Cartago de apellido Torres, con la cual se trasladó a Granada en los próximos a la proclamación de la independencia nacional.

Se decía que don Francisco Gámez (este era el nombre de mi señor abuelo) que descendía, sin saberse a qué distancia, del célebre descubridor portugués Vasco de Gama, que vivió algún tiempo en Sevilla; lo cual a ser cierto, no quitaban que él, con todo su noble origen, fuera un ser humildísimo por su cuatro lados, y además, muy modesto, muy pobre de fortuna. El aserto de que fuera descendiente de Gama, se basaba en aquella de que el apellido castellano, en su origen, se formaba del nombre provisto de una de la terminaciones "ax, ex, iz, oz, yz", siendo la terminación "ez" la que predominó en la formación de los apellidos modernos, según al decir de la gramática de la Real Academia; pues cuando el nombre terminaba en una vocal que no era la letra "o" se suprimía esa vocal y ocupaba su puesto la mencionada sílaba, indicadora de descendencia.

José Dolores Gámez se casó con (1) Camila Umaña Espinoza (hija de Ramón Umaña y Asunción Espinoza), † 1 Ene 1904 en Managua, Nicaragua. Pareja Isolina Gómez Alfaro (hija de Agustín Federico Gómez Rouhaud y María Alfaro). El se casó con (3) nn. Montoya. El se casó con (4) Isabel Guzmán

Notes for Constantino Adolfo Mejía Marenco:

La casa de los Mejía Lacayo la compró Peder Kolind, danés, quien la remodeló para convertirla en museo de cerámica indígena pre-colombina. La sala y el almacén, que quedan al frente de la calle, son ahora una sola pieza. Demolió el cielo raso y solo dejó la caña expuesta; ésta ya fue reemplazada en toda la casa. También ya hizo jardín en el primer patio. El danés demolió todas las construcciones del segundo patio y dejó libres los cuatro corredores. Solo dejó el árbol de guayacán y la palmera de indostán. En la parte de atrás quitó hasta la pila. Ahí levantará una construcción de dos pisos, donde se supone que será la casa de habitación del danés.

ADIOS A DOÑA LILA TE
Parroquia La Asunción
Masaya 19 de Julio 2008

Querido Papá:

Sé que te hubiera gustado ser vos el que le diga las últimas palabras de despedida a mi mamá, igual a como lo hiciste con Jorge y Javier. Pero sé que el dolor que estás sintiendo es tan grande, que me has concedido a mí el privilegio de decir estas últimas palabras.

Querida Mamá:

Me parece mentira que hoy estamos en esta tu parroquia despidiéndote de este mundo a tu viaje final en manos del Señor. Esta tu parroquia, en donde te bautizaste, en donde recibiste tu Primera Comunión, en donde te casaste con mi papá, en donde bautizaste a varios de tus hijos, en donde despediste a tu papá, a tu mamá, a tus tres hijos que se fueron al Señor antes que vos y que estoy seguro que hoy están felices teniéndote a vos con ellos.

Fuiste una joven alegre, chivirisca, activa, deportista, llena de vida y de energía. Recuerdo el cuento que tantas veces hemos comentado: en aquel abril, Domingo de Ramos, había muerto tu tío-abuelo Benjamín y vos, de doce años de edad, venías caminando aquí en este parque, brava porque te habían obligado a vestirse de luto por la muerte de un tío-abuelo que casi ni conocías. Pasaste y con tus palabras, tu caminata, tu belleza, cautivaste a un joven que estaba en el parque. A partir de esa fecha ese joven quedó flechado por vos y varios años después en 1949 ustedes dos, vos y mi papá, se casaron en esta misma Iglesia.

Así comenzó tu vida con mi papá. Estuvieron casados mas de 58 años. Fue un matrimonio ejemplar basado en el amor, un matrimonio de cariño, de dialogo, de respeto y de entrega. Fue un matrimonio que giraba en la fe cristiana y que giraba en el amor y la devoción hacia Dios. Ustedes han estado juntos en las buenas y en las malas. Y las malas las han sabido manejar mejor porque se han tenido el uno para el otro. Y en estos últimos días lo han demostrado más que nunca. Fue impresionante ver la dedicación y la dulzura

Generation 7 (con't)

constante entre ustedes. Vuestro amor es tan verdadero que no existe el egoísmo. Tanto así que mi papá siempre le pidió al Señor que te llevara primero, para evitarte el dolor que hoy mismo él está sufriendo por tu pérdida. Ese es el verdadero Sacramento del Matrimonio. Ustedes lo vivieron. Ustedes han demostrado que la familia es la mejor institución para construir una sociedad con rostro humano. La familia es el último baluarte ante el reto de la historia.

MASAYA:

En el transcurso de toda tu vida, un común denominador fue que siempre quisiste a este tu Masaya y a tu Nicaragua y le diste todo lo que tenías que dar. Siempre tuviste el don especial de la compasión. A manera de ejemplo recuerdo la época en que ayudaste con kermesses y actividades para reconstruir la casa cural de esta tu parroquia. Ayudaste en la reconstrucción de esta iglesia parroquial, conseguiste que España donara los fondos y mandara a los arquitectos... y se reconstruyó esta iglesia. También le ayudaste a la iglesia de El Calvario y últimamente al asilo donde fue el Hospital San Antonio. Recuerdo cuando te levantabas a las 4 am con tu vestido "de oro" y tus energía incansable para elaborar tus famosos nacatamales (esos nacatamales tan buenos, que tanto nos gustaban y que nos hacías cada vez que veníamos a visitarte). Todos los domingos los vendías con mucho éxito, para ayudarle a San Pedro Claver cuando estaban construyendo la escuela.

En estos dos días conversando con el Arzobispo Brenes nos comentaba que él consideraba que eras como madre para muchos de los sacerdotes de esta tu parroquia. El me dijo que ahora ya íbamos a tener una aliada más en el cielo. El padre Walter cariñosamente te decía "Santa Señora".

PRIMERA DAMA

Cuando mi papá gana las elecciones y asume la Presidencia de la República, es claro que vos viste esta Presidencia como una gran oportunidad para ayudar a los necesitados aún más. Los títulos, el poder, la pompa, para vos no eran nada. Es más, decías "me repugna todo eso". Sin embargo, aprovechaste esa oportunidad para hacer el bien: ayudarle al prójimo, a los más necesitados. Vos siempre fuiste una persona sencilla, íntegra, sincera, franca. Eras auténtica: auténtica Masaya, auténtica nicaragüense. Acompañaste a mi papá en su papel de Presidente y siempre llevaste el papel de "primera dama" con dignidad y sencillez.

Junto con tu hijo Jorge, se desarrolló el programa de Libra por Libra. Y se veía tu felicidad cuando el campesino recibía la semilla mejorada y aumentaba su producción y mejoraba su nivel de vida. También se veía tu felicidad cuando al final de la cosecha el mismo campesino te pagaba la semilla que le habías dado para con eso poder ayudarle a más campesinos. En tu oficina se desarrolló una gran ayuda a los más necesitados. Hay miles de personas que se beneficiaron y fueron ayudadas por tu labor incansable de ayudar al más necesitado.

Me cuentan que un día al salir de una visita a un hospital de Managua viste a una pobre gente que bajo lluvia se estaban mojando debajo de un árbol. Averiguaste que eran una familia que venían de fuera de Managua con un enfermo que estaban siendo atendido en el hospital y que no tenían ni dónde quedarse. Te conmoviste tanto por esa pobre gente que de ahí te nació la idea de construir los albergues en los hospitales. Siempre fuiste una mujer con un gran sentido de compasión. Siempre preocupada por el prójimo.

Cuando viniste ya enferma de Miami, Lourdes organizó un almuerzo con tus amigas de toda la vida con quienes almorzabas todos los miércoles. A la hora que se decide hacer el almuerzo, le dijiste a Lourdes: "no te olvides de hacer suficiente comida para que coman los escoltas y choferes". Al llegar el día del almuerzo nuevamente preguntaste: ¿hicieron suficiente para los escoltas? Vos siempre pensando en el prójimo. Adoptabas a la gente. ¡Le has ayudado a tanta gente! Fuiste una persona de grandes virtudes que definitivamente usaste los dones que te dio el Señor. La semilla que Dios te dio, la semilla de la compasión la sembraste y creció al máximo.

SUFRIMIENTO

Si yo hoy como hijo siento un tremendo dolor en perderte a vos, mi madre, ya me imagino tu gran dolor al haber sufrido la muerte de tres hijos. Albertito de 16 años de edad, y Javier y Jorge hace poco, uno tras otro. La vida te dio mucho pero también te exigió mucho. Lo bueno tuyo es que siempre supiste llevar tu sufrimiento con resignación y aceptación. Siempre dijiste que se haga la voluntad del Señor. Siempre fuiste

una gran dama, con un gran sentido de aceptación, con un gran sentido de darte al prójimo, con un gran sentido cristiano.

FAMILIA

Cuando me casé con Lourdes la recibiste con los brazos abiertos. Jamás he visto una relación tan especial entre una suegra y su nuera como la de ustedes. Le diste amor. La apoyaste en todo. Quisiste a nuestros hijos como si fueran tuyos. Con tus hechos, con tus actuaciones, con tus ejemplos nos enseñaste mucho. Mis hijos que vivieron en el exterior dicen que tuvieron el privilegio de haber vivido unos años aquí en tu casa. Tienen un cariño, un respeto, una admiración hacia vos. Aprendieron tanto de vos. Aprendieron humildad, aprendieron respeto, aprendieron honestidad, integridad, recibieron todo tu amor junto con la guía y ayuda de los valores morales básicos y necesarios para ser buenos ciudadanos, y buenos cristianos.

En nuestra familia todos sabemos cuánto le has ayudado a tu gente, a tíos, a sobrinos, a hermanos, a los necesitados, a tus hijos.

Has sido el pilar de apoyo para mi papa. Siempre dicen que detrás de un gran hombre hay una gran mujer. Vos has sido una gran mujer en todo el sentido de la palabra.

GRACIAS

Esta enfermedad tuya comenzó hace 7 semanas. En este tiempo, hemos recibido muchas visitas y llamadas de amigos -amigos que te quieren- a los cuales hoy les queremos dar las gracias por sus muestras de cariño y apoyo.

En especial le queremos agradecer a los médicos que te atendieron, sobre todo al Dr. Montenegro; a las enfermeras y resto del personal del hospital que te atendieron; y a tu gran amiga Dña Jenny Harding, quien estuvo al lado tuyo todo este tiempo.

El que siembra cosecha. Y vos siempre tuviste una gran siembra.

También queremos darle gracias al Obispo Hombach, al Padre César de esta Parroquia y a todos los celebrantes de esta misa. A Don Ramón y la Camarata Bach, que con todo su cariño ofrecieron tocar en esta misa.

ADIOS

Mamá, hoy te despedimos. Lloramos tu despedida porque nos vas a hacer una gran falta. Los próximos días, semanas, meses van a ser muy duros para nosotros porque dejas un gran vacío: un vacío imposible de llenar. Nos quedan tus recuerdos, tus sonrisas, tus cariños, tus expresiones de amor. Nos queda la satisfacción que tuvimos el privilegio y la dicha de tenerte con nosotros este tiempo.

Aunque nos duela la despedida, sabemos que vas al descanso eterno. Sabemos que vas directito al cielo a estar con tus tres adorados hijos y en el seno del Señor.

Finalmente te queremos decir que no te preocupes por tu adorado marido, mi papá. Hemos aprendido lo suficiente de vos y de él que te prometemos que vamos a estar cerca de mi papá y lo vamos a cuidar con el mismo amor y cariño que vos y él nos han dado a nosotros.

Él como vos, también ha sembrado mucho. Y él, como vos, también va a cosechar mucho.

Adiós mamá.....hasta pronto.

presidentes de empresas.

Presidente del COSEP 1983-1987 donde llegó a ser el líder de la oposición cívica contra el Gobierno Sandinista de los años 1980, por lo que en junio de 1985 el gobierno sandinista confiscó todos los bienes del Grupo Bolaños-Saimsa, del cual él era Presidente. Esta acción castigaba injustamente también a sus hermanos Alejandro y Nicolás, dueños cada uno de la tercera parte de las empresas de ese grupo. En 1997 llegó a ser Vicepresidente de la República en el Gobierno del doctor Arnoldo Alemán y renunció un año antes del fin del período para poder lanzar su candidatura a la Presidencia. En noviembre 2001 ganó la Presidencia de la República, junto con el Dr. José Rizo como su Vicepresidente, para el período 2002-2007, De los 17 departamentos de Nicaragua, la fórmula Bolaños-Rizo ganó en 14 y Daniel Ortega solamente en 3. Ortega ganó en Estelí (por 2 puntos), Chinandega (por 3 puntos) y León (por 4 puntos). En tanto, Bolaños arrasó en el sur y oriente ganando Masaya por 16 puntos, Carazo por 7, Granada por 18 puntos y Rivas por 15 puntos. Arrasó también en el norte ganando Matagalpa por 20 puntos, Jinotega por 23, Nueva Segovia por 8 y Madriz por 5 puntos. Arrasó en el centro y en la costa caribeña del país ganando Chontales por 41 puntos, Boaco por 42, la RAAN por 11, la RAAS por 54 y Río San Juan por 28 puntos. Bolaños también ganó en la capital, Managua, por 9 puntos.

En su presidencia combatió la corrupción, cosa que pisa callos y causa reacciones por lo que sufrió la dura oposición de su propio partido (el PLC) junto con la del FSLN, que mediante un pacto político amarrado a comienzos del año 2000, se repartieron la gran mayoría en todos los otros poderes del Estado. Sin embargo, el país avanzó en lo económico y en lo moral, dejando un país mucho mejor que el que recibió 5 años antes. La Asamblea boicoteó su programas de gobierno que le hubieran permitido hacer mucho más, y dejó "la mesa servida", a como él la definía, con 1851 millones de dólares en caja y en proyectos financiados por las organizaciones financieras internacionales.

Para prueba.

ADIOS A DOÑA LILA TE
Parroquia La Asunción
Masaya 19 de Julio 2008

Querido Papá:

Sé que te hubiera gustado ser vos el que le diga las últimas palabras de despedida a mi mamá, igual a como lo hiciste con Jorge y Javier. Pero sé que el dolor que estás sintiendo es tan grande, que me has concedido a mí el privilegio de decir estas últimas palabras.

Querida Mamá:

Me parece mentira que hoy estamos en esta tu parroquia despidiéndote de este mundo a tu viaje final en manos del Señor. Esta tu parroquia, en donde te bautizaste, en donde recibiste tu Primera Comunión, en donde te casaste con mi papá, en donde bautizaste a varios de tus hijos, en donde despediste a tu papá, a tu mamá, a tus tres hijos que se fueron al Señor antes que vos y que estoy seguro que hoy están felices teniéndote a vos con ellos.

Fuiste una joven alegre, chivirisca, activa, deportista, llena de vida y de energía. Recuerdo el cuento que tantas veces hemos comentado: en aquel abril, Domingo de Ramos, había muerto tu tío-abuelo Benjamín y vos, de doce años de edad, venías caminando aquí en este parque, brava porque te habían obligado a vestirte de luto por la muerte de un tío-abuelo que casi ni conocías. Pasaste y con tus palabras, tu caminata, tu belleza, cautivaste a un joven que estaba en el parque. A partir de esa fecha ese joven quedó flechado por vos y varios años después en 1949 ustedes dos, vos y mi papá, se casaron en esta misma Iglesia.

Generation 7 (con't)

Así comenzó tu vida con mi papá. Estuvieron casados mas de 58 años. Fue un matrimonio ejemplar basado en el amor, un matrimonio de cariño, de dialogo, de respeto y de entrega. Fue un matrimonio que giraba en la fe cristiana y que giraba en el amor y la devoción hacia Dios. Ustedes han estado juntos en las buenas y en las malas. Y las malas las han sabido manejar mejor porque se han tenido el uno para el otro. Y en estos últimos días lo han demostrado más que nunca. Fue impresionante ver la dedicación y la dulzura constante entre ustedes. Vuestro amor es tan verdadero que no existe el egoísmo. Tanto así que mi papá siempre le pidió al Señor que te llevara primero, para evitarte el dolor que hoy mismo él está sufriendo por tu pérdida. Ese es el verdadero Sacramento del Matrimonio. Ustedes lo vivieron. Ustedes han demostrado que la familia es la mejor institución para construir una sociedad con rostro humano. La familia es el último baluarte ante el reto de la historia.

MASAYA:

En el transcurso de toda tu vida, un común denominador fue que siempre quisiste a este tu Masaya y a tu Nicaragua y le diste todo lo que tenías que dar. Siempre tuviste el don especial de la compasión. A manera de ejemplo recuerdo la época en que ayudaste con kermesses y actividades para reconstruir la casa cural de esta tu parroquia. Ayudaste en la reconstrucción de esta iglesia parroquial, conseguiste que España donara los fondos y mandara a los arquitectos... y se reconstruyó esta iglesia. También le ayudaste a la iglesia de El Calvario y últimamente al asilo donde fue el Hospital San Antonio. Recuerdo cuando te levantabas a las 4 am con tu vestido "de oro" y tus energía incansable para elaborar tus famosos nacatamales (esos nacatamales tan buenos, que tanto nos gustaban y que nos hacías cada vez que veníamos a visitarte). Todos los domingos los vendías con mucho éxito, para ayudarle a San Pedro Claver cuando estaban construyendo la escuela.

En estos dos días conversando con el Arzobispo Brenes nos comentaba que él consideraba que eras como madre para muchos de los sacerdotes de esta tu parroquia. El me dijo que ahora ya íbamos a tener una aliada más en el cielo. El padre Walter cariñosamente te decía "Santa Señora".

PRIMERA DAMA

Cuando mi papá gana las elecciones y asume la Presidencia de la República, es claro que vos viste esta Presidencia como una gran oportunidad para ayudar a los necesitados aún más. Los títulos, el poder, la pompa, para vos no eran nada. Es más, decías "me repugna todo eso". Sin embargo, aprovechaste esa oportunidad para hacer el bien: ayudarle al prójimo, a los más necesitados. Vos siempre fuiste una persona sencilla, íntegra, sincera, franca. Eras auténtica: auténtica Masaya, auténtica nicaragüense. Acompañaste a mi papá en su papel de Presidente y siempre llevaste el papel de "primera dama" con dignidad y sencillez.

Junto con tu hijo Jorge, se desarrolló el programa de Libra por Libra. Y se veía tu felicidad cuando el campesino recibía la semilla mejorada y aumentaba su producción y mejoraba su nivel de vida. También se veía tu felicidad cuando al final de la cosecha el mismo campesino te pagaba la semilla que le habías dado para con eso poder ayudarle a más campesinos. En tu oficina se desarrolló una gran ayuda a los más necesitados. Hay miles de personas que se beneficiaron y fueron ayudadas por tu labor incansable de ayudar al más necesitado.

Me cuentan que un día al salir de una visita a un hospital de Managua viste a una pobre gente que bajo lluvia se estaban mojando debajo de un árbol. Averiguaste que eran una familia que venían de fuera de Managua con un enfermo que estaban siendo atendido en el hospital y que no tenían ni dónde quedarse. Te conmoviste tanto por esa pobre gente que de ahí te nació la idea de construir los albergues en los hospitales. Siempre fuiste una mujer con un gran sentido de compasión. Siempre preocupada por el prójimo.

Cuando viniste ya enferma de Miami, Lourdes organizó un almuerzo con tus amigas de toda la vida con quienes almorzabas todos los miércoles. A la hora que se decide hacer el almuerzo, le dijiste a Lourdes: "no te olvides de hacer suficiente comida para que coman los escoltas y choferes". Al llegar el día del almuerzo nuevamente preguntaste: ¿hicieron suficiente para los escoltas? Vos siempre pensando en el prójimo. Adoptabas a la gente. ¡Le has ayudado a tanta gente! Fuiste una persona de grandes virtudes que definitivamente usaste los dones que te dio el Señor. La semilla que Dios te dio, la semilla de la compasión la sembraste y creció al máximo.

SUFRIMIENTO

Si yo hoy como hijo siento un tremendo dolor en perderte a vos, mi madre, ya me imagino tu gran dolor al haber sufrido la muerte de tres hijos. Albertito de 16 años de edad, y Javier y Jorge hace poco, uno tras otro. La vida te dio mucho pero también te exigió mucho. Lo bueno tuyo es que siempre supiste llevar tu sufrimiento con resignación y aceptación. Siempre dijiste que se haga la voluntad del Señor. Siempre fuiste una gran dama, con un gran sentido de aceptación, con un gran sentido de darte al prójimo, con un gran sentido cristiano.

FAMILIA

Cuando me casé con Lourdes la recibiste con los brazos abiertos. Jamás he visto una relación tan especial entre una suegra y su nuera como la de ustedes. Le diste amor. La apoyaste en todo. Quisiste a nuestros hijos como si fueran tuyos. Con tus hechos, con tus actuaciones, con tus ejemplos nos enseñaste mucho. Mis hijos que vivieron en el exterior dicen que tuvieron el privilegio de haber vivido unos años aquí en tu casa. Tienen un cariño, un respeto, una admiración hacia vos. Aprendieron tanto de vos. Aprendieron humildad, aprendieron respeto, aprendieron honestidad, integridad, recibieron todo tu amor junto con la guía y ayuda de los valores morales básicos y necesarios para ser buenos ciudadanos, y buenos cristianos.

En nuestra familia todos sabemos cuánto le has ayudado a tu gente, a tíos, a sobrinos, a hermanos, a los necesitados, a tus hijos.

Has sido el pilar de apoyo para mi papa. Siempre dicen que detrás de un gran hombre hay una gran mujer. Vos has sido una gran mujer en todo el sentido de la palabra.

GRACIAS

Esta enfermedad tuya comenzó hace 7 semanas. En este tiempo, hemos recibido muchas visitas y llamadas de amigos -amigos que te quieren- a los cuales hoy les queremos dar las gracias por sus muestras de cariño y apoyo.

En especial le queremos agradecer a los médicos que te atendieron, sobre todo al Dr. Montenegro; a las enfermeras y resto del personal del hospital que te atendieron; y a tu gran amiga Dña Jenny Harding, quien estuvo al lado tuyo todo este tiempo.

El que siembra cosecha. Y vos siempre tuviste una gran siembra.

También queremos darle gracias al Obispo Hombach, al Padre César de esta Parroquia y a todos los celebrantes de esta misa. A Don Ramón y la Camarata Bach, que con todo su cariño ofrecieron tocar en esta misa.

ADIOS

Mamá, hoy te despedimos. Lloramos tu despedida porque nos vas a hacer una gran falta. Los próximos días, semanas, meses van a ser muy duros para nosotros porque dejas un gran vacío: un vacío imposible de llenar. Nos quedan tus recuerdos, tus sonrisas, tus cariños, tus expresiones de amor. Nos queda la satisfacción que tuvimos el privilegio y la dicha de tenerte con nosotros este tiempo.

Aunque nos duela la despedida, sabemos que vas al descanso eterno. Sabemos que vas directito al cielo a estar con tus tres adorados hijos y en el seno del Señor.

Finalmente te queremos decir que no te preocupes por tu adorado marido, mi papá. Hemos aprendido lo suficiente de vos y de él que te prometemos que vamos a estar cerca de mi papá y lo vamos a cuidar con el mismo amor y cariño que vos y él nos han dado a nosotros.

Él como vos, también ha sembrado mucho. Y él, como vos, también va a cosechar mucho.

Adiós mamá.....hasta pronto.

Notes for Enrique José Gregorio Bolaños Geyer:

Ingeniero Industrial en Saint Louis University, Saint Louis, Missouri, USA. Atendió el Programa de Alta Gerencia del Instituto Centroamericano de Administración de Empresas (INCAE) para directivos y presidentes de empresas.

Presidente del COSEP 1983-1987 donde llegó a ser el líder de la oposición cívica contra el Gobierno Sandinista de los años 1980, por lo que en junio de 1985 el gobierno sandinista confiscó todos los bienes del Grupo Bolaños-Saimsa, del cual él era Presidente. Esta acción castigaba injustamente también a sus hermanos Alejandro y Nicolás, dueños cada uno de la tercera parte de las empresas de ese grupo. En 1997 llegó a ser Vicepresidente de la República en el Gobierno del doctor Arnoldo Alemán y renunció un año antes del fin del período para poder lanzar su candidatura a la Presidencia. En noviembre 2001 ganó la Presidencia de la República, junto con el Dr. José Rizo como su Vicepresidente, para el período 2002-2007, De los 17 departamentos de Nicaragua, la fórmula Bolaños-Rizo ganó en 14 y Daniel Ortega solamente en 3. Ortega ganó en Estelí (por 2 puntos), Chinandega (por 3 puntos) y León (por 4 puntos). En tanto, Bolaños arrasó en el sur y oriente ganando Masaya por 16 puntos, Carazo por 7, Granada por 18 puntos y Rivas por 15 puntos. Arrasó también en el norte ganando Matagalpa por 20 puntos, Jinotega por 23, Nueva Segovia por 8 y Madriz por 5 puntos. Arrasó en el centro y en la costa caribeña del país ganando Chontales por 41 puntos, Boaco por 42, la RAAN por 11, la RAAS por 54 y Río San Juan por 28 puntos. Bolaños también ganó en la capital, Managua, por 9 puntos.

En su presidencia combatió la corrupción, cosa que pisa callos y causa reacciones por lo que sufrió la dura oposición de su propio partido (el PLC) junto con la del FSLN, que mediante un pacto político amarrado a comienzos del año 2000, se repartieron la gran mayoría en todos los otros poderes del Estado. Sin embargo, el país avanzó en lo económico y en lo moral, dejando un país mucho mejor que el que recibió 5 años antes. La Asamblea boicoteó su programas de gobierno que le hubieran permitido hacer mucho más, y dejó "la mesa servida", a como él la definía, con 1851 millones de dólares en caja y en proyectos financiados por las organizaciones financieras internacionales.

Para prueba.

Ante su muerte:

Palabras de Enrique Bolaños Geyer ante el féretro de su hermano Alejandro
Iglesia Nuestra Señora de la Asunción - Masaya 27 de mayo 2005

Alejandro: Fuimos cuatro, siempre cuatro y sólo cuatro hermanos. Fuiste el mayor y el primero en asimilar los valores de familia que nuestros papás y antepasados nos inculcaron con sus enseñanzas y, más que todo, con el poder moral del silencioso ejemplo.

Hasta ayer fuimos cuatro, siempre cuatro y sólo cuatro hermanos, casados cada uno con su esposa de por vida, por más de 50 años, cada uno.

Fuiste el mejor bachiller de tu graduación (Príncipe Perpetuo, se llamaba entonces) en el Colegio Centro América de Granada. Estudiaste medicina en Estados Unidos y te graduaste en tiempo récord, entre los mejores estudiantes.

Estando en la Universidad en Saint Louis Missouri, te levantabas a las cuatro de la mañana, bajo nieve o calor, para ganarte diez dólares mensuales barriendo la Iglesia para costear con ese dinero el envío de un paquete "Care" a la tía Anita Geyer e hijas (Irma y Anita), conteniendo alimentos y productos esenciales para paliar el hambre y las urgentes necesidades en el comienzo de la post-guerra en Alemania. Esta compasión era la principal característica que te distinguía.

Te especializaste en Medicina Interna y llegaste a establecer liderazgo indiscutible en ese campo. Fuiste un investigador acucioso, perseverante para dar con certeza el diagnóstico de cada caso. Para vos sólo había la ciencia aplicada con integridad y compasión.

A veinte años de tu exitosa práctica médica, te picó la tradición de antepasados: la Historia. Poco a poco te fuiste apartando de la investigación en la medicina, para aplicar la misma técnica metódica en la investigación de hechos históricos de nuestra Nicaragua. Fue el tío Andrés Vega Bolaños quien en tu primer libro Clinton Rollins (1976) te escribió en el prólogo que presentabas un estudio útil y curioso sobre la falta de autenticidad histórica de unas crónicas escritas en inglés por el supuesto filibustero Clinton Rollins. Hasta ese momento, la historia de Nicaragua recogía estas crónicas como la piedra angular de la Guerra Nacional. Sorprendiste a Nicaragua al desvirtuar con rapidez y precisión ese craso error y por primera vez en nuestra historia conocimos la verdad, --la pura verdad-- de ese importantísimo capítulo de nuestra vida nacional. Y todo lo hiciste con apasionado y apasionante sacrificio y consagración a la verdad.

Escribía también el tío Andrés Vega Bolaños --consagrado historiador-- que "En Nicaragua abundan los historiadores; (pero) por desgracia no abunda la verdad". Aprendiste de él, en tradición familiar, que el respeto a la verdad es un deber tan imperativo en la Historia como en las ciencias de la naturaleza.

Fuiste un apóstol misionero de la verdad histórica basada en las evidencias primarias que buscabas y encontrabas con la tenacidad de un sabueso. Fuiste ratón de biblioteca, de muchas bibliotecas del mundo, y

tu labor ha sido reconocida y elogiada en el exterior así como en Nicaragua. Tu humildad rechazó siempre las condecoraciones y suntuosos reconocimientos que merecidamente se te quiso otorgar. Te bastó tu propia satisfacción intelectual y aporte desinteresado de la verdad a la sociedad.

Alejandro: Hay tanto que decir de tu consagrada labor como médico y como historiador. Pero más importante para nosotros es tu aporte como hermano mayor, como esposo fiel y padre amoroso y responsable. Para mí, desde la adolescencia fuiste mi guía y consejero todavía hasta ayer. Lloramos tu partida. La nobleza de tu alma, tu fe cristiana inculcada y practicada desde niño, tu fe en la Santísima Virgen, en Nuestro Señor Jesucristo y el vínculo con nuestra Santa Madre Iglesia nos consuela, porque ahora podés repetirnos a nosotros lo que nos decía San Agustín:

"Créeme, cuando llegue el día que Dios ha fijado
y tu alma llegue a este cielo,
al que te ha precedido la mía,
encontrarás a aquél que siempre te ama
y hallarás su corazón con toda la ternura,
purificado, transfigurado, feliz
no esperando la muerte
sino avanzando contigo
por los senderos de la luz".

Alejandro: Que Dios guarde tu alma en Su Seno y, hasta pronto.

Palabras de Alejandro Bolaños Davis en la Iglesia de Nuestra Señora de la Asunción - Masaya, el día del funeral de su padre: Dr. Alejandro Bolaños Geyer.

Aunque este testimonio lo hago yo ahora, estoy seguro que mi mamá (Pipicha) y todos mis hermanos (Michael, Amanda, Patrick, Bobby, Ricardo y Carla Patricia) estarán de acuerdo conmigo.

Querido Papá:

Fuiste mi maestro de principios que como faros guían el camino de mi vida.
Me enseñaste unidad familiar. Siempre hiciste con Mamá una pareja sólida, llena de fortaleza, donde siempre encontré refugio. Ustedes fueron mi hogar seguro. Los visualizo siempre juntos...
Te aprendí la virtud de la entrega al trabajo. Siempre dedicado, abnegado, siempre haciendo cosas, descubriendo, escribiendo, enseñando, luchando por tus creencias y convicciones.
Me enseñaste humildad. No deseaste reconocimientos ni alabanzas por tus logros. Nunca esperaste nada a cambio por todo lo que contribuiste como médico y luego como historiador.
De vos aprendí el sentido de patria y civismo, que es servir a los demás y a cambiar lo que no es bueno para la patria, cívicamente, utilizando el diálogo.

Descubrí por tu ejemplo a ser perseverante y tenaz. Cuando otro quizá se hubiera rendido en la lucha por Nicaragua en la década del 80, vos te recorriste los EE.UU denunciando el engaño del régimen dictatorial sandinista. Convertiste tu casa en un refugio de la democracia. "LaVoz de Nicaragua" que reclamaba su libertad tuvo eco en St Louis Missouri. Fuiste un luchador tenaz hasta el último momento.
Me enseñaste entrega. Nunca me dijiste no a lo que te pedí. Siempre me ayudaste. Siempre quisiste lo mejor para mí y mis hermanos. Siempre estuviste presente. Siempre te encontré cuando te necesitaba. Nunca me fallaste.

Me diste amor. Fuiste un compañero solidario conmigo. Me acompañaste en mi sobriedad desde el mismo día 24 de octubre de 1992. Desde entonces no bebemos un solo trago, yo porque no puedo ni debo, y vos porque así lo dispusiste sólo para acompañarme en mi camino.
Sos mi héroe..., siempre te tengo de referencia o modelo de cómo debe uno ser y proceder. Seguiré siempre tus enseñanzas. Te honraré y te tendré de referencia como guía de una vida moral. Cuando me encuentre frente a una decisión difícil me preguntaré: ¿Qué haría mi Papá?...
Te confieso que siempre te quise más cuando yo también más me quería. Cuando andaba mal me alejaba.

Y ahora vos te vas..., con Papá Nicolás, abuela Amanda, tío domingo, las tías Magdalena, Mercedes y Anita... Y tus nietos Maiquito, Guillermo, Martín...

Me siento tranquilo con tu partida. Le doy gracias a Dios que tuve tiempo para comulgar con vos y de juntar tu espíritu con el mío. Logramos conversar, entendernos y aceptarnos tal y como somos, sin tratar de cambiarnos.

Mamá se queda con nosotros. Despreocúpate. La cuidaremos mejor que nunca.

Gracias por la vida. Por habérmela dado con Mamá y por compartir la tuya conmigo.

Con todo mi amor.

Alex

Palabras del Dr- Francisco Lacayo Maison ante Féretro del Dr. ABG en Inglesia de Nuestra Señora de la Asunción - Masaya, 27 de mayo 2005.

Alejandro: No puedes irte sin el saludo de un amigo.

Hoy quiero despedirme diciéndote que me siento privilegiado por haber compartido con voz las aulas de secundaria, en donde tuve la oportunidad de conocerte como persona, como compañero, y como amigo, y más importante aún, como al gran ciudadano en que sabía te ibas a convertir por tus grandes dotes morales y por tu gran talento.

Recuerdo que cuando te fuiste a Estados Unidos a estudiar Medicina a la Universidad de San Luis Misuri, fui a despedirte al Aeropuerto y tomaste el avión de Pan American. Pasaron varios años y al regresar, nos encontramos nuevamente, vos como un gran médico especialista en medicina interna y yo también habiendo estudiado en las Universidades de esta nuestra Patria me había convertido en Médico y dedicado a la Pediatría.

Fuiste el primer médico que tomó un Electro Cardiograma aquí en Masaya, pero ya tu ciudad era pequeña para la afluencia de pacientes que venían de todas partes de Nicaragua a consultarte, eras un maestro en la medicina. Te trasladaste a Managua y fundaste la Policlínica Nicaragüense con otros distinguidos colegas y especialistas, unos ya se han ido, hoy te has ido vos, y otros todavía están entre nosotros.

Vino el terremoto del 72 y destruyó la Policlínica Nicaragüense que estaba situada allá por el barrio San Antonio de la vieja Managua. Pero Dios escribe siempre recto en renglones torcidos y esto te sirvió de motivación, para dedicarte, además de la medicina, a tu otra gran inquietud, pasión y vocación: "la literaria" y llegaste a ser el gran Historiador en que te convertiste y por lo que seguramente te recordarán los estudiosos de las generaciones futuras. De tal manera que el que quiera conocer de la Historia de William Walker, podrá consultar la Enciclopedia que has dejado de ese personaje histórico.

También has dejado un gran legado sobre el Río San Juan que clarifica la posición y derecho de Nicaragua ante la historia, y sobre la historia política reciente de Nicaragua.

Alejandro: Esta tierra que te vio nacer, y que hoy te recibe en suseno, ha dado y continúa dando grandes hombres. Hombres que han destacado por su talento y su valor y por su legado a las generaciones futuras que es ejemplo y estímulo para el resto de nicaragüenses. Hombres que han tenido la buena voluntad y el coraje de lanzarse a la aventura de intentar construir una mejor Nicaragua para todos, como tu hermano y también mi amigo Enrique Bolaños.

En tu persona quiero expresar mi gratitud y reconocimiento a todos esos grandes hombres de Nicaragua de ayer y de hoy, entre los cuales sin lugar a dudas te encuentras tú. Y para los que creemos en la Eternidad, y para quienes esta vida no es más que un tránsito, una historia temporal, puedo decirte como decía Don Bosco, nos vemos en el Paraíso.

Palabras del nieto Juan Carlos Bolaños González ante Féretero de ABGen el Cementerio de Masaya..
Hola;

Soy Juan Carlos Bolaños, en la misa habló un amigo, un hijo y un hermano, pero no habló un nieto, y yo no lo puedo dejar ir sin decir algo. Para mí, mi abuelo no era un doctor, él era mi Lolito. Perdón lo que no entienden el inglés porque lo que quiero decir va ser en inglés.

Lolito was a sideways walk, a head full of white hair, peppermint candies, a cup of coffee on the warmer by

his computer; he was the smell of books.

He was my one and only grandfather. Everything that a grandfather is to me is here and here and forever will be here. And so, to finish it up, I am going to leave and I am going to say goodbye the way I always said goodbye: I'll say, see you later alligator, and he'll smile and respond, after a while crocodile.

I love you Lolito, and after a while crocodile, gracias. Juan Carlos

LOS PREDESTINADOS

Al Dr. Alejandro Bolaños Geyer

Si mi lira todavía no es fina
Si mi canto todavía es menor
¡Qué importa si hoy quiero cantarte
aunque luego te cante en mayor!
Yo podría ahora cantarte
mis angustias, mis ansias en flor,
a cantar a tu imagen de grande,
visionario y sabio Señor.
Mas, escojo una misma inquietud
de mi tarde y tu tarde del alma:
Mi Darío de mi Nicaragua
Y tu Walker del siglo anterior.
¡Para mí, Darío es maestro,
Para Walker, vos sos su doctor!

Notes for Enrique José Gregorio Bolaños Geyer:

Ingeniero Industrial en Saint Louis University, Saint Louis, Missouri, USA. Atendió el Programa de Alta Gerencia del Instituto Centroamericano de Administración de Empresas (INCAE) para directivos y presidentes de empresas.

Presidente del COSEP 1983-1987 donde llegó a ser el líder de la oposición cívica contra el Gobierno Sandinista de los años 1980, por lo que en junio de 1985 el gobierno sandinista confiscó todos los bienes del Grupo Bolaños-Saimsa, del cual él era Presidente. Esta acción castigaba injustamente también a sus hermanos Alejandro y Nicolás, dueños cada uno de la tercera parte de las empresas de ese grupo. En 1997 llegó a ser Vicepresidente de la República en el Gobierno del doctor Arnoldo Alemán y renunció un año antes del fin del período para poder lanzar su candidatura a la Presidencia. En noviembre 2001 ganó la Presidencia de la República, junto con el Dr. José Rizo como su Vicepresidente, para el período 2002-2007, De los 17 departamentos de Nicaragua, la fórmula Bolaños-Rizo ganó en 14 y Daniel Ortega solamente en 3. Ortega ganó en Estelí (por 2 puntos), Chinandega (por 3 puntos) y León (por 4 puntos). En tanto, Bolaños arrasó en el sur y oriente ganando Masaya por 16 puntos, Carazo por 7, Granada por 18 puntos y Rivas por 15 puntos. Arrasó también en el norte ganando Matagalpa por 20 puntos, Jinotega por 23, Nueva Segovia por 8 y Madriz por 5 puntos. Arrasó en el centro y en la costa caribeña del país ganando Chontales por 41 puntos, Boaco por 42, la RAAN por 11, la RAAS por 54 y Río San Juan por 28 puntos. Bolaños también ganó en la capital, Managua, por 9 puntos.

En su presidencia combatió la corrupción, cosa que pisa callos y causa reacciones por lo que sufrió la dura oposición de su propio partido (el PLC) junto con la del FSLN, que mediante un pacto político amarrado a comienzos del año 2000, se repartieron la gran mayoría en todos los otros poderes del Estado. Sin embargo, el país avanzó en lo económico y en lo moral, dejando un país mucho mejor que el que recibió 5 años antes. La Asamblea boicoteó su programas de gobierno que le hubieran permitido hacer mucho más, y dejó "la mesa servida", a como él la definía, con 1851 millones de dólares en caja y en proyectos financiados por las organizaciones financieras internacionales.

Para prueba.

ADIOS A DOÑA LILA TE
Parroquia La Asunción
Masaya 19 de Julio 2008

Querido Papá:

Sé que te hubiera gustado ser vos el que le diga las últimas palabras de despedida a mi mamá, igual a como lo hiciste con Jorge y Javier. Pero sé que el dolor que estás sintiendo es tan grande, que me has concedido a mí el privilegio de decir estas últimas palabras.

Querida Mamá:

Me parece mentira que hoy estamos en esta tu parroquia despidiéndote de este mundo a tu viaje final en manos del Señor. Esta tu parroquia, en donde te bautizaste, en donde recibiste tu Primera Comunión, en

Generation 7 (con't)

donde te casaste con mi papá, en donde bautizaste a varios de tus hijos, en donde despediste a tu papá, a tu mamá, a tus tres hijos que se fueron al Señor antes que vos y que estoy seguro que hoy están felices teniéndote a vos con ellos.

Fuiste una joven alegre, chivirisca, activa, deportista, llena de vida y de energía. Recuerdo el cuento que tantas veces hemos comentado: en aquel abril, Domingo de Ramos, había muerto tu tío-abuelo Benjamín y vos, de doce años de edad, venías caminando aquí en este parque, brava porque te habían obligado a vestirte de luto por la muerte de un tío-abuelo que casi ni conocías. Pasaste y con tus palabras, tu caminata, tu belleza, cautivaste a un joven que estaba en el parque. A partir de esa fecha ese joven quedó flechado por vos y varios años después en 1949 ustedes dos, vos y mi papá, se casaron en esta misma Iglesia.

Así comenzó tu vida con mi papá. Estuvieron casados mas de 58 años. Fue un matrimonio ejemplar basado en el amor, un matrimonio de cariño, de dialogo, de respeto y de entrega. Fue un matrimonio que giraba en la fe cristiana y que giraba en el amor y la devoción hacia Dios. Ustedes han estado juntos en las buenas y en las malas. Y las malas las han sabido manejar mejor porque se han tenido el uno para el otro. Y en estos últimos días lo han demostrado más que nunca. Fue impresionante ver la dedicación y la dulzura constante entre ustedes. Vuestro amor es tan verdadero que no existe el egoísmo. Tanto así que mi papá siempre le pidió al Señor que te llevara primero, para evitarte el dolor que hoy mismo él está sufriendo por tu pérdida. Ese es el verdadero Sacramento del Matrimonio. Ustedes lo vivieron. Ustedes han demostrado que la familia es la mejor institución para construir una sociedad con rostro humano. La familia es el último baluarte ante el reto de la historia.

MASAYA:

En el transcurso de toda tu vida, un común denominador fue que siempre quisiste a este tu Masaya y a tu Nicaragua y le diste todo lo que tenías que dar. Siempre tuviste el don especial de la compasión. A manera de ejemplo recuerdo la época en que ayudaste con kermesses y actividades para reconstruir la casa cural de esta tu parroquia. Ayudaste en la reconstrucción de esta iglesia parroquial, conseguiste que España donara los fondos y mandara a los arquitectos... y se reconstruyó esta iglesia. También le ayudaste a la iglesia de El Calvario y últimamente al asilo donde fue el Hospital San Antonio. Recuerdo cuando te levantabas a las 4 am con tu vestido "de oro" y tus energía incansable para elaborar tus famosos nacatamales (esos nacatamales tan buenos, que tanto nos gustaban y que nos hacías cada vez que veníamos a visitarte). Todos los domingos los vendías con mucho éxito, para ayudarle a San Pedro Claver cuando estaban construyendo la escuela.

En estos dos días conversando con el Arzobispo Brenes nos comentaba que él consideraba que eras como madre para muchos de los sacerdotes de esta tu parroquia. El me dijo que ahora ya íbamos a tener una aliada más en el cielo. El padre Walter cariñosamente te decía "Santa Señora".

PRIMERA DAMA

Cuando mi papá gana las elecciones y asume la Presidencia de la República, es claro que vos viste esta Presidencia como una gran oportunidad para ayudar a los necesitados aún más. Los títulos, el poder, la pompa, para vos no eran nada. Es más, decías "me repugna todo eso". Sin embargo, aprovechaste esa oportunidad para hacer el bien: ayudarle al prójimo, a los más necesitados. Vos siempre fuiste una persona sencilla, íntegra, sincera, franca. Eras auténtica: auténtica Masaya, auténtica nicaragüense. Acompañaste a mi papá en su papel de Presidente y siempre llevaste el papel de "primera dama" con dignidad y sencillez.

Junto con tu hijo Jorge, se desarrolló el programa de Libra por Libra. Y se veía tu felicidad cuando el campesino recibía la semilla mejorada y aumentaba su producción y mejoraba su nivel de vida. También se veía tu felicidad cuando al final de la cosecha el mismo campesino te pagaba la semilla que le habías dado para con eso poder ayudarle a más campesinos. En tu oficina se desarrolló una gran ayuda a los más necesitados. Hay miles de personas que se beneficiaron y fueron ayudadas por tu labor incansable de ayudar al más necesitado.

Me cuentan que un día al salir de una visita a un hospital de Managua viste a una pobre gente que bajo lluvia se estaban mojando debajo de un árbol. Averiguaste que eran una familia que venían de fuera de

Managua con un enfermo que estaban siendo atendido en el hospital y que no tenían ni dónde quedarse. Te conmoviste tanto por esa pobre gente que de ahí te nació la idea de construir los albergues en los hospitales. Siempre fuiste una mujer con un gran sentido de compasión. Siempre preocupada por el prójimo.

Cuando viniste ya enferma de Miami, Lourdes organizó un almuerzo con tus amigas de toda la vida con quienes almorzabas todos los miércoles. A la hora que se decide hacer el almuerzo, le dijiste a Lourdes: "no te olvides de hacer suficiente comida para que coman los escoltas y choferes". Al llegar el día del almuerzo nuevamente preguntaste: ¿hicieron suficiente para los escoltas? Vos siempre pensando en el prójimo. Adoptabas a la gente. ¡Le has ayudado a tanta gente! Fuiste una persona de grandes virtudes que definitivamente usaste los dones que te dio el Señor. La semilla que Dios te dio, la semilla de la compasión la sembraste y creció al máximo.

SUFRIMIENTO

Si yo hoy como hijo siento un tremendo dolor en perderte a vos, mi madre, ya me imagino tu gran dolor al haber sufrido la muerte de tres hijos. Albertito de 16 años de edad, y Javier y Jorge hace poco, uno tras otro. La vida te dio mucho pero también te exigió mucho. Lo bueno tuyo es que siempre supiste llevar tu sufrimiento con resignación y aceptación. Siempre dijiste que se haga la voluntad del Señor. Siempre fuiste una gran dama, con un gran sentido de aceptación, con un gran sentido de darte al prójimo, con un gran sentido cristiano.

FAMILIA

Cuando me casé con Lourdes la recibiste con los brazos abiertos. Jamás he visto una relación tan especial entre una suegra y su nuera como la de ustedes. Le diste amor. La apoyaste en todo. Quisiste a nuestros hijos como si fueran tuyos. Con tus hechos, con tus actuaciones, con tus ejemplos nos enseñaste mucho. Mis hijos que vivieron en el exterior dicen que tuvieron el privilegio de haber vivido unos años aquí en tu casa. Tienen un cariño, un respeto, una admiración hacia vos. Aprendieron tanto de vos. Aprendieron humildad, aprendieron respeto, aprendieron honestidad, integridad, recibieron todo tu amor junto con la guía y ayuda de los valores morales básicos y necesarios para ser buenos ciudadanos, y buenos cristianos.

En nuestra familia todos sabemos cuánto le has ayudado a tu gente, a tíos, a sobrinos, a hermanos, a los necesitados, a tus hijos.

Has sido el pilar de apoyo para mi papa. Siempre dicen que detrás de un gran hombre hay una gran mujer. Vos has sido una gran mujer en todo el sentido de la palabra.

GRACIAS

Esta enfermedad tuya comenzó hace 7 semanas. En este tiempo, hemos recibido muchas visitas y llamadas de amigos -amigos que te quieren- a los cuales hoy les queremos dar las gracias por sus muestras de cariño y apoyo.

En especial le queremos agradecer a los médicos que te atendieron, sobre todo al Dr. Montenegro; a las enfermeras y resto del personal del hospital que te atendieron; y a tu gran amiga Dña Jenny Harding, quien estuvo al lado tuyo todo este tiempo.

El que siembra cosecha. Y vos siempre tuviste una gran siembra.

También queremos darle gracias al Obispo Hombach, al Padre César de esta Parroquia y a todos los celebrantes de esta misa. A Don Ramón y la Camarata Bach, que con todo su cariño ofrecieron tocar en esta misa.

ADIOS

Mamá, hoy te despedimos. Lloramos tu despedida porque nos vas a hacer una gran falta. Los próximos días, semanas, meses van a ser muy duros para nosotros porque dejas un gran vacío: un vacío imposible de llenar. Nos quedan tus recuerdos, tus sonrisas, tus cariños, tus expresiones de amor. Nos queda la satisfacción que tuvimos el privilegio y la dicha de tenerte con nosotros este tiempo.

Aunque nos duela la despedida, sabemos que vas al descanso eterno. Sabemos que vas directito al cielo a

estar con tus tres adorados hijos y en el seno del Señor.

Finalmente te queremos decir que no te preocupes por tu adorado marido, mi papá. Hemos aprendido lo suficiente de vos y de él que te prometemos que vamos a estar cerca de mi papá y lo vamos a cuidar con el mismo amor y cariño que vos y él nos han dado a nosotros.

Él como vos, también ha sembrado mucho. Y él, como vos, también va a cosechar mucho.

Adiós mamá.....hasta pronto.

Escribe: Enrique Bolaños Geyer

La tal investigación periodística que publica la periodista Carmen Rojas, casi toda es pura fantasía. Ella pudo haber preguntado antes de publicar cosas que no se ajustan a la realidad. De todas formas, no tiene ninguna importancia, ¿qué importa que digan que fulano es pariente lejano de perencejo o que no lo es? Sin embargo, daré información veraz sólo por el compromiso con la verdad y la transparencia.

El apellido Cortez se escribe de ambas maneras: Cortez o Cortés. De mi abuelo y de mi padre y tío Domingo, lo he visto escrito de ambas maneras. Da igual.

Tengo más de 5,000 personas anotadas en mi árbol genealógico de dondetomo los siguientes datos para los que preguntan.

El Dr. Rosalío Cortés Sánchez, casó con Juana Flores Bolaños hija de Nicolás Bolaños Thomeu Santeliz y Juana Flores. Rosalío Cortés Sánchez y Juana Flores Bolaños tuvieron 12 hijos: Cándida Rosa, Juana Bautista, José Escolástico, José de la Rosa, Hernán, Juan, María José, Josefa Dolores, Casta, María de la Luz, Gertrudis y Concepción.

Cándida Rosa casó con el Dr. Alejandro Bolaños Cuadra y son los padres de mi papá, tío Domingo, tía Anita, tía Mgdalena, tía Mercedes y, por lo tanto mi abuela no es Concepción, como dice Carmen Rojas, sino Cándida Rosa.

Concepción casó con Gregorio Delgadillo y tuvieron 8 hijos: Roberto, Ramón, Alfonso, Ignacia, Gilberto, Elena, Sira y Rosalía, todas Delgadillo Cortés. Roberto era casado con mi tía Magdalena (Bolaños Cortés) y eran padres de Roberto y Anita Delgadillo Bolaños.

Casta se casó con Francisco Ortega Arancibia (el historiador) que no tiene nada que ver con los Ortega Saavedra. Estos Ortega Saavedra no aparecen en ninguna relación con Ortega Arancibia en mi árbol genealógico. Los padres de Francisco Ortega Arancibia eran Jacobo Ortega y Prugenia Arancibia.

Francisco Ortega Arancibia y Casta Cortés Bolaños tuvieron 4 hijos: Santiago, Emilia, María José y Abigail.

Santiago Ortega Cortés casó con Dolores del Carmen Garay, de donde vienen los Ortega Garay, quienes han juntado sus apellidos en uno solo: Orteggaray. Uno de estos descendientes es el ex-Magistrado de la CSJ, Dr. Arturo Cuadra Orteggaray.

Por otro lado, Pío José Domitilio Bolaños Thomé Santeliz, hermano de Nicolás Bolaños Thomé Santeliz, casó con Josefa Pastora Bendaña Marengo y tuvieron 7 hijos: María de la Luz, José Miguel, Pío José, Francisco, Dominga, José Antonio y Salvadora. Todos estos son Bolaños Bendaña. De estos, María de la Luz casó con Pedro Joaquín Chamorro Alfaro, Presidente de Nicaragua de 1875 a 1879, quienes tuvieron 6 hijos: Carmela, Filadelfo, Pedro José, Pedro Joaquín, Diego Manuel y Fruto (pero no el Fruto Chamorro, presidente de 1853-54).

De estos Chamorro Bolaños, Diego Manuel Chamorro Bolaños (hijo de Pedro Joaquín Chamorro Alfaro y María de la Luz Bolaños) fue Presidente de Nicaragua del 1 de enero de 1921 al 12 de octubre de 1923 cuando murió en la presidencia. Don Diego tuvo un hijo natural con una señora no conocida, pero reconocido como Abelino Chamorro. Además, don Diego Manuel Chamorro Bolaños, con doña Julia Lacayo Jerez, (creo que ya viuda de don Perfecto Leal) también tuvo una hija natural de nombre Amelia Lacayo.

Amelia Lacayo, hija natural pues, de Diego Manuel Chamorro Bolaños, mezcló su sangre con el sacerdote, párroco de El Crucero, Padre Antonio Villalta Bone, teniendo una hija llamada Antonieta Lacayo Villalta, quien casó con Arnoldo Alemán Sandoval, quienes son los padres de Arnoldo Alemán Lacayo y sus hermanos Antonio, Agustín, Amelia y Álvaro. De esta Bolaños (doña Luz Bolaños de Chamorro) viene el lejano parentesco de los Bolaños Geyer con Arnoldo Alemán Lacayo.

Con Ortega pues, no existe ningún parentesco. Pero con Arnoldo Alemán existe un parentesco lejano, así como con los Ortega-Garay, llamados también, Orteggaray.

SOBRE PARENTESCO BOLAÑOS-GEYER
CON ARNOLDO ALEMÁN Y DANIEL ORTEGA
Escribe: Enrique Bolaños Geyer

La tal investigación periodística que publica la periodista Carmen Rojas, casi toda es pura fantasía. Ella pudo haber preguntado antes de publicar cosas que no se ajustan a la realidad. De todas formas, no tiene ninguna importancia, ¿qué importa que digan que fulano es pariente lejano de perencejo o que no lo es? Sin embargo, daré información veraz sólo por el compromiso con la verdad y la transparencia.

El apellido Cortez se escribe de ambas maneras: Cortez o Cortés. De mi abuelo y de mi padre y tío Domingo, lo he visto escrito de ambas maneras. Da igual.

Tengo más de 5,000 personas anotadas en mi árbol genealógico de dondetomo los siguientes datos pára los que preguntan.

El Dr. Rosalío Cortés Sánchez, casó con Juana Flores Bolaños hija de Nicolás Bolaños Thomeu Santeliz y Juana Flores. Rosalío Cortés Sánchez y Juana Flores Bolaños tuvieron 12 hijos: Cándida Rosa, Juana Bautista, José Escolástico, José de la Rosa, Hernán, Juan, María José, Josefa Dolores, Casta, María de la Luz, Gertrudis y Concepción.

Cándida Rosa casó con el Dr. Alejandro Bolaños Cuadra y son los padres de mi papá, tío Domingo, tía Anita, tía Mgdalena, tía Mercedes y, por lo tanto mi abuela no es Concepción, como dice Carmen Rojas, sino Cándida Rosa.

Concepción casó con Gregorio Delgadillo y tuvieron 8 hijos: Roberto, Ramón, Alfonso, Ignacia, Gilberto, Elena, Sira y Rosalía, todas Delgadillo Cortés. Roberto era casado con mi tía Magdalena (Bolaños Cortés) y eran padres de Roberto y Anita Delgadillo Bolaños.

Casta se casó con Francisco Ortega Arancibia (el historiador) que no tiene nada que ver con los Ortega Saavedra. Estos Ortega Saavedra no aparecen en ninguna relación con Ortega Arancibia en mi árbol genealógico. Los padres de Francisco Ortega Arancibia eran Jacobo Ortega y Prugenia Arancibia.

Francisco Ortega Arancibia y Casta Cortés Bolaños tuvieron 4 hijos: Santiago, Emilia, María José y Abigail.

Santiago Ortega Cortés casó con Dolores del Carmen Garay, de donde vienen los Ortega Garay, quienes han juntado sus apellidos en uno solo: Ortegaray. Uno de estos descendientes es el ex-Magistrado de la CSJ, Dr. Arturo Cuadra Ortegaray.

Por otro lado, Pío José Domitilio Bolaños Thomé Santeliz, hermano de Nicolás Bolaños Thomé Santeliz, casó con Josefa Pastora Bendaña Marengo y tuvieron 7 hijos: María de la Luz, José Miguel, Pío José, Francisco, Dominga, José Antonio y Salvadora. Todos estos son Bolaños Bendaña. De estos, María de la Luz casó con Pedro Joaquín Chamorro Alfaro, Presidente de Nicaragua de 1875 a 1879, quienes tuvieron 6 hijos: Carmela, Filadelfo, Pedro José, Pedro Joaquín, Diego Manuel y Fruto (pero no el Fruto Chamorro, presidente de 1853-54).

De estos Chamorro Bolaños, Diego Manuel Chamorro Bolaños (hijo de Pedro Joaquín Chamorro Alfaro y

Descendientes de Benito José Abaúnza

Generation 8 (con't)

María de la Luz Bolaños) fue Presidente de Nicaragua del 1 de enero de 1921 al 12 de octubre de 1923 cuando murió en la presidencia. Don Diego tuvo un hijo natural con una señora no conocida, pero reconocido como Abelino Chamorro. Además, don Diego Manuel Chamorro Bolaños, con doña Julia Lacayo Jerez, (creo que ya viuda de don Perfecto Leal) también tuvo una hija natural de nombre Amelia Lacayo.

Amelia Lacayo, hija natural pues, de Diego Manuel Chamorro Bolaños, mezcló su sangre con el sacerdote, párroco de El Crucero, Padre Antonio Villalta Bone, teniendo una hija llamada Antonieta Lacayo Villalta, quien casó con Arnoldo Alemán Sandoval, quienes son los padres de Arnoldo Alemán Lacayo y sus hermanos Antonio, Agustín, Amelia y Álvaro. De esta Bolaños (doña Luz Bolaños de Chamorro) viene el lejano parentesco de los Bolaños Geyer con Arnoldo Alemán Lacayo.

Con Ortega pues, no existe ningún parentesco. Pero con Arnoldo Alemán existe un parentesco lejano, así como con los Ortega-Garay, llamados también, Ortegarey.

Arnoldo Alemán Lacayo and María Dolores Cardenal Vargas had the following children:

- i. ALEJANDRA⁹ ALEMÁN CARDENAL.

Notes for Jorge Alejandro Bolaños Abaúnza:

Iglesia Nuestra Señora de la Asunción - Masaya 2 de agosto 2005

Jorge, amado Jorge:

Ya estás ante la presencia del Señor, donde Él ha querido llamarte.

Dios quiso dotarte de un cociente de inteligencia muy especial. Siempre fuiste un alumno excepcional desde kindergarten hasta el doctorado. Fuiste un científico de extraordinario éxito y un orgullo para toda la familia.

Renunciaste a tu trabajo de científico en el Centro Internacional de Mejoramiento de Semillas de Maíz y Trigo, para venir a asesorarme en la campaña por la Presidencia de la República, porque vos, al igual que yo, creíste que teníamos que ayudarlo y servirle a nuestro pueblo.

Contribuiste grandemente a la victoria. Le diste gratis a Nicaragua valiosas semillas y el diseño del importante programa de "Libra por Libra", que está beneficiando ya a más de 100 mil familias campesinas y ayuda a Nicaragua a comenzar de nuevo la exportación de granos. Jamás cobraste ni te beneficiaste en nada del presupuesto de la nación.

Fuiste siempre veraz y sincero: Al pan, pan y al vino, vino. Tu mente concebía cosas que nosotros tardábamos mucho en visualizar. Me guiabas en la árdua tarea de gobernar y mucho del éxito obtenido fue concebido precisamente por vos, cosas que muchos nunca llegaron a comprender, porque jamás entendieron la práctica democrática existente en nuestra familia. Tus consejos me harán mucha falta y también a tu Nicaragua.

Pero lo más importante aún --y lo que más nos llena de orgullo-- siempre fue tu modestia y gran generosidad para con todos, especialmente para con los más necesitados y humildes. Entre ellos te movías más a gusto, cosa que heredaste de tu Lila T, tal como siempre le llamaste a tu mamá.

A mí me hará mucha falta el beso en la cabeza, lleno de amor, con el que siempre me saludabas.

Por tu mente científica y por tu gran generosidad, dispusiste que en caso de muerte, tus órganos fueran donados, para que otros pudieran tener una nueva oportunidad de vivir. Con esta generosidad póstuma, ya has salvado quién sabe cuántas vidas y has devuelto la vista a un par de personas, para alegría de todas sus familias y mayor Gloria de Dios. En tu misma muerte diste tu último acto de grandeza de corazón y heroísmo.

Tu hijita Valeria, tu Lila T, tus hermanos y yo estamos más que orgullosos de ese heroísmo y gran bondad que sabemos te será recompensado y premiado por la infinita Misericordia de Dios.

Nos dejás otro gran legado, a tu hijita Valeria --los ojos de tu cara-- que hereda tu misma inteligencia, talento

y bondad. La seguirás cuidando desde el cielo y nosotros aquí te la seguiremos amando, y ahora mucho más que nunca.

Es por tu legado, por tu Valeria y por el resto de mis hijos y nietos, que me hace ofrecerte que seguiré cumpliendo mi promesa -y la tuya- deseguir luchando duro para heredarle a todos los hijos y nietos de todos los nicaragüenses una mejor Nicaragua, como la que vos y yo soñábamos y planificábamos juntos.

Siempre nos dijiste que no te gustaban flores en los funerales; que sería noble más bien ofrecer donaciones a la Cruz Roja, a la que consideraste tu preferida ONG, porque de verdad servía al pueblo. Así planeamos tu funeral, a tu gusto.

La donación voluntaria a la Cruz Roja Nicaragüense será agradecida por la familia Bolaños-Abaúnza, en nombre de Jorge, tal como él lo pedía, de acuerdo a listas de donantes que nos proporcionará la Cruz Roja.

Señor: Danos fuerzas para poder inclinar nuestras cabezas en señal de resignación ante Tu Santísima Voluntad y poder sobrellevar con resignación cristiana este duro golpe.

Santísima Virgen María, abogada nuestra, ayúdanos a ver el mundo a través del prisma de la fe, para verlo tal como lo ve Cristo.

En tus Manos Señor, encomendamos el alma de nuestro amado Jorge. EBG

Notes for Javier Bolaños Abaúnza:

Despedida a mi hijo Javier en su muerte.

Iglesia Nuestra Señora de la Asunción - Masaya 20 de Marzo de 2007

Adorado Javier:

Diste una dura y valiente pelea lidiando contra esa cruel enfermedad. Transitaste ese largo y duro camino lleno de dolorosos capítulos y episodios con valentía y convicción en que, tal como vos me lo decías, Dios sabe lo que hace y por mi bien me mandó esta terrible enfermedad.

Vos mismo nos decías que estos años de lucha y enfermedad habían sido los mejores de tu vida, que te había acercado mucho más a Dios, a tu esposa e hijitas y que esto te había traído más felicidad, "quizás los más felices de mi vida", me decías.

Muchos rogábamos al Señor que te dejara más tiempo entre nosotros, para que cuidaras a tus hijitas y que hasta pudieras llegar a gozar a los posibles nietos, como lo hemos hecho tu mamá y yo. Pero que si esa no era Su Santísima Voluntad, entonces, -le decíamos en nuestras oraciones, que te llevara con Él entre sus ángeles.

Como vos, yo también creo que para eso te mandó esta enfermedad. Siempre hemos creído que esta vida no es un fin, sino sólo un tránsito para llegar a la verdadera vida eterna. Y ya venciste este transitar y llegaste ya a la presencia del Padre para estar con Él entre Sus ángeles.

Nos decías que "Mientras más fuerte es uno, más duros son los obstáculos. Hay que tener fe para aguantar."

Hoy sabemos que aguantaste y ya estás con tus hermanos, abuelos, familia y amigos, en el Reino de los Cielos, merecido -muy merecido-- por la purificación avivada con los prolongados terribles dolores que sufriste con esta grosera enfermedad, con sabor a cruz.

En otra ocasión me decías: "Recordá que el verdadero regalo es estar vivo: lograr sentir (feel) felicidad o tristeza, dolor o no-dolor; eso es vivir". Y agregabas, "Papá, el dolor es inevitable; el sufrimiento es una opción".

Nos escribías y decías: "Espiritualmente me siento muy cerca de mi Creador, tal como yo lo conozco".

"Familia: gran esposa y cuatro lindas y sanas hijitas constantemente enseñándome cuánto me quieren".

"Mentalmente: gran apetito por el conocimiento, recogiendo experiencias de manera positiva; reconociendo que cada día es un regalo de Dios; que ayer terminó anoche y hoy es un nuevo día y depende de nosotros aprovecharlo de la mejor manera posible, ayudando a otros a hacer lo mismo".

Descendientes de Benito José Abaúnza

Generation 8 (con't)

"Debbie es mi sostén --me decías en tus correos--, siempre a mi lado cuidando de mí". "¿Qué he hecho para merecer tal amor, compromiso y lealtad de este ángel?"

"Siento que mi vida generalmente ha sido fácil y que no he tenido que dar dura batalla por casi nada; todo me ha salido fácil y esta enfermedad no será fácil, será con la que tendré que luchar duro para nivelar la balanza de mi vida".

"Debbie dice que padezco de amnesia; que tengo la capacidad de olvidar las malas experiencias, que me enfoco en lo positivo, que no me dejo caer y que por eso mi amnesia es buena. Quizás sea porque yo soy el que ha causado dolor en vez de que otros me hayan causado dolor a mí". "De esta enfermedad no me puedo correr, aunque no me guste, tengo que enfrentarla. Así es que el vivir un día a la vez es la mejor filosofía para enfrentar lo inesperado".

Adorado Javier: Lo que dejabas atrás y lo que enfrentabas hacia adelante cada día, no eran más que trivialidades comparadas con todo lo que llevabas adentro. Por eso atesoras tus profundos pensamientos y nobles sentimientos, siempre ayudando con ánimo a quien te necesitaba. Siempre viste la vida llena de oportunidades y siempre escuchaste el suave susurro de la esperanza. Siempre viste el vaso medio lleno y nunca medio vacío.

Me decías: "Cada día es un regalo de Dios y tenemos que acogerlo de la mejor manera que podamos, compartiéndolo con los seres queridos. Poreso les escribo casi diario para que mi compartir sea más y más revelador. Los quiero mucho y quiero decírselos cada día por el resto de mi vida".

Y su esposa Debbie me escribía y decía: "¿sabe Usted lo que me destroza? Me siento con Javier y me habla, y nos habla, y escucha... y su cabeza está tan clara y sabe lo que sucede, y no quiere morir. Ha peleado tan duro y por tanto tiempo para vencer el cáncer, con actitud positiva y la fuerza de un súper-héroe... pero simplemente se pone más débil y fatigoso cada día... y está desapareciendo frente a mis ojos ¡y no hay nada que pueda yo hacer!" - "No puedo siquiera comenzar a imaginarme lo que física, mental, emocional o psicológicamente aguanta Javier, pero sus defectos personales deben jugar un rol en todo esto, porque ahora él es más asombroso que nunca. Sé que está asustado --y con gran derecho y razón- y me duele ver lo que nos está sucediendo, pero me alegra estar aquí para él". Pero usted conoce sus palabras: «Voy a vencer esta cosa; no sé cómo, pero la voy a vencer» ¿Y sabe usted qué? ¡Yo de verdad le creo porque él lo cree!". Así me escribía Debbie.

Adorado Javier: Para este último Año Nuevo nos escribiste diciendo: "Lo que le pasa al Hombre no es tan importante como lo que el Hombre hace con lo que le pasa, así es que este año vamos a hacer que sea el mejor de nuestras vidas. Este es el año en el que nuestras familias experimentarán niveles de amor y cercanía a Jesús como nunca antes. Sólo a través de Él podemos lograr lo que ansiamos".

Adorado Javier: Ya venciste. Tocaste muchas vidas y la purificación recibida en el crisol de la dolorosa enfermedad te ha llevado al verdadero comenzar en la vida eterna.

Para tu mamá, para Debbie, las niñas, y todos los que quedamos aún en este transitar, siempre es tiempo de seguir avanzando como vos nos enseñaste, de dar gracias a Dios porque todo no es más que Su Santa Voluntad.

Descansa en paz junto con tus hermanos, primos, abuelos, tíos, parientes y amigos, en el Seno del Señor. En nombre de toda la familia Bolaños, agradezco a los sacerdotes celebrantes y a todos los que nos acompañan y ofrecen sus oraciones en esta Santa Misa por el eterno descanso de Javier. EBG

Notes for Jorge Alejandro Bolaños Abaúnza:

Iglesia Nuestra Señora de la Asunción - Masaya 2 de agosto 2005

Jorge, amado Jorge:

Ya estás ante la presencia del Señor, donde Él ha querido llamarte.

Dios quiso dotarte de un cociente de inteligencia muy especial. Siempre fuiste un alumno excepcional desde kindergarten hasta el doctorado. Fuiste un científico de extraordinario éxito y un orgullo para toda la familia. Renunciaste a tu trabajo de científico en el Centro Internacional de Mejoramiento de Semillas de Maíz y Trigo, para venir a asesorarme en la campaña por la Presidencia de la República, porque vos, al igual que yo, creíste que teníamos que ayudarlo y servirle a nuestro pueblo.

Contribuiste grandemente a la victoria. Le diste gratis a Nicaragua valiosas semillas y el diseño del importante programa de "Libra por Libra", que está beneficiando ya a más de 100 mil familias campesinas y ayuda a Nicaragua a comenzar de nuevo la exportación de granos. Jamás cobraste ni te beneficiaste en nada del presupuesto de la nación.

Fuiste siempre veraz y sincero: Al pan, pan y al vino, vino. Tu mente concebía cosas que nosotros tardábamos mucho en visualizar. Me guiabas en la árdua tarea de gobernar y mucho del éxito obtenido fue

Descendientes de Benito José Abaúnza

Generation 8 (con't)

concebido precisamente por vos, cosas que muchos nunca llegaron a comprender, porque jamás entendieron la práctica democrática existente en nuestra familia. Tus consejos me harán mucha falta y también a tu Nicaragua.

Pero lo más importante aún --y lo que más nos llena de orgullo--siempre fue tu modestia y gran generosidad para con todos, especialmente para con los más necesitados y humildes. Entre ellos te movías más a gusto, cosa que heredaste de tu Lila T, tal como siempre le llamaste a tu mamá.

A mí me hará mucha falta el beso en la cabeza, lleno de amor, con el que siempre me saludabas.

Por tu mente científica y por tu gran generosidad, dispusiste que en caso de muerte, tus órganos fueran donados, para que otros pudieran tener una nueva oportunidad de vivir. Con esta generosidad póstuma, ya has salvado quién sabe cuántas vidas y has devuelto la vista a un par de personas, para alegría de todas sus familias y mayor Gloria de Dios. En tu misma muerte diste tu último acto de grandeza de corazón y heroísmo.

Tu hijita Valeria, tu Lila T, tus hermanos y yo estamos más que orgullosos de ese heroísmo y gran bondad que sabemos te será recompensado y premiado por la infinita Misericordia de Dios.

Nos dejás otro gran legado, a tu hijita Valeria --los ojos de tu cara-- que hereda tu misma inteligencia, talento y bondad. La seguirás cuidando desde el cielo y nosotros aquí te la seguiremos amando, y ahora mucho más que nunca.

Es por tu legado, por tu Valeria y por el resto de mis hijos y nietos, que me hace ofrecerte que seguiré cumpliendo mi promesa -y la tuya- deseguir luchando duro para heredarle a todos los hijos y nietos de todos los nicaragüenses una mejor Nicaragua, como la que vos y yo soñábamos y planificábamos juntos.

Siempre nos dijiste que no te gustaban flores en los funerales; que sería noble más bien ofrecer donaciones a la Cruz Roja, a la que consideraste tu preferida ONG, porque de verdad servía al pueblo. Así planeamos tu funeral, a tu gusto.

La donación voluntaria a la Cruz Roja Nicaragüense será agradecida por la familia Bolaños-Abaúnza, en nombre de Jorge, tal como él lo pedía, de acuerdo a listas de donantes que nos proporcionará la Cruz Roja.

Señor: Danos fuerzas para poder inclinar nuestras cabezas en señal de resignación ante Tu Santísima Voluntad y poder sobrellevar con resignación cristiana este duro golpe.

Santísima Virgen María, abogada nuestra, ayúdanos a ver el mundo a través del prisma de la fe, para verlo tal como lo ve Cristo.

En tus Manos Señor, encomendamos el alma de nuestro amado Jorge. EBG

Notes for Javier Bolaños Abaúnza:

Despedida a mi hijo Javier en su muerte.

Iglesia Nuestra Señora de la Asunción - Masaya 20 de Marzo de 2007

Adorado Javier:

Diste una dura y valiente pelea lidiando contra esa cruel enfermedad. Transitaste ese largo y duro camino lleno de dolorosos capítulos y episodios con valentía y convicción en que, tal como vos me lo decías, Dios sabe lo que hace y por mi bien me mandó esta terrible enfermedad.

Vos mismo nos decías que estos años de lucha y enfermedad habían sido los mejores de tu vida, que te había acercado mucho más a Dios, a tu esposa e hijitas y que esto te había traído más felicidad, "quizás los más felices de mi vida", me decías.

Muchos rogábamos al Señor que te dejara más tiempo entre nosotros, para que cuidaras a tus hijitas y que hasta pudieras llegar a gozar a los posibles nietos, como lo hemos hecho tu mamá y yo. Pero que si esa no era Su Santísima Voluntad, entonces, -le decíamos en nuestras oraciones, que te llevara con Él entre sus ángeles.

Como vos, yo también creo que para eso te mandó esta enfermedad. Siempre hemos creído que esta vida

Generation 8 (con't)

no es un fin, sino sólo un tránsito para llegar a la verdadera vida eterna. Y ya venciste este transitar y llegaste ya a la presencia del Padre para estar con Él entre Sus ángeles.

Nos decías que "Mientras más fuerte es uno, más duros son los obstáculos. Hay que tener fe para aguantar."

Hoy sabemos que aguantaste y ya estás con tus hermanos, abuelos, familia y amigos, en el Reino de los Cielos, merecido -muy merecido-- por la purificación avivada con los prolongados terribles dolores que sufriste con esta grosera enfermedad, con sabor a cruz.

En otra ocasión me decías: "Recordá que el verdadero regalo es estar vivo: lograr sentir (feel) felicidad o tristeza, dolor o no-dolor; eso es vivir". Y agregabas, "Papá, el dolor es inevitable; el sufrimiento es una opción".

Nos escribías y decías: "Espiritualmente me siento muy cerca de mi Creador, tal como yo lo conozco".

"Familia: gran esposa y cuatro lindas y sanas hijitas constantemente enseñándome cuánto me quieren".

"Mentalmente: gran apetito por el conocimiento, recogiendo experiencias de manera positiva; reconociendo que cada día es un regalo de Dios; que ayer terminó anoche y hoy es un nuevo día y depende de nosotros aprovecharlo de la mejor manera posible, ayudando a otros a hacer lo mismo".

"Debbie es mi sostén --me decías en tus correos--, siempre a mi lado cuidando de mí". "¿Qué he hecho para merecer tal amor, compromiso y lealtad de este ángel?"

"Siento que mi vida generalmente ha sido fácil y que no he tenido que dar dura batalla por casi nada; todo me ha salido fácil y esta enfermedad no será fácil, será con la que tendré que luchar duro para nivelar la balanza de mi vida".

"Debbie dice que padezco de amnesia; que tengo la capacidad de olvidar las malas experiencias, que me enfoco en lo positivo, que no me dejo caer y que por eso mi amnesia es buena. Quizás sea porque yo soy el que ha causado dolor en vez de que otros me hayan causado dolor a mí". "De esta enfermedad no me puedo correr, aunque no me guste, tengo que enfrentarla. Así es que el vivir un día a la vez es la mejor filosofía para enfrentar lo inesperado".

Adorado Javier: Lo que dejabas atrás y lo que enfrentabas hacia adelante cada día, no eran más que trivialidades comparadas con todo lo que llevabas adentro. Por eso atesoras tus profundos pensamientos y nobles sentimientos, siempre ayudando con ánimo a quien te necesitaba. Siempre viste la vida llena de oportunidades y siempre escuchaste el suave susurro de la esperanza. Siempre viste el vaso medio lleno y nunca medio vacío.

Me decías: "Cada día es un regalo de Dios y tenemos que acogerlo de la mejor manera que podamos, compartiéndolo con los seres queridos. Poreso les escribo casi diario para que mi compartir sea más y más revelador. Los quiero mucho y quiero decírselos cada día por el resto de mi vida".

Y su esposa Debbie me escribía y decía: "¿sabe Usted lo que me destroza? Me siento con Javier y me habla, y nos habla, y escucha... y su cabeza está tan clara y sabe lo que sucede, y no quiere morir. Ha peleado tan duro y por tanto tiempo para vencer el cáncer, con actitud positiva y la fuerza de un súper-héroe... pero simplemente se pone más débil y fatigoso cada día... y está desapareciendo frente a mis ojos ¡y no hay nada que pueda yo hacer!" - "No puedo siquiera comenzar a imaginarme lo que física, mental, emocional o psicológicamente aguanta Javier, pero sus defectos personales deben jugar un rol en todo esto, porque ahora él es más asombroso que nunca. Sé que está asustado --y con gran derecho y razón- y me duele ver lo que nos está sucediendo, pero me alegra estar aquí para él". Pero usted conoce sus palabras: «Voy a vencer esta cosa; no sé cómo, pero la voy a vencer» ¿Y sabe usted qué? ¡Yo de verdad le creo porque él lo cree!". Así me escribía Debbie.

Adorado Javier: Para este último Año Nuevo nos escribiste diciendo: "Lo que le pasa al Hombre no es tan importante como lo que el Hombre hace con lo que le pasa, así es que este año vamos a hacer que sea el mejor de nuestras vidas. Este es el año en el que nuestras familias experimentarán niveles de amor y cercanía a Jesús como nunca antes. Sólo a través de Él podemos lograr lo que ansiamos".

Adorado Javier: Ya venciste. Tocaste muchas vidas y la purificación recibida en el crisol de la dolorosa enfermedad te ha llevado al verdadero comenzar en la vida eterna.

Para tu mamá, para Debbie, las niñas, y todos los que quedamos aún en este transitar, siempre es tiempo de seguir avanzando como vos nos enseñaste, de dar gracias a Dios porque todo no es más que Su Santa Voluntad.

Notes for Jorge Alejandro Bolaños Abaúnza:

Iglesia Nuestra Señora de la Asunción - Masaya 2 de agosto 2005

Jorge, amado Jorge:

Ya estás ante la presencia del Señor, donde Él ha querido llamarte.

Dios quiso dotarte de un cociente de inteligencia muy especial. Siempre fuiste un alumno excepcional desde kindergarten hasta el doctorado. Fuiste un científico de extraordinario éxito y un orgullo para toda la familia. Renunciaste a tu trabajo de científico en el Centro Internacional de Mejoramiento de Semillas de Maíz y Trigo, para venir a asesorarme en la campaña por la Presidencia de la República, porque vos, al igual que yo, creíste que teníamos que ayudarlo y servirle a nuestro pueblo.

Contribuiste grandemente a la victoria. Le diste gratis a Nicaragua valiosas semillas y el diseño del importante programa de "Libra por Libra", que está beneficiando ya a más de 100 mil familias campesinas y ayuda a Nicaragua a comenzar de nuevo la exportación de granos. Jamás cobraste ni te beneficiaste en nada del presupuesto de la nación.

Fuiste siempre veraz y sincero: Al pan, pan y al vino, vino. Tu mente concebía cosas que nosotros tardábamos mucho en visualizar. Me guiabas en la árdua tarea de gobernar y mucho del éxito obtenido fue concebido precisamente por vos, cosas que muchos nunca llegaron a comprender, porque jamás entendieron la práctica democrática existente en nuestra familia. Tus consejos me harán mucha falta y también a tu Nicaragua.

Pero lo más importante aún --y lo que más nos llena de orgullo--siempre fue tu modestia y gran generosidad para con todos, especialmente para con los más necesitados y humildes. Entre ellos te movías más a gusto, cosa que heredaste de tu Lila T, tal como siempre le llamaste a tu mamá.

A mí me hará mucha falta el beso en la cabeza, lleno de amor, con el que siempre me saludabas.

Por tu mente científica y por tu gran generosidad, dispusiste que en caso de muerte, tus órganos fueran donados, para que otros pudieran tener una nueva oportunidad de vivir. Con esta generosidad póstuma, ya has salvado quién sabe cuántas vidas y has devuelto la vista a un par de personas, para alegría de todas sus familias y mayor Gloria de Dios. En tu misma muerte diste tu último acto de grandeza de corazón y heroísmo.

Tu hijita Valeria, tu Lila T, tus hermanos y yo estamos más que orgullosos de ese heroísmo y gran bondad que sabemos te será recompensado y premiado por la infinita Misericordia de Dios.

Nos dejás otro gran legado, a tu hijita Valeria --los ojos de tu cara-- que hereda tu misma inteligencia, talento

y bondad. La seguirás cuidando desde el cielo y nosotros aquí te la seguiremos amando, y ahora mucho más que nunca.

Es por tu legado, por tu Valeria y por el resto de mis hijos y nietos, que me hace ofrecerte que seguiré cumpliendo mi promesa -y la tuya- deseguir luchando duro para heredarle a todos los hijos y nietos de todos los nicaragüenses una mejor Nicaragua, como la que vos y yo soñábamos y planificábamos juntos.

Siempre nos dijiste que no te gustaban flores en los funerales; que sería noble más bien ofrecer donaciones a la Cruz Roja, a la que consideraste tu preferida ONG, porque de verdad servía al pueblo. Así planeamos tu funeral, a tu gusto.

La donación voluntaria a la Cruz Roja Nicaragüense será agradecida por la familia Bolaños-Abaúnza, en nombre de Jorge, tal como él lo pedía, de acuerdo a listas de donantes que nos proporcionará la Cruz Roja. Señor: Danos fuerzas para poder inclinar nuestras cabezas en señal de resignación ante Tu Santísima Voluntad y poder sobrellevar con resignación cristiana este duro golpe.

Santísima Virgen María, abogada nuestra, ayúdanos a ver el mundo a través del prisma de la fe, para verlo tal como lo ve Cristo.

En tus Manos Señor, encomendamos el alma de nuestro amado Jorge. EBG

Notes for Javier Bolaños Abaúnza:

Despedida a mi hijo Javier en su muerte.

Iglesia Nuestra Señora de la Asunción - Masaya 20 de Marzo de 2007

Adorado Javier:

Diste una dura y valiente pelea lidiando contra esa cruel enfermedad. Transitaste ese largo y duro camino lleno de dolorosos capítulos y episodios con valentía y convicción en que, tal como vos me lo decías, Dios sabe lo que hace y por mi bien me mandó esta terrible enfermedad.

Vos mismo nos decías que estos años de lucha y enfermedad habían sido los mejores de tu vida, que te había acercado mucho más a Dios, a tu esposa e hijitas y que esto te había traído más felicidad, "quizás los más felices de mi vida", me decías.

Muchos rogábamos al Señor que te dejara más tiempo entre nosotros, para que cuidaras a tus hijitas y que hasta pudieras llegar a gozar a los posibles nietos, como lo hemos hecho tu mamá y yo. Pero que si esa no era Su Santísima Voluntad, entonces, -le decíamos en nuestras oraciones, que te llevara con Él entre sus ángeles.

Como vos, yo también creo que para eso te mandó esta enfermedad. Siempre hemos creído que esta vida no es un fin, sino sólo un tránsito para llegar a la verdadera vida eterna. Y ya venciste este transitar y llegaste ya a la presencia del Padre para estar con Él entre Sus ángeles.

Nos decías que "Mientras más fuerte es uno, más duros son los obstáculos. Hay que tener fe para aguantar."

Hoy sabemos que aguantaste y ya estás con tus hermanos, abuelos, familia y amigos, en el Reino de los Cielos, merecido -muy merecido-- por la purificación avivada con los prolongados terribles dolores que sufriste con esta grosera enfermedad, con sabor a cruz.

En otra ocasión me decías: "Recordá que el verdadero regalo es estar vivo: lograr sentir (feel) felicidad o tristeza, dolor o no-dolor; eso es vivir". Y agregabas, "Papá, el dolor es inevitable; el sufrimiento es una opción".

Nos escribías y decías: "Espiritualmente me siento muy cerca de mi Creador, tal como yo lo conozco".

"Familia: gran esposa y cuatro lindas y sanas hijitas constantemente enseñándome cuánto me quieren".

"Mentalmente: gran apetito por el conocimiento, recogiendo experiencias de manera positiva; reconociendo que cada día es un regalo de Dios; que ayer terminó anoche y hoy es un nuevo día y depende de nosotros aprovecharlo de la mejor manera posible, ayudando a otros a hacer lo mismo".

Descendientes de Benito José Abaúnza

Generation 8 (con't)

"Debbie es mi sostén --me decías en tus correos--, siempre a mi lado cuidando de mí". "¿Qué he hecho para merecer tal amor, compromiso y lealtad de este ángel?"

"Siento que mi vida generalmente ha sido fácil y que no he tenido que dar dura batalla por casi nada; todo me ha salido fácil y esta enfermedad no será fácil, será con la que tendré que luchar duro para nivelar la balanza de mi vida".

"Debbie dice que padezco de amnesia; que tengo la capacidad de olvidar las malas experiencias, que me enfoco en lo positivo, que no me dejo caer y que por eso mi amnesia es buena. Quizás sea porque yo soy el que ha causado dolor en vez de que otros me hayan causado dolor a mí". "De esta enfermedad no me puedo correr, aunque no me guste, tengo que enfrentarla. Así es que el vivir un día a la vez es la mejor filosofía para enfrentar lo inesperado".

Adorado Javier: Lo que dejabas atrás y lo que enfrentabas hacia adelante cada día, no eran más que trivialidades comparadas con todo lo que llevabas adentro. Por eso atesoras tus profundos pensamientos y nobles sentimientos, siempre ayudando con ánimo a quien te necesitaba. Siempre viste la vida llena de oportunidades y siempre escuchaste el suave susurro de la esperanza. Siempre viste el vaso medio lleno y nunca medio vacío.

Me decías: "Cada día es un regalo de Dios y tenemos que acogerlo de la mejor manera que podamos, compartiéndolo con los seres queridos. Poreso les escribo casi diario para que mi compartir sea más y más revelador. Los quiero mucho y quiero decírselos cada día por el resto de mi vida".

Y su esposa Debbie me escribía y decía: "¿sabe Usted lo que me destroza? Me siento con Javier y me habla, y nos habla, y escucha... y su cabeza está tan clara y sabe lo que sucede, y no quiere morir. Ha peleado tan duro y por tanto tiempo para vencer el cáncer, con actitud positiva y la fuerza de un súper-héroe... pero simplemente se pone más débil y fatigoso cada día... y está desapareciendo frente a mis ojos ¡y no hay nada que pueda yo hacer!" - "No puedo siquiera comenzar a imaginarme lo que física, mental, emocional o psicológicamente aguanta Javier, pero sus defectos personales deben jugar un rol en todo esto, porque ahora él es más asombroso que nunca. Sé que está asustado --y con gran derecho y razón- y me duele ver lo que nos está sucediendo, pero me alegra estar aquí para él". Pero usted conoce sus palabras: «Voy a vencer esta cosa; no sé cómo, pero la voy a vencer» ¿Y sabe usted qué? ¡Yo de verdad le creo porque él lo cree!". Así me escribía Debbie.

Adorado Javier: Para este último Año Nuevo nos escribiste diciendo: "Lo que le pasa al Hombre no es tan importante como lo que el Hombre hace con lo que le pasa, así es que este año vamos a hacer que sea el mejor de nuestras vidas. Este es el año en el que nuestras familias experimentarán niveles de amor y cercanía a Jesús como nunca antes. Sólo a través de Él podemos lograr lo que ansiamos".

Adorado Javier: Ya venciste. Tocaste muchas vidas y la purificación recibida en el crisol de la dolorosa enfermedad te ha llevado al verdadero comenzar en la vida eterna.

Para tu mamá, para Debbie, las niñas, y todos los que quedamos aún en este transitar, siempre es tiempo de seguir avanzando como vos nos enseñaste, de dar gracias a Dios porque todo no es más que Su Santa Voluntad.

Descansa en paz junto con tus hermanos, primos, abuelos, tíos, parientes y amigos, en el Seno del Señor. En nombre de toda la familia Bolaños, agradezco a los sacerdotes celebrantes y a todos los que nos acompañan y ofrecen sus oraciones en esta Santa Misa por el eterno descanso de Javier. EBG

Notes for Hildebrando Tulio Castellón Gámez:

NUESTRO PRIMER DICCIONARISTA

por Jorge Eduardo Arellano. Pese a su nivel de aficionado, el médico y político Hildebrando A. Castellón llegó a elaborar -y a difundir en volumen- un Diccionario de nicaraguanismos (1939) sin precedentes, si excluimos el de Berendt (1874). Como hemos visto, Castellón no había sido el único en intentarlo -recordemos los esfuerzos de Fletes Bolaños, insertos en publicaciones periódicas, pero sí fue el primero en compilar, con cierto rigor, un léxico general de voces "autóctonas" o "nacionales".

Generation 9 (con't)

El 15 de julio de 1928 comenzó Castellón a publicar en una revista de Managua, La Noticia Ilustrada, “una lista como de 80 palabras de origen indio y de uso frecuente en Nicaragua, cada una con su probable etimología”; pero Alfonso Valle le tildó de “inventor” y plagiarlo del Diccionario de Gagini. Castellón se defendió, señalando las distintas fuentes de su compilación -incluyendo a Gagini- y esperó diez años para que “el referido crítico hiciera al respecto una obra buena y útil, o por lo menos original y completa, pero nunca apareció” -afirma en la Advertencia de su obra pionera-. Para entonces, Castellón ya había concluido -en Guatemala, un año antes- su pequeño libro, como lo calificaba.

Cuarenta y ocho fuentes impresas (“de lingüística americana, de gramática, de historia, de botánica y de zoología, así como numerosos diccionarios”) sustenta su modesto trabajo, aparte de un recurso científico: “la encuesta personal emprendida, en unión de varios jóvenes nicaragüenses (en México y Guatemala), entre los cuales fue uno, mi hijo Benito Castellón Gámez (...) que un hado fatal arrebató de mi lado”. Además, como nadie de sus coterráneos anteriormente, consignó la categoría gramatical de la mayor parte de las palabras recogidas: según él, unas dos mil. De ellas -señala- 400 nunca habían sido definidas en ningún léxico. Especifica la etimología de unas 500 voces de origen indígena y menciona otras 600 de animales y plantas “que han sido identificadas con su respectivo nombre científico y algunas veces con sus propiedades más conocidas”. Y continúa: “Como un agregado al vocabulario, el lector encontrará más de 400 refranes, locuciones y aforismos de uso corriente en Nicaragua, bien que muchos de ellos son de pura cepa castellana. He rehusado registrar algunos vocablos por creerlos muy locales o regionales, marcando el deseo de que la mayoría tenga fisonomía nacional”.

En su mayoría vigentes, los vocablos registrados por Castellón, al igual que los refranes y locuciones complementarios, fueron objeto de análisis de Alfonso Valle en otra pequeña obra que luego citaremos, publicada poco antes de la muerte de Castellón. Valle comentó con afán cuestionador, 708 vocablos y 16 refranes de la obra de Castellón, de acuerdo con el siguiente plan. Primero seleccionó las voces de raíces indígenas, encontrando no más de 204, de las cuales menos de la mitad eran auténticas, 10 dudosas o deficientes y el resto falsas. Luego pasó a los vicios del dicción que, según él, debieron figurar en capítulo aparte, “y no catalogados a guisa de nicaragüanismos o vocablos propios del habla nacional”. También localizó vocablos y locuciones existentes en el Diccionario de la Real Academia Española y que tenían “tanto de nicaragüenses como yo de fraile”.

La crítica de Valle a Castellón fue demesurada e implacable, ya que éste reconocía las limitaciones de su Diccionario al anotar que, en una nueva edición, aumentaría “con la colaboración de personas versadas el número de palabras y locuciones haciendo además las debidas rectificaciones”. Por otra parte, declaró en su “Preámbulo” estar convencido de esta realidad lingüística: “No debieron olvidar nuestros parientes peninsulares que nuestros nombres ya consagrados, tienen el respaldo de ochenta millones de americanos que hablan y disciernen como podrían hacerlo los españoles, cuyo número es menor”. Además, señaló algunos fenómenos básicos de la variante “nica” del español, en particular el rasgo fonético -común a toda Hispanoamérica- de unificar las letras /s/, /c/ y /z/ en /s/. Para Castellón, este rasgo constituía un vicio u error que debía corregirse. Por ello reconoció:

“En Nicaragua no solamente se pronuncia mal la ese, a la cual se le da con frecuencia el sonido de una jota, o se le suprime al vocalizar (loetadosunido por los Estados Unidos), sino que se confunde lastimosamente en la fonética con la c y la z (calsetín, calsón, en lugar de calcetín y calzón, respectivamente); pero en la escritura desaparecen esos vicios”.

En resumen, Hildebrando A. Castellón no dejó un repertorio léxico de índole científica; pero sí un vocabulario apreciable guiado por la siguiente convicción y su alcance: “Del maridaje de las lenguas autóctonas con el español de los conquistadores y colonos, surgió el lenguaje que usamos y del cual hemos querido extraer este vocabulario como algo muy nicaragüense, peculiar a nuestra región, no sin dejar de incluir palabras o expresiones provenientes de otras regiones de América a las cuales hemos concedido derecho de ciudadanía”. En consecuencia, a Valle no le asistía la razón cuando reclamó a su colega la presencia de vocablos hablados en Nicaragua y que se daban en otros países del continente. -
